We the People Pearson
Guided by Grant Wiggins, co-author of *Understanding by Design*, instruction and assessment are organized around an Essential Question that explores the big ideas of American Government. New, for an accessible curriculum! Explicit reading strategies, such as point-of-use vocabulary support and a considerate text, are

designed for students reading at about a 6th-grade level. Each unit culminates in a performance-based assessment task that demonstrates students' understanding. - Publisher.

Government and Politics in the Lone Star State Prentice Hall

Winner of the Stowe Prize Winner of the NBCC Prize for Nonfiction This compelling #1 New York Times bestseller examines the legacy of slavery in America—and how both history and activism continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith

leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved

people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

Engineering in K-12 Education W. W.

Norton
American Government 2e is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them.

Essential Questions Longman Publishing Group
 The American-born author describes her family's experiences and impressions when they were forced to relocate to a camp for the Japanese in Owens Valley, California, called Manzanar, during World War II, detailing how she, among others, survived in a place of oppression, confusion, and humiliation. Reissue.

American Government 2e United Holdings Group
 What are "essential questions," and how do they differ from other kinds of

questions? What's so great about them? Why should you design and use essential questions in your classroom? Essential questions (EQs) help target standards as you organize curriculum content into coherent units that yield focused and thoughtful learning. In the classroom, EQs are used to stimulate students' discussions and promote a deeper understanding of the content. Whether you are an Understanding by Design (UbD) devotee or are searching for ways to address standards--local or Common Core State Standards--in an engaging way, Jay McTighe and Grant Wiggins provide practical guidance on how to design, initiate, and embed inquiry-based teaching and learning in your classroom. Offering dozens of examples, the authors explore the usefulness of EQs in all K-12 content areas, including skill-based areas such as math, PE, language instruction, and arts education. As an important element of their backward design approach to designing curriculum, instruction, and assessment, the authors *Give a comprehensive explanation of why EQs are so important; *Explore seven defining characteristics of EQs; *Distinguish

between topical and overarching questions and their uses; *Outline the rationale for using EQs as the focal point in creating units of study; and *Show how to create effective EQs, working from sources including standards, desired understandings, and student misconceptions. Using essential questions can be challenging--for both teachers and students--and this book provides guidance through practical and proven processes, as well as suggested "response strategies" to encourage student engagement. Finally, you will learn how to create a culture of inquiry so that all members of the educational community--students, teachers, and administrators--benefit from the increased rigor and deepened understanding that emerge when essential questions become a guiding force for learners of all ages.

An Introduction to American Politics

Pearson College Division

Are you feeling a little rusty with your social studies content knowledge? This brief primer, *Social Studies Content for Elementary and Middle School Teachers, Second Edition*, is just what you need. It provides a helpful overview of both U.S.

and world history, in addition to basic knowledge in geography, economics, and civics. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and

Afghanistan, and domestic concerns related to health care reform and the economy.

Washington's Farewell Address to the People of the United States, 1796 Prentice Hall

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the

farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. *Just Mercy* is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book "Every bit as moving as *To Kill a Mockingbird*, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields."—David Cole, *The New York Review of Books* "Searing, moving . . .

Bryan Stevenson may, indeed, be America's Mandela."—Nicholas Kristof, *The New York Times* "You don't have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. *Just Mercy* will make you upset and it will make you hopeful."—Ted Conover, *The New York Times Book Review* "Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he's also a gifted writer and storyteller."—*The Washington Post* "As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty."—*The Financial Times* "Brilliant."—*The Philadelphia Inquirer*
American Politics Today Little, Brown
 Updated in its 3rd edition, *Basic Methods of Policy Analysis and Planning* presents quickly applied methods for analyzing and resolving planning and policy issues at state, regional, and urban levels. Divided into two parts, *Methods* which presents quick methods in nine chapters and is organized around the steps in the policy analysis process, and *Cases* which presents seven policy cases, ranging in

degree of complexity, the text provides readers with the resources they need for effective policy planning and analysis. Quantitative and qualitative methods are systematically combined to address policy dilemmas and urban planning problems. Readers and analysts utilizing this text gain comprehensive skills and background needed to impact public policy.
A Reckoning with the History of Slavery Across America Routledge
 In *Self-Reliance*, Emerson expounds on the importance of trusting your soul, as well as divine providence, to carve out a life. A firm believer in nonconformity, Emerson celebrates the individual and stresses the value of listening to the inner voice unique to each of us?even when it defies society's expectations. This new 2019 edition of *Self-Reliance* from Logos Books includes *The American Scholar*, a stirring speech of Emerson's, as well as footnotes and images throughout.
Exploring Strategy Text Only 10e Liveright Publishing
 For nearly 200 years, Americans have pinned the democratic character of their system on elections. In many ways, we have become an election-crazed nation,

ever-hoping that the next grand contest or the next great candidate will save the day. But tectonic shifts abound – changes that are distorting the nature of the process. From the rise of fear-centered partisanship, new limits on voter access to the polls, the omnipotence of social media, declining standards of objectivity, Russian interference, the reemergence of the partisan press, the growing weight of elites and more, elections – our "grand democratic feasts" – are transforming before our eyes. We've reached a precarious intersection, and it is no stretch to say the future of the republic is at stake. Written by one of the nation's leading parties and elections scholars, *Why Vote? Essential Questions About the Future of Elections in America* explores a range of topics. Each chapter is set by a guiding question, and concludes with a novel, often surprising argument. Who or what is to blame for the rise of rabid, hate-centered polarization? Can a third party really save our system? Should we even try to limit money in campaigns? Do elections stifle other, more potent forms of engagement? Who's to blame for the growing number of voter access

restrictions? Might attitudes toward immigration and race form a "unified theory" of voter coalitions? This lively, accessible book is sure to inspire robust discussion and debate. The election process in the United States is coming apart at the seams, and *Why Vote?* tees up a new way of thinking about the future. This book will be of particular interest to students and scholars of US politics and elections, and to general interest readers. [Pearson American Government Lulu.com](https://www.lulu.com/it/item/802638)
This package includes a physical copy of Exploring Strategy text only 10th edition as well as access to the eText and MyStrategyLab. Understanding American Politics and Government Guilford Press

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses.

The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

A Story of Justice and Redemption

Routledge

This accessible, provocative, and brief

book explores the reasons why the young are less and less likely to follow politics and vote in the United States, as well as in

many other established democracies, and suggests ways of changing that.
