"A true psychological thriller that will leave you breathless." --Wendy Walker, bestselling author of *All Is Not Forgotten* and *Emma in the Night* Emotionally guarded Daphne Amos always believed she'd found a kindred spirit in her fianc ,

Heath. Both very private people, they've kept their pasts hidden from the world, and each other, until Heath's escalating nightmares begin to put an undeniable strain on their relationship. Determined to give their impending marriage the best chance of succeeding, Heath insists that Daphne join him on a seven-day retreat with Dr. Matthew Cerny, a psychologist celebrated for getting to the root of repressed memories. Daphne reluctantly agrees--even though the past is the last place she wants to go. The retreat's isolated and forbidding location increases her unease, as do the doctor's rules: they must relinquish their keys and phones, they'll be monitored at all hours by hidden cameras, and they're never to socialize with the other guests. One sleepless night, Daphne decides to

leave her room...and only then does she realize that the institute is not at all what it seems--and that whatever's crying out from Heath's past isn't meant to be heard. It's meant to be silenced.

First published in 1992, this Sourcebook is a basic working tool for all those concerned with children's reading. It will help librarians and teachers to select a comprehensive stock of children's fiction for their institutions. The authors in the sourcebook have been selected on the grounds of importance, popularity and current availability. Author entries are arranged in alphabetical order and indexes provided by title, series, age-range and genre. Each entry consists of some background information, and

evaluative comment on style of the book, a list of the authors books with publisher, date and price, and literary agent where applicable. There is a suggestion of similar authors, sequels, related series and reader age range.

My Best Friend's Secret Book Beautiful Tired of being picked on by a trio of popular girls, fourteen-year-old poet Emily hires a major public relations firm to change her image and soon finds herself "re-branded" as Em, one of the most important teens not only in her middle school, but in celebrity magazines, as well.

Emily's Book of Health Without Drugs In your letters I see a continuing concern for maintaining good health without a lot of prescription drugs and doctor visits.

And, I have been asked, over and over, what natural remedies are available for relieving pain. This book offers me the opportunity to share some ways to better health that you may not be familiar with. I hope to encourage each of you to be more aware of your body and how it works. Many of us grew up hearing words like these every day:

"Clean up your plate or no dessert."

"You can have a cookie if you're good."

We now know that when food is used as a reward, it can lead to poor eating

habits. How many times do we use food to soothe frazzled nerves, calm fears, or relieve tension? Too much of this and we are overweight! This volume is not a diet book, but it IS a book about diet, because good eating habits are of value for much more than weight control. We have tens of thousands of cells in our bodies, all dependent on what we put into our mouths. Good health requires us to eat a balanced diet, drink plenty of water, and reduce the amount of caffeine, fat, nicotine, and overly processed foods we eat. It is also important, now and then, to slow down a bit and relax. We all need to take time to enjoy a bit of laughter and appreciate those around us who make life worth living. This brings needed balance to our lives.

### **Every Single Secret** Penguin

A timely and captivating novel about a mother whose life spirals out of control when she descends into alcoholism, and her battle to get sober and regain custody of her beloved son. Cadence didn't sit down one night and decide that downing two bottles of wine was a brilliant idea. Her drinking snuck up on her—as a way to sleep, to help her relax after a long day, to relieve some of the stress of the painful divorce that's left her struggling to make ends meet with her five-year old son, Charlie. It wasn't always like this. Just a few years ago, Cadence seemed to have it all—a successful husband, an adorable son, and a promising career as a freelance journalist. But with the demise of her marriage, her carefully constructed life

begins to spiral out of control. Suddenly she is all alone trying to juggle the demands of work and motherhood. Logically, Cadence knows that she is drinking too much, and every day begins with renewed promises to herself that she will stop. But within a few hours, driven by something she doesn't understand, she is reaching for the bottle—even when it means not playing with her son because she is too tired, or dropping him off at preschool late, again. And even when one calamitous night it means leaving him alone to pick up more wine at the grocery store. It's only when her ex-husband shows up at her door to take Charlie away that Cadence realizes her best kept secret has been discovered.... Heartbreaking, haunting, and ultimately life-affirming, Best Kept

Secret is more than just the story of Cadence—it's a story of how the secrets we hold closest are the ones that can most tear us apart.

At 15, Emily is a relatively typical teenage girl living in the Maritimes. She lives with her eccentric dad as he prepares to build a log cabin. She rides her beloved horse and spends all her free time taking in the fresh air. But things aren't perfect, the winters are harsh and her dad's place is cold and draughty. Enter their neighbour who sees a girl in need and offers to lend a hand. Three words: "OUR LITTLE SECRET," and Emily's fate is sealed. Twenty five years later, Emily is adrift and depressed when she spots her neighbour again on a ferry. The events of that long-ago winter come rushing

back, and she is forced to reckon with the past anew. She vows that she will bring him to justice, tell her secret, and come to terms with the wounds that defined so many years of her life. Inept lawyers, expensive therapy, and a broken justice system block Emily's path to peace. Only when she rediscovers her youthful artistic talent by putting pen to paper does she see a way out. Now in her fifties, Carrington has crafted a compulsively readable debut that shows a powerful command of the comics medium. Our Little Secret is a testament to survival and to the importance of telling your story your way.

summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps

bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

Hidden away in a small town in the kingdom of Norbane, Morgan's existence is kept secret from those who would do anything to find her. Even she doesn't know who she is. When a royal air mage named Roden comes into her town looking for her, she is suddenly thrust

into a destiny she did not choose. He tells her she is a windkeeper, a mage whose powers are intimately linked to magical creatures called marlens. The marlens have been hiding for so long that most people think they don't exist. However, they are the only creatures with sufficient power to end the war that threatens Norbane and its mages. With time running short, Morgan must learn how to master her powers and call the

marlens to fight. She and Roden face many obstacles together: battling enemy mages, a dragon with a human farm, dealing with opposition from the marlens, and trying to fight off the unlikely attraction they begin feel for one another. They have a job to do, and if Morgan fails, countless lives will be lost and damage will be done that even magic can't fix.
