**Essentials of Business Law** Simplify Health Inc. Essentials of Business Law McGraw-Hill Education *Essentials of Business Law* South-Western Pub Everybody wants to think of a great idea that will make them rich. A good indication that you have a great idea is that someone copies it but, by then it can be too late. This is too bad as a lot of the knowhow to protect your ideas is free but buried in a mass of detail and exceptions which most people put in the "too hard" basket. Some IP protection you must pay for, such as trademarks but it is well worth it, provided it is done properly. Intellectual Property ("IP") has been described by the Financial Times as one of the key drivers of business competitiveness in the 21st century. Therefore, a clear understanding is essential not only for creative people or entrepreneurs but for anyone who wants to succeed in business and not have their ideas stolen. It does not even need to be your idea. Using IP law you can cheaply gain ownership of other people's ideas and then use your business skills to make a killing. By focusing on the IP legal advice that his small to medium sized business clients have been willing to pay for, Paul Brennan has written a book which will enable you to say "that's my IP" and at least sound as if you know what your talking about which can be the cheapest and most powerful of weapons available to you. Illustrated by legal cartoons drawn by the author this little book combines the qualities of a useful reference book on IP law with wry humour and the odd belly laugh. **YOU WILL LEARN ABOUT:** - Identifying your IP- Protecting your brand and content- Who owns what in joint projects- Fights over names- Internet disputes- How to avoid unintentionally giving it away Paul is uniquely qualified to write this book. He has practiced law in Europe, North America, Asia and Australia. His experience of IP enforcement with a US multi-national, as a partner in law firms in London and Sydney, and ten years in Asia have combined to give him a broad experience. A post graduate in international copyright law, he now runs his own general commercial and property law firm working with small to medium sized businesses. **Originate: Business Development for Lawyers** McGraw-Hill/Irwin ABOUT THIS BOOK This book assists the reader and provides value in three ways: First, model contract language in the form of commercial terms and conditions are provided. Second, the contract language is annotated with explanations and suggestions for each of the key articles. Third, summaries of actual litigated cases are provided in synopsis form. This triple combination of language, annotations and key case synopses all work together to instruct and enlighten the reader. **WHAT OTHERS HAVE SAID ABOUT THIS BOOK** "This book is a superb tool for anyone who relies upon contracts in their business dealings..." Nick Conca, Esq. Chief Claims Officer, Markel Corporation "The authors have hit the ball out of the park! They have crafted an easy to read and easy to understand contracts primer that all supply / demand chain professionals will embrace..." Dan Klepacki, MBA, BS Engineering Adjunct Professor - Rutgers Business School and Senior Industry Advisor Rutgers SCM Program "This book should be required reading for any Project Manager..." Frank V. Cielo, PMP Head of Operational Excellence KEMA Laboratories Chalfont DNV GL Energy "After having read Model Contract Terms and Conditions With Annotations and Case Studies, by Paul Humbert and Robert Mastice, I hope that this treatise becomes a standard manual in any situation where personnel have to develop and draft contracts in any business setting..." Glenn A. Montgomery, Esq., B.A., M.A., J.D. Montgomery, Chapin & Fetten, P.C. "Finally, a concise, annotated source of model contract terms and conditions with case summaries and citations prepared by those with actual, hands-on experience with complex project management transactions..." Glen Clark, Esq. Managing Partner Riker Danzig, Esqs. "The authors' practical experience and technical knowledge combine to provide a valuable guide for executives in the industry. This book contains valuable, real-world framework for successful capital project execution..." Guy Cipriano, P.E. President-El Associates "Authors Paul Humbert and Robert Mastice do an exquisite job of simplifying and decomposing a complex topic in a pragmatic way..." Charlie White Entrepreneur & Principal Partner Thwakk, Inc "Contracts make the commercial world go round. The authors have done a stellar job of demystifying the contracting process, and what can be intimidating "legal" terms and conditions..." James A. Silva VP Solution & Business Development HD Supply - Power Solutions "Paul Humbert and Robert Mastice have written an invaluable resource for any business person or attorney who deals with

commercial contracts. They provide section by section explanations of the purpose of, and rationale for, a wide range of common commercial contract provisions. Their commentary is illuminating for anyone who deals with those types of provisions. I have practiced law for more than 35 years. I wish that a resource like this had been available to me when I began to practice. I recommend it wholeheartedly to anyone, lawyer or non-lawyer, who would like to increase his or her understanding of commercial contracts." Richard Cogen, Esq. Partner Nixon Peabody, LLP **OTHER BENEFITS OF THIS BOOK** This book also facilitates the creation of a project or transaction specific Contract Management Plan. ("CMP"). A CMP is essentially an internal document prepared by either the Company or the Contractor for use by their respective employees in managing the transaction that is the subject of the Contract. The CMP is not shared with the other party since it deals exclusively with the internal considerations and mechanics associated with one party's administration and management of its rights and responsibilities under the Contract. The CMP supplements the Contract and also permits a documented methodology for applying lessons learned from past transactions.

*Lawyers, You Can Revitalize Your Career Starting Today*. Whether you are in law school or a senior partner at an Am Law 100 firm, this book can help you revitalize your career to find the perfect job and create your ideal career. Benjamin Barton, a law professor at the University of Tennessee, in his recent book on the legal profession, stated that only "44 percent of BigLaw lawyers report satisfaction with their careers." According to a 2014 Gallup poll, only 32.4% of professionals in the United States were engaged with their jobs. And over 15% were actively disengaged. There is a disconnect between lawyer's passions and their work. Some lawyers detest their jobs. Others tolerate their work for the paycheck. Either way, these lawyers are detached and dissatisfied with their jobs. They desire something deeper and more meaningful in their work and career. This book can help you revitalize your career and achieve success, prosperity, and personal fulfillment. Success, prosperity, and personal fulfillment as you, and only you, define those terms. The Professional Prosperity For Lawyers System Through the career revitalization system in this book, you will use your strengths to achieve goals reflecting your personal vision of an ideal career. You will explore jobs aligned with who you are and create a career path you have only dreamed of pursuing. Your career revitalization is based on two central premises. First, lawyers must view their career as a business. Whether you are a lawyer at the largest law firm in the world or are a sole practitioner, you are a business. Your career should be run like a business. Second, run your business as an entrepreneur if you want to be successful, prosperous, and personally fulfilled. If you want to realize your dreams of a perfect job and ideal career, the career revitalization process provides the framework. Use the framework, follow the process, and take the actions. You will get your perfect job and create your ideal career. A career giving you the freedom to do the work you want to do. When you want to do it. And, with the people you want to do it with. Imagine getting up in the morning looking forward to your day. Being rested and full of energy. Controlling your schedule. Working on projects that interest and excite you. Collaborating with people you like and respect. Taking time off to spend with family and friends. Having time for leisure activities or working on projects outside your job. This career revitalization system is grounded in the practices, processes and actions of many lawyers who are successful, prosperous and personally fulfilled. You will live your dreams by implementing the career revitalization process. Why I Can Help You Revitalize Your Career I had a successful legal career, developed a book of business over \$3.5 million, was an equity partner at two Am Law 100 firms, was an in-house counsel at a publicly traded investment bank, went from in-house counsel to a law firm partner and left the law on several occasions. Most importantly, I know how you can achieve success, prosperity and personal fulfillment, and I have a strong desire to help you discover the path to your ideal career and life. I also endured decades of boredom and stress as a practicing lawyer. I disliked much of my work and was frequently disengagement from it. Substance abuse, bouts of depression, divorce, and financial issues are part of my career story. And, consideration of suicide on more than one occasion. I could not

enjoy the fruits of my career "success" story. I am now on a mission. A mission to help you create an epic career of success, prosperity and personal fulfillment. Now is the time to take action. Start today by buying and reading this book.

Small business owners and managers face increasing challenges in a difficult economic climate. One way to deal with daily struggles is to gain awareness of the obstacles and pitfalls...and know how to overcome them. Mathew Dickerson, one of Australia's leading IT entrepreneurs, makes this possible with his exciting and instructive book, *Small Business Rules: The 52 Essential Rules to Be Successful in Small Business*. In a logical and very readable format, Dickerson describes fifty-two rules that, if followed, help a small business to succeed. Dickerson covers it all: setting high standards, turning perceived failures into positive learning experiences, being clear about commitment and purpose to evaluating attitudes toward the workplace. He also delves into interfacing with clients, and co-workers, identifying the strengths of one's staff and using them to the fullest. Every aspect pertinent to running and growing a small business is covered in this exceptional book.

What is Information Governance? Information governance is using the business strategy to apply objectivity, economies, and efficiencies of scale to the processes necessary for the management of information in the achievement of business success. The point of Information or Data Governance is to create TRUSTED data for the business. But how is that actually done? This book is for the individual who is looking for a starting place for establishing a path to better information for their business through a data governance program. The book focuses on describing deliverables and techniques necessary to quantify and measure the Trust of information, including creating dashboards to monitor the success of the Information Management and Governance (IMG) Program as well as an overall Trust Dashboard for the enterprise. If you are trying to answer any of the following questions, then this book can help you out: How do we decrease the number of data silos? How much management and governance is needed for the data? Who owns the data? How do we get the business to trust the data? What measurements can I

use to prove the data is good? What do I show executives to illustrate the progress of a data governance program? How can trust of business data be quantified? How is the relevance of data to the business determined? What is the appropriate level of management and governance necessary for the data? This book will help you answer these questions and start improving (and measuring the improvement) of data for your business. The book includes chapters that give a high level overview of data governance but focuses most of the attention on the deliverables and methods necessary to quantify and measure the Trust of data, thereby establishing clear measurements for success.
