**The Sun Sword** Japanese Literature  
The acclaimed debut from the author of Cry Father, nominated for France's most prestigious crime fiction award, is a "relentlessly visceral" (Seattle Examiner) story of fatherhood and redemption with the sharp edge of a thriller and a dark heart that "easily rivals Larry Brown's most renowned novels" (Spinetingler Magazine). Douglas Pike is no longer the murderous hustler of his youth, but he's certainly no kinder. He works odd jobs, just living out his life in Appalachia with his partner Rory, hemming in his demons the best he can. His best seems just good enough until his estranged daughter overdoses, and he takes in his twelve-year-old granddaughter, Wendy. Just as the two are beginning to forge a relationship, a dirty cop kills a black man and, while on hiatus from the force, takes an unhealthy interest in Wendy. Pike and Rory head to Cincinnati to learn what they can about the death of Pike's daughter and the crooked cop, three evenly matched predators circling a human wilderness of junkie squats, roadhouse bars, and homeless Vietnam

vet encampments. Now featuring extended excerpts from Cry Father, the novel LitReactor called "a gut punch of raw storytelling power...absolutely uncompromising," Benjamin Whitmer's inimitable literary voice is a tour de force infused with acerbic wit and keen wisdom about the flawed nature of humanity.

*Afternoon on the Amazon* VIZ Media LLC Successful career woman Asuka Takanashi has an old-fashioned dream of getting married and becoming a housewife, but popular TV newscaster Ryu Nanami would rather die than ever get married. Asuka doesn't want to get in the way of Ryu pursuing his career abroad, so she has ended their long-distance relationship. With their lives on different paths, is this loving couple destined to remain apart? -- VIZ Media [The Truth about Marie Harlequin](#) 'Before long I was nothing but a block of petrified flesh in an upright position. The wind was blowing into my mask and my cheeks started to freeze. My nose and lips were cracked with scabs. My hands and arms, which were constantly raised

to the sky to control my sail, no longer received any blood. My circulation had stopped functioning properly. As I made my way over the ice, a layer of fine powdery snow rose into the air, only to settle in my boots in an icy drizzle.' Explorer Mike Horn has had one dream since childhood: to cross Antarctica. Growing up in South Africa during the 1960s and 70s, he relocated to Switzerland almost 30 years ago. Today, he is a world-renowned adventurer, tour guide and coach, having made a name for himself as one of the world's leading explorers, traveling to some of the most isolated destinations on the planet. In December 2016, Mike finally made his childhood dream come true. He crossed the South Pole unassisted, journeying across this immense, white desert by kite-ski and sled alone. He was determined to follow an unexplored path, the longest and most challenging route imaginable: 5 100 kilometres straight ahead. In order to make it to the other side, he not only had to scale Dome Charlie - one of the highest summits on the Antarctic Ice Sheet - but also had to break all existing speed records to stave off being consumed by a terrible Antarctic winter. It would turn out to be a hellish race against death. His story is one of many shocking setbacks - but also of overcoming adversity through sheer willpower. A daredevil's first-hand account of realising a crazy dream, this book shows what is possible when one is fuelled by the love and support of family and friends.

A well-trained dog is the result of education - actually, more yours than your dog's. You need to know what makes a dog a dog: how he thinks,

reacts, grows, and expresses himself; what his needs are; and most important, why he does what he does. When you understand your dog, you will achieve a mutually rewarding relationship. Dogs aren't homogeneous. Each one is unique, and in their differences lie the challenge. *Dog Training For Dummies* can help anyone who has just brought home a puppy or is thinking of getting one. Even if you have experience with dog training, you'll find useful information for a wide variety of dog breeds and personalities. This book is also for you if You want your dog to be well behaved - for his sake as well as yours. You have little or no knowledge of proper dog training techniques You have done some reading on the subject, but have had limited success with your dog. Your dog is partially trained but needs to learn a few more things Find out what it takes to have a well-behaved pooch by recognizing your dog's instinctive behaviors and determining its personality profile. Understand what your expectations are and know how your attitude affects your dog's training. This handy reference guide also covers the following and more: Dealing with barking and chewing Coping with separation anxiety Housetraining a puppy Walking and heeling Retrieving on command Training for competitive dog titles Teaching your dog to be a Companion Dog Dealing with aggression Understanding your dog's health Going to obedience school The important thing about dog training is to get started today. The sooner you train your dog to behave the way you want him to, the sooner the two of you can live in peace together, and the more problems you can prevent down the road. So get going! Your dog will thank you for it. *Dog Training For Dummies* Other Press,

**The Master of the Mountains** Coach House Books

He's a child of the stars, beloved of the gods and touched by destiny, but also a reluctant hero, a simple man with simple dreams. *Thorgal: an extraordinary Viking saga with strong elements of science fiction*, by one of the master scriptwriters of Franco-Belgian comics. *Everyone's Getting Married, Vol. 9* Northwestern University Press Now in paperback, *The Red Sofa* is a quiet French novella exploring love, memory, and the perspective that travel gives us on both. In *The Red Sofa*, we meet Anne, a young woman setting off on the Trans-Siberian Railway in order to find her former lover, Gyl, who left twenty years before. As the train moves across post-Soviet Russia and its devastated landscapes, Anne reflects on her past with Gyl and their patriotic

struggles, as well as on the neighbor she has just left behind, Clémence Barrot. Rocked by the train's movements Anne is moved by her memory of Clémence, who is old and whose memory is failing, but who has not lost her taste for life and adventure. Ensnared on her red sofa at home, Clémence loves to tell Anne her life story, mourning lost loved ones and celebrating the lives of brave, rebellious women who went before her. Eventually, Anne's train trip returns her home having not found Gyl, but having found something much more meaningful-- herself.

Everyone's Getting Married, Vol. 8  
Dundurn

An ancient bomber conceals a devastating secret - a stunning Covert-One thriller from the master storyteller. On a desolate island deep within the Arctic, a scientific expedition photographs the wreckage of a bomber. It seems to be a relic from the Cold War - but a handful of insiders know that it is a Soviet Air Force biological warfare platform, still armed with weaponised anthrax. Covert-One's Lt. Col. Jon Smith leads a team to secure the site. But on the island they find themselves confronted with a traitor from within their ranks. Gradually they become aware that the ancient bomber conceals something else: a secret so deadly that it could trigger a Third World War...

**The Language of Solitude** Simon and Schuster

In August 2002, Mike Horn set out on a mission that bordered on the impossible: to travel 12,000 miles around the globe at the Arctic Circle - alone, against all prevailing winds and currents, and without motorized transportation. *Conquering the Impossible* is the gripping account of Horn's grueling 27-month expedition by sail and by foot

through extreme Arctic conditions that nearly cost him his life on numerous occasions. Enduring temperatures that ranged to as low as -95 degrees Fahrenheit, Horn battled hazards including shifting and unstable ice that gave way and plunged him into frigid waters, encounters with polar bears so close that he felt their breath on his face, severe frostbite in his fingers, and a fire that destroyed all of his equipment and nearly burned him alive.

Complementing the sheer adrenaline of Horn's narrative are the isolated but touching human encounters the adventurer has with the hardy individuals who inhabit one of the remotest corners of the earth. From an Inuit who teaches him how to build an igloo to an elderly Russian left behind when the Soviets evacuated his remote Arctic town, Horn finds camaraderie, kindness, and assistance to help him survive the most unforgiving conditions. This awe-inspiring account is a page-turner and an Arctic survival tale in one. Most of all, it's a testament to one man's unrelenting desire to push the boundaries of human endurance.

*Dream of a Lifetime* Random House Books for Young Readers

When Thorgal is sent to Second World after Vosung of Nichor puts an arrow in his back, the Guardian of the Keys sends him back to retrieve the source of her immortality.

*Conquering the Impossible* Dalkey Archive Press

This is the story of a girl growing up in the 1990s - a middle-schooler who finds herself lost in the gulf between childhood and adolescence, developing paralyzing fears of failure, school, other people, and her own changing body. Along the way, she becomes obsessed with the Beatles... which might be just

what she needs to find her way back to being okay. Yeah yeah yeah!

Wolf Cub Attinger SA

Prodependence revolutionized addiction healthcare by improving the ways we treat loved ones of addicts and other troubled people by offering them more dignity for their suffering rather than blame for the problem. This revised edition builds on the model, revealing many more ways to put the method into practice and strategies for setting healthy boundaries. Do you love an addict? Do you sometimes feel like their addiction is your fault? Are people calling you codependent? If our treatment toward loved ones of addicts alienates them, it's time we change our approach. With Prodependence, Dr. Robert Weiss offers us the first fully new paradigm in nearly 40 years for helping those who love and care for addicts. An attachment-focused model, prodependence recognizes that no one can ever love too much, nor should anyone be pathologized for whomever they choose to love as is often the case. Prodependence informs caregivers how to love more effectively, but without having to bear a negative label for the valuable support they give. When treating loved ones of addicts and other troubled people using prodependence, we need not find something "wrong" with them. Instead, we acknowledge the trauma and inherent dysfunction that occurs when living in relationship with someone whose life is failing and keep moving forward. Validating a caregiver's painful journey for what it is opens the door to support them in useful, non-shaming ways. Helping people take incremental, positive steps toward intimate healing is what Prodependence is all about!

*Thais* Simon and Schuster

A nameless, ambitionless office worker finds his small apartment gradually invaded by three other people: all younger than himself, but seemingly no less adrift. The year is 1986, and the strange communal life of this foursome, extending over half a year, from the end of winter to midsummer, makes up the plot, such as it is, of *Plainsong*, as this ersatz family finds itself growing closer, and life continues quietly around them. Part of the generation that grew to prominence following the success of baby boomers like Haruki Murakami, Kazushi Hosaka's work chronicles the small moments, the moments without conflict, that most novels work to elide. His characters talk, work, exist; their story is one where the tiniest occurrence takes on the proportions of a grand drama.

The Phenomenology of Aesthetic Experience 9th Cinebook

USA TODAY bestselling author Sarah Morgan heats up the season with the O'Neil brothers in a brand-new holiday series! Once upon a time, Christmas was Kayla Green's favorite time of year. Now all the workaholic wants for Christmas is for it to be over—as fast as possible! So when duty calls her to snowy Vermont to close a deal with a new client, Kayla is grateful for an excuse to avoid the holidays for another year. Jackson O'Neil left a thriving business behind to return home and salvage his family's resort—it's in his blood, and he can't let it fail. Now that he's got marketing whiz Kayla Green working with him to put Snow Crystal on the map, success is on the horizon. The fact they strike enough sparks off each other to power all the Christmas lights in Vermont is just an added bonus. Kayla might be an expert at her job, but she's out of her depth with Jackson—he makes her crave the

happy-ever-after she once dreamed of, and it's terrifying. As the snowflakes continue to swirl, will the woman who doesn't believe in the magic of Christmas finally fall under its spell?

*Viking Ships at Sunrise* Simon and Schuster

The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! "Where are the lions?" Jack wonders when the Magic Tree House whisks him and his sister to the vast plains of Africa. Before he can find out, Annie starts to help hundreds of wildebeests cross a rushing river. Next they follow a honey of a bird and meet an awesome Masai warrior. Jack hopes any lions will just stay away. Jack is about to be very disappointed... Thorgal Dundurn

When FBI profiler Amberly Nightsong is sent to Mystic Lake to consult with local cops about three ritualistic murders, the last thing she expects is to be a piece in a madman's sick puzzle. Luckily, she has a sexy lawman on her side. Sheriff Cole Caldwell offers his protection—and stirs an awareness that leaves her breathless. Cole, a widower, had shut himself off from the possibility of loving again. But

as he works side by side with the single mom, he's drawn to Amberly and will do anything to erase the fear in her eyes. And as the danger intensifies in the form of a killer's twisted calling card, his vow to keep her and her young son safe will be put to the ultimate test....

Nowhere Girl Cinebook Limited

Moving through a variety of locales and adventures, *The Truth about Marie* revisits the unnamed narrator of Toussaint's acclaimed *Running Away*, reporting on his now disintegrated relationship with the titular Marie—the story switching deftly between first- and third-person as the narrator continues to drift through life, and Marie does her best to get on with hers. Like all of Toussaint's novels, *The Truth about Marie's* plot matters far less than its pace and tempo, its chain of images, its sequence of events. From pouring rain in Paris to blazing fires on the island of Elba, from moments of intense action to perfectly paced lulls, *The Truth about Marie* relies on a series of contrasts to tell a beguiling, and finally touching, story of intimacy forever being regained and lost.

The Master of Jalna Jonathan Ball Publishers

1843, Paris. A sensational trial stuns the art world and has the streets of the capital buzzing. Is the famous art dealer Daniel Northbrook nothing but a swindler? Count Skarbek, a rich Polish businessman, will do everything he can to prove it. A gripping romantic thriller and a poignant story of love, hatred, passion, and revenge in the vein of the great popular fiction by Hugo and Dumas.
