Beethoven BoD - Books on Demand

In questa tomba oscura, WoO133, is the result of a musical challenge issued in 1807-1808, when composers were invited to set the poem by Giuseppe Carpani (1752-1825), an Italian poet resident in Vienna. Sixty-three composers obliged, but Beethoven's setting is the most memorable and favoured version. Ludwig van Beethoven (1770 - 1827) was a seminal German composer. He had a significant influence on the transition from the Classical to the Romantic era of music, and to this day he is considered to be one of the most celebrated and important composers of all time. This volume is highly recommended for fans of Beethoven's music, and it constitutes a

must-have for collectors of important classical scores. Classic Music Collection constitutes an extensive library of the most well-known and universally enjoyed works of classical music ever composed, reproduced from authoritative editions for the enjoyment of musicians and music students the world over. This edition also includes an introductory biography of Beethoven written by Joseph Otten.

Beethoven Createspace Independent Publishing Platform Presents a comprehensive study of Beethoven, his career, and his music.

During Beethoven's darkest times, when he stumbled about the streets of Vienna like a ragged madman, people thought his career was over. Many of his friends and patrons had died. He no longer seemed to be producing music except for a few trivial pieces. >But appearances were wrong. He was creating what is generally regarded as his greatest single work. Known as the Ninth Symphony, it is much more difficult and massive than any of the preceding eight. But Beethoven was aware that the people of Vienna thought he was crazy. He was afraid his symphony would be rejected. Making things even worse, there had only been time for two rehearsals. By this time he was totally deaf and could not hear how well the musicians performed. On May 7, 1824, Beethoven conducted the Ninth Symphony for its premiere performance in Vienna. When the last notes of the magnificent final movement came to an end, Beethoven stood on the stage with his back to the audience. One of the singers gently turned him around so that he could see the audience. The applause was thunderous. Everyone was standing and cheering. Nearly 180 years later, Beethoven's works are still enjoyed by music lovers all over the world. On January 12, 2003, the Ninth Symphony was added to the Memory of the World register so that the compositions of Vienna's mad genius will live on forever.

Beethoven: the Man and the Artist, as Revealed in his own Words by Ludwig van Beethoven This little book came into existence as if it were by chance. The author had devoted himself for a long time to the study of Beethoven and carefully scrutinized all manner of books, publications, manuscripts, etc., in order to derive the greatest possible information about the hero. He can say confidently that he conned every existing publication of value. His notes made during his readings grew voluminous, and also his amazement at the wealth of Beethoven's observations comparatively unknown to his admirers because hidden away, like concealed violets, in books which have been long out of print and for whose reproduction there is no urgent call. These observations are of the utmost importance for the understanding of Beethoven, in whom man and artist are inseparably united.  
 Edited by Friedrich Kerst and Henry Edward Krehbiel.

Fidelio is Ludwig van Beethoven's only opera. It was composed between 1804 and 1814 and first performed in Vienna. This guide has articles which describe the opera's background and genesis through its various early versions. It also has an analysis of the music, a detailed survey of the opera's extensive performance history throughout the world and an exploration of its continuing significance as a beacon of hope and inspiration. There are

sixteen pages of illustrations, a musical thematic guide, the full libretto and English translation, a discography, bibliography, DVD and website guides.

Ludwig Van Beethoven Encyclopaedia Britannica

Filho de um músico alcoólatra e de uma mãe tuberculosa e cercado de irmãos ineptos, a vida de Ludwig van Beethoven (1770-1827) parecia destinada ao fracasso e à miséria desde o berço. Ele, porém, fez brilhar seu desejo de criar obras-primas e ofereceu à humanidade ideais de liberdade por meio de melodias perturbadoras e surpreendentes. Dono de uma personalidade forte e melancólica e afligido por amores platônicos, um humor instável e, por fim, pela surdez, Beethoven eternizou-se como um gênio na história da música.

The Life and Times of Ludwig van Beethoven READ BOOKS

The "Coletânea Internacional Ludwig van Beethoven - Sonata Poética da Liberdade" (Ludwig van Beethoven International Collection - Poetic Sonata of Freedom) is a Tribute to Beethoven in the celebrations of the 250th jubilee of his birth. The work was conceived, produced and organized by the Brazilian journalist and writer Élle Marques, who brought 90 guest authors together. It is a poetic composition that harmonizes around the Conductor's legacy. The authors reinterpret feelings such as "eternal love" and the value of creatures and nature. It is the first international collective poetic work in the world dedicated to the memory of the great German composer. The Poetic Sonata of Freedom was

originally produced in Portuguese. English version: Hudson Ribeiro. Mundo Cultural World publishing house, 2021.
