ALEENA CRAWFORD

The Life and Times of Elijah Muhammad
Springer

Given Prophet Muhammad's (s) immense impact on history, there are surprisingly few books that specifically analyse his leadership. The few that exist maintain that Muhammad was a wonderful leader because he was a wonderful man; that is, he succeeded in his mission because of his superior morality and personal qualities. Although it is widely agreed that Muhammad was a moral and decent man, this explanation seems incomplete and

almost inadequate. Joel Hayward approaches the Prophet's leadership from a different vantage point by scrutinising ancient sources to ascertain whether Muhammad's conscious actions, behaviour, and methods can provide any substantial and meaningful insights about the effectiveness of his strategic leadership. Through meticulous research and rigorous analysis, Hayward demonstrates that Muhammad was an uncommonly astute and self-reflective man with the ability to create and communicate a believable strategic vision of a necessary and desirable future. This engaging yet deeply scholarly book makes a major contribution to both leadership

studies and the Prophet's biography Prophet Muhammad Rasulullah Saw's Secrets of Great Leadership UNC Press Books

In a comprehensive study of early Islamic history, Wilferd Madelung examines the conflict which developed after Muhammad's death for the leadership of the Muslim community. He pursues the history of this conflict through the reign of the four 'Rightly Guided' caliphs to its climax in the first inter-Muslim war. The outcome of the war, which marked the demise of the reign of the Early Companions, resulted in the lasting schism between Sunnite and Shi'ite Islam. Contrary to recent scholarly trends, the

author brings out Ali's early claim to legitimate succession, which gained support from the Shi'a, and offers a convincing reinterpretation of early Islamic history. This book will make a major contribution to the debate over succession. Wilferd Madelung's book *The Succession to Muhammad* has been awarded the Best Book of the Year prize by the Islamic Republic of Iran for the year 1997.

In the Name of Elijah Muhammad Elijah Muhammad Books

In a time of social distancing and isolation, a meditation on the beauty of solitude from renowned Buddhist writer Stephen Batchelor "Whatever a soul is, the author goes a long way toward soothing it. A very welcome instance of philosophy that can help readers live a good life."—Kirkus Reviews "Elegant and formally ingenious."—Geoff Wisner, Wall Street Journal When world renowned Buddhist writer Stephen Batchelor turned sixty, he took a sabbatical from his teaching and turned his attention to solitude, a practice integral to the meditative traditions he has long studied and taught. He aimed to venture more deeply into solitude,

discovering its full extent and depth. This beautiful literary collage documents his multifaceted explorations. Spending time in remote places, appreciating and making art, practicing meditation and participating in retreats, drinking peyote and ayahuasca, and training himself to keep an open, questioning mind have all contributed to Batchelor's ability to be simultaneously alone and at ease. Mixed in with his personal narrative are inspiring stories from solitude's devoted practitioners, from the Buddha to Montaigne, from Vermeer to Agnes Martin. In a hyperconnected world that is at the same time plagued by social isolation, this book shows how to enjoy the inescapable solitude that is at the heart of human life.

School improvement begins with self-examination and honest dialogue about socialization, bias, discrimination, and cultural insensitivity. The authors acknowledge both the structural and sociological issues that contribute to low-performing schools and offer multiple tools and strategies to assess and improve classroom management, increase literacy, establish academic vocabulary, and contribute to a healthier school culture. Leadership in Islam Harvard Education Press

A cast of the world's foremost leadership gurus come together in this book to offer their thoughts on leadership in the new economy.

HEARTcore Harvard Business Press
EACH OF YOU ARE A SHEPHERD AND EACH OF YOU ARE RESPONSIBLE FOR THEIR FLOCK This profound statement by Prophet Muhammad (s) compels us to recognise that we are all leaders at some level. But what makes someone a good leader? And how does each and everyone

of us measure up against the leadership standards set by the Prophet? This book presents a well researched leadership framework combined with extensively applied contemporary practitioner case studies for the first time to readers interested in a Sirah (prophetic life) based universal model for good leadership. Drawing upon scholarly findings from eastern and western sources, and having examined an extensive range of works on Sirah, an original framework of eleven prophetic leadership qualities are presented with an entire chapter devoted to each. Well known and lesser known events from the Sirah are explored and analysed like never before, and viewed with a specialist leadership lens, extracting insights on effective people management, authentic leadership and succeeding against the odds. Each chapter on leadership qualities offers not only what the quality means and where it can be found in the life of the Prophet, but how one can develop those qualities within themselves as well.

The Wiley Blackwell History of Islam Duke University Press

Muhammad: a frank look at his influential

(and violent) life and teachings In The Truth about Muhammad, New York Times bestselling author and Islam expert Robert Spencer offers an honest and telling portrait of the founder of Islam-perhaps the first such portrait in half a century-unbounded by fear and political correctness, unflinching, and willing to face the hard facts about Muhammad's life that continue to affect our world today. From Muhammad's first "revelation" from Allah (which filled him with terror that he was demonpossessed) to his deathbed (from which he called down curses upon Jews and Christians), it's all here-told with extensive documentation from the sources that Muslims themselves consider most reliable about Muhammad. Spencer details Muhammad's development from a preacher of hellfire and damnation into a political and military leader who expanded his rule by force of arms, promising his warriors luridly physical delights in Paradise if they were killed in his cause. He explains how the Qur'an's teaching on warfare against unbelievers developed-with constant war to establish the hegemony of Islamic law as the last stage. Spencer also gives the truth about

Muhammad's convenient "revelations" justifying his own licentiousness; his joy in the brutal murders of his enemies; and above all, his clear marching orders to his followers to convert non-Muslims to Islam- or force them to live as inferiors under Islamic rule. In *The Truth about Muhammad, you'll learn - The truth about Muhammad's multiple marriages (including one to a nine-year-old) - How Muhammad set legal standards that make it virtually impossible to prove rape in Islamic countries - How Muhammad's example justifies jihad and terrorism - The real "Satanic verses" incident (not the Salman Rushdie version) that remains a scandal to Muslims - How Muhammad's faulty knowledge of Judaism and Christianity has influenced Islamic theology--and colored Muslim relations with Jews and Christians to this day. Recognizing the true nature of Islam, Spencer argues, is essential for judging the prospects for largescale Islamic reform, the effective prosecution of the War on Terror, the democracy project in Afghanistan and Iraq, and immigration and border control to protect the United States from terrorism. All of which makes it*

crucial for every citizen (and policymaker) who loves freedom to read and ponder *The Truth about Muhammad Culturally Responsive School Leadership* Partridge Publishing Singapore A list of the one hundred most influential people in history features descriptions of the careers, contributions, and accomplishments of the political and religious leaders, inventors, writers, artists, and others who changed the course of history. Simultaneous.

A-Z Steps to Leadership Kogan Page Publishers

This book examines the concept of leadership from within the Islamic worldview, exploring its meaning and various manifestations through textual evidence from the two primary sources of Islam, The Qur'an and hadith. Using this theoretical framework concurrent with contemporary leadership theory, the authors scrutinise the distinctive leadership dynamics of Islamic organisations within a minority-Muslim context and a focus on Australia. Drawing on empirical data gathered over four years, the nature of leadership and its processes within this unique context is

examined. Leadership in Islam reconciles the problematic processes that exist within Muslim organisational context and offers a set of measures and strategies to improve leadership processes including enacting leadership, enacting following, accommodating complexity, sense making and embracing basics as the core processes. This book will be beneficial for anyone who seeks to understand the meaning of leadership in Islam, the way Islamic organisations operate, and the way forward for improving leadership processes within an Australian/Western context.

The Role of Islamic Spirituality in the Management and Leadership Process Claritas Books

Leaders nowadays need to know, learn, and apply the concept of qalb leadership where it has been taught by the Prophet Muhammad as well as explained by Islamic scholars. The comparison with other mindful leadership concepts is required to provide solutions and options in leadership for better outcomes and spiritual awareness. It is found that leadership literature, in general, is unable to generate an understanding of a

leadership concept that is both intellectually compelling and emotionally satisfying. As for qalb leadership, it focuses on the spirituality of leadership that can aid in facing unpredictable manners and provide better outcomes for followers. Research on Islamic leadership and spirituality may pave the way for better leadership practices in the future. The Role of Islamic Spirituality in the Management and Leadership Process will elaborate the spirituality and qalb in human life and leadership along with providing a discussion on the role and function of qalb in the overall leadership process. Through spirituality, human interdependence, creativity, and social justice can be created and molded. This type of leadership enables transformation in a natural way without denying basic human nature and imparts balance to both the outer and inner needs of humans. With the discussion of four cardinal virtues of Al-Ghazali, leaders can solve many problems that emerge in their organizations. This book is ideal for managers, executives, theologians, professionals, researchers, academicians, and students who are interested in how

Islamic spirituality plays a role in leadership.

Education, Leadership and Islam

Darussalam

This book is an interview of Elijah Muhammad explaining his initial encounter with his teacher, Master Fard Muhammad and how his messengership came about. The subjects discussed are Master Fard Muhammad's whereabouts, the races and what makes a devil and satan. He answers questions dealing the concept of divine and how ideas are perfected. More basic subjects include Malcolm X, Noble Drew Ali, C. Eric Lincoln, Udom, and a comprehensive range of information.

The Future of Leadership MISG US & CANADA ALUMNI

The Leadership of Muhammad is a very personal study of the life-story and leadership skills of the Prophet. John Adair served with a Bedouin regiment in the Arab Legion and this story is full of fascinating detail of desert life and Bedouin beliefs. A business book that crosses boundaries it highlights the key leadership skills displayed by Muhammad and allows you to share in his wisdom.

John Adair weaves the story of Muhammad's life together with aspects of Bedouin culture and ancient proverbs to provide key points for leaders and aspiring leaders. He discusses tribal leadership and essential attributes such as integrity, moral authority and humility. Learning and leadership go hand in hand. You are not born a leader, but you can become one and it is never too late to learn. John Adair's study of Muhammad and the tribal tradition of leadership is an essential addition to the leadership debate.

The Productive Muslim Jossey-Bass Reviews the biography of the Prophet (pbuh) and tracks the places honored by his visits, the battles he fought, and the expeditions and envoys he directed. This atlas gives the Seerah in a brief form, and includes maps, diagrams and photographs to show the places and directions of various events that took place in the life of Prophet degree (S).

The Leadership of Muhammad Standard Bearers Academy

Leadership and servitude can be both rewarding and fulfilling. Both can be quite demanding of you, emotionally, mentally and sometimes physically; however, the

thing that is required to be effective at either is HEART! In this book, you will be able to take what is in your HEART and cultivate it to become more effective in your service and leadership role. Neither longevity nor the size of your team causes effectiveness within an organization if the core of your team or the leadership does not have the HEART for servitude!

Muhammad and the Believers IGI Global
What makes a great leader? It's a question that has been tackled by thousands. In fact, there are literally tens of thousands of leadership studies, theories, frameworks, models, and recommended best practices. But where are the clear, simple answers we need for our daily work lives? Are there any? Dave Ulrich, Norm Smallwood, and Kate Sweetman set out to answer these questions—to crack the code of leadership. Drawing on decades of research experience, the authors conducted extensive interviews with a variety of respected CEOs, academics, experienced executives, and seasoned consultants—and heard the same five essentials repeated again and again. These five rules became The Leadership Code. In The Leadership Code, the authors

break down great leadership into day-to-day actions, so that you know what to do Monday morning. Crack the leadership code—and take your leadership to the next level.

The Leadership Code Solution Tree Press
This book synthesizes the advanced knowledge in modern leadership science with leadership examples of Prophet Muhammad (SAW) and the history of the generation of the Companions. The approach taken is to start with a known modern leadership reference model that is well documented. It then collected and collated evidences from Hadith (a collection of traditions containing sayings of the Prophet Muhammad SAW) and Seerah (the life history, behavior and habits of the Prophet Muhammad SAW) based upon the classifications of the model. It helps to make the readers to become better leaders to help them personally and to help them provide much better leadership for the Muslim community.

Altruistic Service Leadership John Wiley & Sons
Ever wondered if there's a practical way to lead a productive lifestyle that combines

the best of Islamic tradition and modern psychology and science? In *The Productive Muslim*, Mohammed Faris, the founder of ProductiveMuslim.com, provides this practical framework that helps urban global Muslims lead a productive lifestyle – spiritually, physically and socially.

Atlas Al-sīrah Al-Nabawīyah Routledge
There is a distinct difference between how one whose core faith is that Muhammad (Peace be upon him) was the Messenger of Allah and how someone who does not hold this belief, writes about him. This book, however, is not simply an analysis of history. It is a labor of love and reverence while being analytical and objective. It is an attempt by one who not

only believes that Muhammad (Peace be upon him) was the best leader that ever existed but who believes in him and his message and wants to share it. The life of Muhammad (Peace be upon him) the Messenger of Allah is rich and full of lessons. It has been so well documented and so much has been written about his life over the centuries that another attempt is almost unnecessary. However, I decided to write this for two reasons: to make the lessons from the life of Rasoolullah (Peace be upon him) relating specifically to leadership easily accessible to the seeker, whether Muslim or not; and to make an attempt to see how these lessons are applicable today in a world that is in principle, very similar to the world he lived in. My premise is this: Since he was able to change his world and take his people from being the most insignificant, oppressed and weakest to becoming the predominant, admired and

strongest in just one generation; if we learn how he was able to do it, we will be able to learn how to succeed in our world today.

Leadership Advantage Press
Now more than ever, altruistic approaches to leadership are needed in business, industry, government, and in the community to help foster and promote peace, moderation, and goodness for all humankind. In one of the first books ever written on the altruistic service aspects of Prophet Muhammad's leadership, author Ismail Noor provides an easy-to-read, diligently researched, and time-tested approach that has been presented and shared with live audiences in conferences, training sessions, and workshops at all levels. Ismail Noor's penetrative insight into Prophet Muhammad's leadership thrust in the Arabian Peninsula is well-researched and well-tested. Having himself used his written material in conferences, seminars, and workshops

throughout the region, his contribution to the development of leadership competency among executives and managers in the public, private, and institutional sectors has been admirable. This book is certainly useful as a compendium guide for all leaders, based on the Prophet of Islam's universal model.—Professor Datuk Dr. Abdul Jamil bin Mukmin, Chairman, Malaysian Institute of Historical and Patriotism Studies
This guidebook on altruistic service leadership is timely and relevant for twenty-first century leaders at all levels. In an era where leadership is oftentimes fraught with pretensions, hypocrisy, and blameworthiness, it is heartening to be guided by a book for leaders of multi-type organizations and entities, benchmarked on the altruistic leadership model of the Prophet Muhammad.—Dr. Ron Liamsi, Director, Ar-Rashidin Centre for Leadership and Followership, Kuala Lumpur, Malaysia
