*Healing from Infidelity* Sagwan Press

NATIONAL BESTSELLER • From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America’s isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. “Fantastic.... Right up there with In Cold Blood and The Executioner’s Song.” —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer’s book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America’s fastest growing religion, and raises provocative questions about the nature of religious belief.

*The Worth of a Soul* Cedar Fort Publishing & Media

IT IS NEVER TOO LATE TO REPENT.That is the message Steven A. & Laurel Cramer hope to convey as they relate the heartache and struggles they went through to overcome Steven’s addictions and repair their marriage. Through much prayer and many emotional roller coaster rides, they learn the love of the Savior for each of us and the power that He has over sin, if only we will allow Him to do His work within us. Told with love and understanding, this book is perfect for those who are working through their own addictions and their loved ones who are looking for healing. This story is real. The [couple is] real. Their struggles and pain, individually and as a couple, were real. The preservation of their marriage relationship through personal efforts and the Atonement of Jesus Christ were real. This book offers both "hope" and "how to's for couples suffering as did they. I know because I was there. -Charles B. Beckert, PhD, Marriage and Family Therapist

*I Love Mormons* The Church of Jesus Christ of Latter-day Saints

Quotations from the Bible, the Book of Mormon, the Doctrine and Covenants, and the Pearl of Great Price, with brief commentary.

*I Forgive You, But...* Cedar Fort Publishing & Media

Whether you've just started attending the singles ward, been at the dating game for years, or know someone who desperately wants to find true love, Fearless Dating is an essential guide for anyone who wants a happy, eternal marriage. Authors Chris and Julia Deaver and Don McCartney use wisdom from the scriptures, counsel from prophets and apostles, and the experiences of dozens of LDS singles to offer priceless advice on topics ranging from planning and goal setting to honest communication, providing useful tips and information for all who seek the blessing of eternal marriage in their lives.

**Infinite Worth** Baker Books

This collection of some of Elder Holland's most memorable recent talks inspires readers to maintain hope amidst personal trials, suffering, and family struggles by riveting their attention on the Savior who has the power to heal.

**Under the Banner of Heaven** Oxford University Press

The Marriage You Do Not Deserve is the product of 20 years of Christian marriage research, wisdom, and teaching. This book was written for Christian women and men looking forward to marriage, or those already married, seeking to learn more about God’s institution. A caution for those who reject God or the notion of a God who would send His son to Earth in order to walk with His creation and suffer the ultimate penalty for our rebellion. This book is grounded in the Christian Bible. If you do not have a relationship with Christ but are open to learning more about Him, then you should receive a great deal of revelation from this book. This book is intended to offend its

audience. As strange as that might sound, I have learned that few people learn and embrace new concepts from the safety of their comfort zone. The ideas in this book are intended to get under your skin, expose the depths of your selfish nature, and educate you to the amazing institution of marriage that God intended for His children. The number one cause of divorce in the world is not money, communication or lack of sex; rather, divorce is the outcome of our self-centered nature and the material pursuit of happiness. This book explains how we were created—body, mind, and soul. Each area is explored in depth, in relation to our part in a Christian marriage. While both the wife and the husband have equal value in God’s eyes, we were created and intended to perform very different roles within His marriage construct. The book explores the history of marriage in the Bible, how our brains were designed for social interaction and relationship, how our bodies were designed for sex, and how getting marriage right leaves a Godly legacy for generations to come.

**A Return to Virtue** Deseret Book

The true story of a wife, her homosexual husband, and a love that transcended tragedy. Gerald Pearson had been honest with Carol Lynn about his homosexual past, but both of them had faith that marriage and devotion to their religion would change his orientation. Love would conquer all. Then, after eight years of apparent happiness and the birth of four children, Gerald was no longer able to deny what he considered to be his essential self. Carol Lynn was shattered, her self-esteem all but destroyed. Their divorce, however, could not erase a lifetime of love and mutual support. Carol Lynn courageously stood by her former husband's side. Even when he contracted AIDS - and came home to die.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*Almost Christian* Whitaker Distribution

Based on the National Study of Youth and Religion--the same invaluable data as its predecessor, Soul Searching: The Religious and Spiritual Lives of American Teenagers--Kenda Creasy Dean's compelling new book, Almost Christian, investigates why American teenagers are at once so positive about Christianity and at the same time so apathetic about genuine religious practice. In Soul Searching, Christian Smith and Melinda Lundquist Denton found that American teenagers have embraced a "Moralistic Therapeutic Deism"--a hodgepodge of banal, self-serving, feel-good beliefs that bears little resemblance to traditional Christianity. But far from faulting teens, Dean places the blame for this theological watering down squarely on the churches themselves. Instead of proclaiming a God who calls believers to lives of love, service and sacrifice, churches offer instead a bargain religion, easy to use, easy to forget, offering little and demanding less. But what is to be done? In order to produce ardent young Christians, Dean argues, churches must rediscover their sense of mission and model an understanding of being Christian as not something you do for yourself, but something that calls you to share God's love, in word and deed, with others. Dean found that the most committed young Christians shared four important traits: they could tell a personal and powerful story about God; they belonged to a significant faith community; they exhibited a sense of vocation; and they possessed a profound sense of hope. Based on these

findings, Dean proposes an approach to Christian education that places the idea of mission at its core and offers a wealth of concrete suggestions for inspiring teens to live more authentically engaged Christian lives. Persuasively and accessibly written, Almost Christian is a wake up call no one concerned about the future of Christianity in America can afford to ignore.

*A Return to Love* Zondervan

Selected sermons delivered 1963-1997.

[Gospel Principles](#) The Church of Jesus Christ of Latter-day Saints

The phenomenal #1 bestseller - preorder Marianne Williamson's latest, picking up where A Return to Love left off: The Mystic Jesus This mega-bestselling spiritual guide has become a classic. Marianne Williamson shares her reflections on A Course in Miracles and her insights on the application of love in the search for inner peace. Williamson reveals how we each can become a miracle worker by accepting God and by the expression of love in our daily lives. Whether psychic pain is in the area of relationships, career, or health, she shows us how love is a potent force, the key to inner peace, and how by practicing love we can make our own lives more fulfilling while creating a more peaceful and loving world for our children.

[Let God Love You](#) Lulu.com

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, I Love Jesus, But I Want to Die offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

[Gospel Truth](#) Brigham Young University Press

Loving anyone is the hardest thing we will ever do, it takes real work. Many in our age seem to believe that it just happens and then they live a life unloved wondering what is wrong with them. The fact of the matter is that love begins with the decisions we make about our own life and it continues with our outward actions toward others. Learning to love people is always hard; they are just so unlovable most of the time. Some place inside of us we want to love people but when we try we are often frustrated. The journey of love is deep and far and it will end up taking you to the very end of yourself but it is completely worth the effort. It is at the end of yourself that love is found and finally understood. You cannot buy it, sell it, hold it, own it, or even understand it... you can only receive it. So on that day you enter into its realm... be prepared to experience it... maybe for the very first time.

**Sermons in a Sentence** Harper Collins

Reminiscences of Joseph, the Prophet, and the Coming Forth of the Book of Mormon by Edward Stevenson is a study of the teachings of Joseph Smith on the Mormon belief. Excerpt: "The picture herewith presented is one of the few produced of the Prophet Joseph Smith. It is here reproduced from one published in Harper's Pictorial many years ago and now makes its appearance for the second time. Although it is only a woodcut, there are in it some true lines and features of the Prophet when he was about the age of twenty-six."

### Living the Book of Mormon Anchor

When award-winning documentary film writer Jane Barnes was working on the PBS Frontline/American Experience special series *The Mormons*, she was surprised to find herself passionately drawn to Joseph Smith. The product of an Episcopalian, "WASPy" family, she couldn't remember ever having met a Mormon before her work on the series—much less having dallied with the idea of converting to a religion shrouded in controversy. But so it was: She was smitten with a man who claimed to have translated the word of God by peering into the dark of his hat. In this brilliantly written book, Barnes describes her experiences working on the PBS series as she moved from secular curiosity to the brink of conversion to Mormonism. It all began when she came across Joseph Smith's early writings. She was delighted to discover how funny and utterly unique he was—and how widely divergent his wild yet profound visions of God were from the Church of Latter-day Saints as we know it today. Her fascination deepened when, much to her surprise, she learned that her eighth cousin Anna Barnes converted to Mormonism in 1833. Through Anna, Barnes follows her family's close involvement with Smith and the crises caused by his controversial practice of polygamy. Barnes' unlikely path helps her gain a newfound respect for the innovative American spirit that lies at the heart of Mormonism—and for a religion that is, in many ways, still coming into its own. An intimate portrait of the man behind one of America's fastest growing religions, *Falling in Love with Joseph Smith* offers a surprising and provocative window into the Mormon experience.

### **The Marriage You Do Not Deserve** Horizon Publishers

David L. Rowe asserts that many Mormons view Christian witnessing as Bible bashing. What Christians need to understand, he suggests, is that Latter-day Saints are an entirely separate ethnic group with their own history, values, and customs. Evangelizing Mormons can be so much more effective if Christians first know, understand, and respect Mormon heritage. With helpful illustrations and discussions of Mormon values and theology, Rowe calls Christians away from

confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture. A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences. In the end, Christians will be more approachable representatives of Christ.

### *Gospel Doctrine* Randall Books

I discovered God's love for his children through my family's forgiveness. From the moment of my confession, my selfless wife was able to look beyond her own pain to the need of saving the family. I never felt a moment's revenge. Through the years of struggle, my family's attitude was that we were all in this together. though I never deserved their love or forgiveness, their actions always affirmed: We still love you. We don't understand what you're going through, but it must be awful for you, and we want to help. WE still need you, and we want you back as part of us. No matter how long it takes, you can count on us to see you through. Thank you forever, Steve  
*Reminiscences of Joseph, the Prophet, and the Coming Forth of the Book of Mormon* Wels Outreach Resources

Through the power of storytelling, inspired author and former YSA bishop Richard H. Ostler brings to life the experiences of LGBTQ Latter-day Saints in his book *Listen, Learn, and Love: Embracing LGBTQ Latter-day Saints*. In a November 2017 devotional address given at Brigham Young University, President M. Russell Ballard challenged us to "Listen to and understand what are our LGBT brothers and sisters are feeling and experiencing." This book, which is supportive of The Church of Jesus Christ of Latter-day Saints, its leaders, and its doctrine, is for all Latter-day Saints. It goes hand-in-hand with the Listen, Learn, and Love podcast, which brings hundreds of stories together in a comprehensive review of the many topics concerning LGBTQs and Latter-day Saints. With the help of this inspired book, we can now better support LGBTQ members in their unique and often difficult road. We can do better in recognizing their gifts and contributions in our wards and families. Listen, Learn, and Love makes a wonderful addition to the spiritual and

intellectual curriculum of all members of The Church of Jesus Christ of Latter-day Saints.

### *Book of Commandments, for the Government of the Church of Christ* Upstate Publishing

"Little compares to the devastation people feel upon discovering their spouse has been unfaithful. Shocked, devastated and overwhelmed, couples often hit stalemates as they struggle to get past intense emotional pain, mistrust, resentment and never-ending arguments about the betrayal. Based on over three decades of experience helping couples recover from betrayal and save their marriages, Weiner-Davis offers a step-by-step program to help readers: - Deal with traumatic feelings after the discovery - Respond to questions about the affair - Talk about intense emotions without arguing - End the affair - Offer apologies that are sincere and healing - Overcome flashbacks and painful memories - Rebuild trust and accountability - Make their marriage stronger than before the affair - Find forgiveness - Reconnect sexually This book is filled with case vignettes of couples whose lives were shattered by betrayal but have eventually recovered and thrived."-- Publisher's description.

### *Rational Theology as Taught by the Church of Jesus Christ of Latter-day Saints* Dog Ear Publishing

*To Moroni With Love*, is a loving, yet straightforward message to the millions of people who call themselves Latter-Day Saints. It is a message of great importance from one former Mormon to those he left behind. His powerful conversion to Christianity has birthed this truth in love message, which has seen tens of thousands saved by grace through faith in Christ. Because of his deep love of Christ and passion to see the lost set free, Ed has brought this message of hope to a tragically lost people. Mormons are a people who are trying their best to serve God. They have been deceived by the "laws and ordinances" of a false gospel. It replaces the free grace of Jesus Christ with dead works and temple ritual as they try to earn their way into heaven. Ed Decker has meticulously studied Mormonism for 45 years and implores readers to take a look into the basic doctrines of Mormonism. See for yourself what permanently separates Mormonism from true orthodox Christianity.
