With its close proximity to Hogwarts and being the only all-wizarding village around, Hogsmeade holds too many treasures within its streets. Fortunately for us Potterhead foodies, one of the treasures is food! With Ollivanders, Zonko's Joke Shop, Scrivenshaft's Quill Shop, and many more magical shops around, can you imagine the food they served there? Luckily, with Hogsmeade's Food Guide Cookbook, you won't have to imagine for much longer because you'll be able to bring these magical treats and dishes to life in your own kitchen. Yes, even if you're only a muggle! Perhaps we won't be able to make your meals fly or the dishes wash themselves, but we promise you'll taste a little bit of Hogsmeade's cozy magic in each bite. We've got Cauldron Cakes, Knickerbockers, and Hagrid's Custard Sponge Sandwich, to name a few, so what are we having today? It doesn't matter what kind of wizard, witch, or cook you are. We've made sure our cookbook is easy for all-level magical beings and muggles because we don't want anyone missing out on Hogsmeade's magical cuisine. In case you were wondering where to get frog hairs and cat whiskers for some of the recipes, don't worry. We meant it when we said the cookbook is muggle-friendly, which means we've thought of all the substitutes, so you won't have to! Besides, walking into Walmart and asking for frog hairs will likely get you kicked out and banned for life, so let's avoid that! So whether you're staying home this weekend or thinking about visiting Hogsmeade over the weekend on your way back from Hogwarts (if you can make it there!), the recipes will be sure to hit the spot and keep you tasting the magic, whether you've got it in you or not. We've already preheated the cauldron and chopped up some basic ingredients, so now all we need you to do is take out your magic wand and get cooking! Good luck!
