The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it "tells you what's beautiful, what's fun, and what's just unforgettable— everywhere on earth." And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28

countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer.

A comprehensive guide to Mozart's THE MAGIC FLUTE, featuring insightful and in depth Commentary and Analysis, a complete, newly translated Libretto with German/English translation side-by side, and over 30 music highlight examples.

**Twelve Years a Slave** Hal Leonard Palm Frond with Its Throat Cut uses both humor and sincerity to capture moments in time with a sense of compassion for the hard choices we must make to survive. Vértiz's poetry shows how history, oppression, and resistance don't just refer to big events or movements; they play out in our everyday lives, in the intimate spaces of family, sex, and neighborhood. Vértiz's poems ask us to see Los Angeles—and all cities like it—as they

have always been: an America of code-switching and reinvention, of lyric and fight.

*The Opera Singer's Career Guide* A&C Black

How did Italian writers, scholars, clergymen, psychologists, members of parliament, and philosophers react to the advent of cinema? How did they establish a common language to discuss an invention that exceeded habits and expectations, and that transcended existing forms and categories of thought? This anthology gathers for the first time a large number of social discourses that in Italy tried to define and contextualize cinema from the 1890s to 1920s. What results is an impressive picture of a culture in distress at a 'scandalous' event and eager to appropriate it for the sake of modernization.

From one of the great bon vivants of our age comes this witty memoir of an extraordinary life lived among a glittering social set. Acclaimed designer and founder of Pret-a-Porter Marc Rosen shares in this delightful reminiscence the stories of his encounters with the great beauties, talents, and personalities of the last 50 years. Marc has rubbed shoulders with everyone - from Hollywood royalty (including Helen Hayes, Bette Davis, and his own wife, Arlene Dahl, the girl for whom Technicolor was invented) to actual royalty (Princess Grace of Monaco, the Romanovs) to the moguls of the beauty and fashion worlds (Charles Revson, Karl Lagerfeld) over the course of his brilliant career.

Taking a unique qualitative approach to studying Russian political culture, this book presents an in-depth analysis of the attitudes and activities of residents in two provincial capitals, Syktyvkar and Kirov. It shows evidence of underlying democracy in popular opinions. It also finds an authoritarian side that is being

strengthened by the ongoing crisis of Russia's transition. In entering a controversial subject area, the author directs a critical eye toward the contemporary research on Russian political culture.

"Fine reading and a superb resource." -- Ms. "Highly recommended." -- Library Journal "Perkins has chosen the plays well, and her issue-oriented introduction places the women and their works in a literary and historical context." -- Choice "As well as being centered on the black experience, the plays in Black Female Playwrights are centered on the female experience." -- Voice Literary Supplement "Perkins' anthology is valuable for a number of reasons... Perkins' book (which includes a bibliography of plays and pageants by black women before 1950 as well as a selected bibliography of critical works) is a major help in providing access to [the world of black drama]." -- Theatre Journal The need to acknowledge these works was the impetus behind this volume. Perkins has selected nineteen plays from seven writers who were among

the major dramatizers of the black experience during this early period. As forerunners to the activist black theater of the 1950s and 1960s, these plays represent a critical stage in the development of black drama in the United States.

Black Female Playwrights Thomas Nelson Die Zauberflöte had its premiere at the Theater auf der Wieden in Vienna on 30th September 1791, less than ten weeks before Mozart's death. It has proved to be one of the most enduringly popular of all

his works and has enchanted generations of opera-goers of all ages. In a fairy-tale allegory imbued with serious philosophical concerns, the opera combines ethereal music with earthy comedy to convey a message of hope for a better world. In this guide, Nicholas Till writes about the background and genesis of the opera, locating it on the cusp of the Enlightenment and the beginnings of German Romanticism. Julian Rushton provides a detailed analysis of the score with numerous musical examples highlighting its many delights, and Hugo Shirley surveys the different and often bizarre permutations that the opera has undergone on stage since some of its very earliest performances through to the present day. The guide contains the complete German libretto with a new English translation by Kenneth Chalmers and incorporates all the dialogue so frequently cut in performances. There are sixteen pages of illustrations, a musical thematic guide, a discography, a bibliography and DVD and website guides. The guide provides a perfect companion to opera-goers wishing to extend their understanding and increase their

enjoyment of this much beloved work.

### **Il Divo** City Lights Books

"Suddenly, this skinny, longhaired kid who had been lounging against the wall inside sprang forward to confront me, rolling and popping his eyes, intensely vibing me with his own personal voodoo. He looked electric, on fire--as if he was about to jump out of his own skin. He was the very image of the young Tim Buckley--same sensual, red-lipped mouth, same sensitive, haunted, blazing eyes. He was a beautiful boy: so charismatic, so handsome, his chiseled face both angelic and demonic. This was obviously Jeff Buckley." Touched By Grace is a revealing account of the time Gary spent working with Jeff Buckley during Jeff's early days in New York City. It describes their magical first performance together at the Greetings From Tim Buckley concert in 1991, the creation of their landmark songs 'Grace' and 'Mojo Pin,' their plan to take on the world together in Gary's band Gods and Monsters--and then the moment when Jeff pulled the plug, opting instead to pursue a solo deal with Columbia Records, the very label that had recently cut short its contract with the original incarnation Gods

and Monsters. In this fascinating and revelatory book, Gary writes with heartfelt honesty about the highs and lows of this unique creative collaboration, providing an eye-opening insight into a world of music, passion, betrayal, and more.

*The Sound of Music Story* Macmillan

On March 2, 1965, "The Sound of Music" was released in the United States and the love affair between moviegoers and the classic Rodgers and Hammerstein musical was on. Rarely has a film captured the love and imagination of the moviegoing public in the way that "The Sound of Music" did as it blended history, music, Austrian location filming, heartfelt emotion and the yodeling of Julie Andrews into a monster hit. Now, Tom Santopietro has written the ultimate "Sound of Music" fan book with all the inside dope from behind the scenes stories of the filming in Austria and Hollywood to new interviews with Johannes von Trapp and others.

Santopietro looks back at the real life story

of Maria von Trapp, goes on to chronicle the sensational success of the Broadway musical, and recounts the story of the near cancellation of the film when the "Cleopatra" bankrupted 20th Century Fox. We all know that Julie Andrews and Christopher Plummer played Maria and Captain Von Trapp, but who else had been considered? Tom Santopietro knows and will tell all while providing a historian's critical analysis of the careers of director Robert Wise and screenwriter Ernest Lehman, a look at the critical controversy which greeted the movie, the film's relationship to the turbulent 1960s and the super stardom which engulfed Julie Andrews. Tom Santopietro's "The Story of 'The Sound of Music'" is book for everyone who cherishes this American classic.

Any singer longing to have a career in opera, particularly in Europe, should be familiar with the European system of classifying voices known as Fach. The *Opera Singer's Career Guide: Understanding the European Fach System* presents valuable information to help readers learn, understand, and use the Fach system to their professional advantage. More than just soprano, alto, tenor, or bass, students and professionals alike should know the 25 different Fach categories fully defined here, along with the examples of roles, audition arias, and European opera houses and agents provided. Based on careful research and personal experience, singer and teacher Pearl Yeadon McGinnis describes the features, characteristics, and benefits of the Fach system, including voice categorization and classification and using Fach to train the young voice. She provides practical information on maintaining a career in opera, such as the different types, procedures, and pitfalls of opera auditions; types of opera contracts and contract negotiations; and the value of networking. She explains the different styles of European opera houses and gives

an example of life in a state level German opera house, including the various performance spaces, the makeup and responsibilities of an ensemble, and the jobs and functions of opera house personnel. A glossary and several appendixes supply tools for auditioning, such as newly classified roles for Children, Lyric, and Beginner singers; roles for the established Fach categories; lists of opera agents and houses in the German speaking countries; and suggested audition arias by Fach. In addition, practical details are offered about establishing and maintaining residency in Europe, obtaining permission to live and work in Europe, and helpful hints about customs and travel.

Voted a Best Poetry Book of the Year by Library Journal Included in Publishers Weekly's Top 10 Poetry Books of the Year One of LitHub's most Anticipated Books of the Year! A State of the Union from the nation's first Latino Poet Laureate. Trenchant, compassionate, and filled with hope. "Many poets since the 1960s have dreamed of a new hybrid art, part oral,

part written, part English, part something else: an art grounded in ethnic identity, fueled by collective pride, yet irreducibly individual too. Many poets have tried to create such an art: Herrera is one of the first to succeed."—New York Times "Herrera has the unusual capacity to write convincing political poems that are as personally felt as poems can be."—NPR "Juan Felipe Herrera's magnificent new poems in *Every Day We Get More Illegal* testify to the deepest parts of the American dream—the streets and parking lots, the stores and restaurants and futures that belong to all—from the times when hope was bright, more like an intimate song than any anthem stirring the blood."—Naomi Shihab Nye, *The New York Times Magazine* "From Basho to Mandela, *Every Day We Get More Illegal* takes us on an international tour for a lesson in the history of resistance from a poet who declares, 'I had to learn . . . to take care of myself . . . the courage to listen to my self.' You hold in your hands evidence of who we really are."—Jericho Brown, author of *The Tradition* "These poems talk directly to America, to migrant people, and to working people. Herrera has created a

chorus to remind us we are alive and beautiful and powerful."—José Olivarez, Author of *Citizen Illegal* "The poet comes to his country with a book of songs, and asks: America, are you listening? We better listen. There is wisdom in this book, there is a choral voice that teaches us 'to gain, pebble by pebble, seashell by seashell, the courage.' The courage to find more grace, to find flames."—Ilya Kaminsky, author of *Deaf Republic* In this collection of poems, written during and immediately after two years on the road as United States Poet Laureate, Juan Felipe Herrera reports back on his travels through contemporary America. Poems written in the heat of witness, and later, in quiet moments of reflection, coalesce into an urgent, trenchant, and yet hope-filled portrait. The struggle and pain of those pushed to the edges, the shootings and assaults and injustices of our streets, the lethal border game that separates and divides, and then: a shift of register, a leap for peace and a view onto the possibility of unity. *Every Day We Get More Illegal* is a jolt to the conscience—filled with the multiple powers of the many voices and many textures of every day in America.

"Former Poet Laureate Juan Felipe Herrera should also be Laureate of our Millennium—a messenger who nimbly traverses the transcendental liminalities of the United States . . ."—Carmen Gimenez Smith, author of *Be Recorder* [Billboard](#) Scholastic UK What could be a more tempting Christmas gift than a compendium of David Sedaris's best stories, selected by the author himself? From a spectacular career spanning almost three decades, these stories have become modern classics and are now for the first time collected in one volume. For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse

in a bucket, struggles to say 'give it to me' in five languages and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms - at long last - with the other. Taken together, the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected - it's often harder, more fraught and certainly weirder - but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called 'the funniest man alive' (*Time Out New York*), *The Best of Me* spans a career spent watching and learning and laughing - quite often at himself - and invites readers deep into the world of one of the most brilliant

and original writers of our time.
