A complete retelling of how *The Wizard of Oz* was influenced and created, and attained its iconic status. The new Jay Scarfone and William Stillman volume will reflect recent research and much more through newly discovered period interviews, media resources of the era, transcriptions and unique contemporary interviews with those who were there. Additionally, never-before-published imagery accompanies the text, which may be presented as inserts or interspersed throughout. In its truth and candor, this new historical contribution will need to be unofficial and unauthorized. *The Road to Oz* is ideal to tie-in with the 2018-19 80th anniversary of the 1939 movie.

If you are an elementary school teacher or parent of an elementary school student who loves the theater, but has no theatrical experience. Then this book is for you. This teacher was the student council advisor for the school and a true lover of the theater who went to the theater often and exposed her students to the theater by helping them raise money in many ways to bring a performing arts traveling theater company of a local college to the school. When this college lost their funding and could no longer travel to perform for the various schools in the area, the children in this school asked their advisor to organize their very own theater group for the school. Well, this teacher told them in no uncertain terms that she knew absolutely nothing about acting

and would not even know how to begin a drama program. Well, the children convinced this teacher to at least try. So she did. This book shows how this teacher through her friends and family members who knew people who knew theatrical people who guided her and showed her how she really could organize a real drama program for her school. This book shows the elementary teacher how to teach the children to write their own script from their favorite book in their library. Then eventually write their own version of popular stories such as "The Wizard of Oz". It also shows the teacher how to organize the parents of the students into the essential needs of a drama club by assessing the various talents of the parents and interested members of the faculty. This book also

shows the drama teacher how to introduce to the students various improvisations and exercises for developing acting skills. It also includes the scripts and directions for nine different plays, including suggested music, all suitable for elementary students. In other words, it is a book of how an elementary teacher went from having no theatrical experience to how she was able to organize a very successful drama club, that was invited to perform for the D.A.R.E. conference and the governor at the capitol building in Sacramento, California.

*Father Forgive Me* Graphic Arts Books New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for

readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Defining more than 10,000 words and phrases from everyday slang to technical terms and concepts, this dictionary of the audiovisual language embraces more than 50 subject areas within film, television, and home entertainment. It includes terms from the complete lifecycle of an audiovisual work from initial concept through commercial presentation in all the major distribution channels including theatrical exhibition, television broadcast, home entertainment, and mobile media. The dictionary definitions are augmented by

more than 700 illustrations, 1,600 etymologies, and nearly 2,000 encyclopedic entries that provide illuminating anecdotes, historical perspective, and clarifying details. *The Wonderful Wizard of Oz* Tate Publishing

Preachers' kids are the worst!' This is an allegation we've heard all our lives. It was usually one of those heathen deacon's children hurling the accusation our way after we'd escaped blame for a problem we'd caused. Like livestock, PKs are branded for life. People know at first glance that we are trouble. Father, Forgive Me: Confessions of a Southern Baptist Preacher's Kid is a humorous, self-deprecating memoir of a preacher's kid (PK) growing up in the South. Do you want to know what really goes on behind

the closed doors of a parsonage? Do you ever wonder how preachers nickname their parishioners and talk in secret code about the members of their flocks? Have you ever wondered how preachers' wives help keep the family on an even keel? For all who have ever wanted to be a fly on the wall in a minister's home, this is the book that will expose it all-including what happens when a minister's wife shoots one of her own children!

Over the Rainbow shows how Dorothy's passage from Kansas to Oz and back again recapitulates paradigmatic stories of both America and Christianity. Defining human identity on three symbolic levels (individual, collective,

and cosmic), Nathanson shows that The Wizard of Oz has come to be a "secular myth."

*The Road to Oz* SUNY Press

Profiles the numerous men and women who played the citizens of Munchkinland, offering their perspectives on the creation of "The Wizard of Oz," the film's

stars, and their own lives before and after the film.

**The Munchkins of Oz** Rowman & Littlefield

Amidst the turmoil of political revolution, the stage directors of twentieth-century Russia rewrote the rules of theatre making. From realism to the avant-garde, politics to postmodernism, and revolution to repression, these practitioners shaped perceptions of theatre direction across the world. This edited volume introduces students and practitioners alike to the innovations of Russia's directors, from Konstantin Stanislavsky and Vsevolod Meyerhold to Anatoly Efros, Oleg Efremov and Genrietta Ianovskaia. Strongly practical in its approach, *Russian Theatre in Practice: The Director's Guide* equips

readers with an understanding of the varying approaches of each director, as well as the opportunity to participate and explore their ideas in practice. The full range of the director's role is covered, including work on text, rehearsal technique, space and proxemics, audience theory and characterization. Each chapter focuses on one director, exploring their historical context, and combining an examination of their directing theory and technique with practical exercises for use in classroom or rehearsal settings. Through their ground-breaking ideas and techniques, Russia's directors still demand our attention, and in this volume they come to life as a powerful resource for today's theatre makers. *Oz and the Musical* iUniverse

The Wizard of Oz FAQ is a fact-filled celebration of the beloved 1939 fantasy masterpiece starring Judy Garland. It's all here – from L. Frank Baum and his Oz novels to the complete background story of the movie's conception, development, and shoot, with special attention given to the little-known parade of uncredited directors, casting difficulties, and on-set accidents and gaffes, as well as more than 75 sidebars devoted to key cast members, directors, and other behind-the-scenes personnel. You'll find a wealth of fun facts: How MGM overworked Judy Garland before, during, and after Oz; why director Victor Fleming had his hands full with the Cowardly Lion and Dorothy's other friends; what it was about Toto that really bothered Judy; the physical horrors of filming in Technicolor;

the racial Oz gag that was scripted but never shot; when the Wicked Witch was going to be beautiful; why The Wizard of Oz owes a lot to silent-screen star Mary Pickford; the story of deleted scenes, and a full two weeks of shooting that had to be scrapped; why MGM star Mickey Rooney was part of the movie's traveling publicity blitz; how the Wicked Witch was literally blown off her broomstick one day; the place where lions, tigers, and bears really do live together; singers you hear but never see; the day MGM fired Judy Garland; and much more. Just follow the yellow brick road!

When they say Quit Playing Games With My Heart, you better listen-- 'cause they're the Backstreet Boys, one of the

hottest boy-bands ever to take the stage. These five ultra-fine guys have won the hearts of millions. So step back into their awesome world and see what made them tick at this exciting, early stage of their careers. An insider's look back at the band: Howie Dorough was the peacemaker of the group. But watch out--this flirtatious hunk was also known as the "Latin lover." Kevin Richardson, as the group's gorgeous oldest member, sometimes had to be the responsible one. Nick Carter, the band's youngest member, wasn't called "Chaos" for nothing-- this blond-haired, blue-eyed cutie was a major prankster! Brian Littrell, a big-time hottie, was the comedian of the bunch-- Jim Carrey was his idol, and he loved to play practical jokes. AJ McLean, deeply romantic-- he

wrote the band's love ballads, and this sexy songster was rarely seen without his trademark sunglasses. Fall in love all over again with the Backstreet Boys as they celebrate more than twenty years of top-charting success.

Adapting the Wizard of Oz Zondervan  
The world could do with a little more kindness and positivity and random acts of singing, don't you think? Dear Reader, My name is Penelope, and while I may not be a real-life princess, I've been told I possess a certain fairy-tale heroine quality. I wield optimism as my weapon of choice, don amazing shoes and vintage hats whenever possible, and speak in musical references. All of which perfectly qualifies me to succeed in my new role as a marketing intern at the historic Darling House theater on the

island of Skymar. Only . . . it seems this internship position is going to be a LOT bigger than I thought. The Gray family, who owns the theater, has been stuck in a rut of darkness ever since the loss of their matriarchs. Now all that's left is a dying theater, a reclusive grandfather, three siblings, and an adorable seven-year-old girl who desperately needs some pixie-dust magic. So that's what this story is about. My plans to save the theater! (Plans that, somehow, keep being stolen by a local competitor.) And an anonymous online theater troupe. And two single brothers who may be vying for this American girl's heart . . . until they're not (or maybe they just want me for my ideas too). And a dream job offer that will require me to make a truly heart-wrenching decision. I may not

excel at finishing stories, but I promise to see this one through to its happily ever after. Positively, Penelope "What do you get when you combine a lovable heroine with characters who have mastered the art of witty banter? A charming read." —Sheila Roberts, USA TODAY bestselling author Witty, hilarious, and heartwarming contemporary romance A sweet, kisses-only romance An epistolary novel written mostly in emails and texts Stand-alone novel, but a companion to Authentically, Izzy Book length: approximately 110,000 words Includes discussion questions for book clubs

### **Over the Rainbow** iUniverse

The Wonderful Wizard of Oz (1900) is a timeless children's story by Lyman Frank Baum. A young girl, Dorothy, lives in

Kansas with her uncle Henry. A tornado strikes, and Dorothy finds her house in a strange land and upside down on top of the now-dead the Wicked Witch of the East. Dorothy wants to go home, and the Good Witch of the North tells her to travel to the Emerald City and ask the Wizard of Oz to help her.

Positively, Penelope Open Court Publishing

Presents an anthology of the best literary essays published in the past year, selected from American periodicals.

**Publication** Taylor Trade Publications Zachary Quinto is one of the great success stories of today, and once readers learn that he didn't let his sexual orientation hold him back, they will be inspired to reach for the stars as well.

Most people don't know that Quinto hid his sexuality for many years. Only when he came out did his fans truly embrace him. This book details the arc of Quinto's life to date, including his early years in Hollywood playing small roles and his later stardom, eventually taking over Leonard Nimoy's role as Spock in the Star Trek remake.

**Pass It On** St. Martin's Paperbacks "The Wizard is a lovable humbug, an artful salesman who gives his customers something to believe in, even if the thing is known to be pretend. Playing a role, he presents Dorothy's friends with talismans of brains, heart and courage and takes pride in showing them how he accomplished his illusions. Why do Dorothy's friends put their faith in the Wizard's abilities to grant their requests

even after he has shown them that he has only been putting on a show? Perhaps his virtuoso performances inspire their own, and ours too. His humbug guides the philosophy of *The Wonderful Wizard of Oz* and the theatrical style of the first Oz musical, the extravaganza of 1902, with implications for "American" performance and participation"--

*Internal Revenue Code of 1954* Penguin

This volume examines 'The Wizard of Oz' and its surrounding culture, centering on three areas of study: early adaptations of Baum's novels, insights into the MGM

film, and the legacy of 'The Wizard of Oz' on the popular stage. Although the articles will devote some attention to the genesis of the musical and the biographical profiles of the creative team, the text will prioritize critical and analytical readings.

**Hollywood Remembered** McFarland

Tells the story of the midgets who played the Munchkins in the 1939 Hollywood classic *The Wizard of Oz*, including where they came from, how they fared during filming, what they did off the set, and what became of those among them who stayed in show business.
