Click on our author name to see our other spelling and vocabulary notebooks.

Word Searches to Build Your Vocabulary

Macmillan

A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! --Ancient Latin and Greek live on in the words we speak every day. Introduce your students to the fun and challenge of word

genealogy with Words on the Vine, a 36-unit vocabulary program based on common Latin and Greek roots that will provide you with a framework for an entire school year. Each unit introduces 10 related words and shows how their definitions can be traced back to a common meaning. Students first examine each word in context to understand its correct usage. Then they have the opportunity to put the words to work for themselves in creative and challenging assignments. Each unit provides easy-to-remember visual clues, fun-to-read usage examples, and hand-on activities.

Advancing Vocabulary Skills Knopf Books for

Young Readers
 #1 NEW YORK TIMES
 BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme

and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious

world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love. 1100 Words You Need to Know Vintage
 The Vocabulary Diet includes 30 reproducible units, with 5 new vocabulary words studied in each. Each unit begins by studying the dictionary definitions of five words. Then three sample sentences are given for each word to show the words used in context. The students are then given five definitions per word and the students must circle the correct meaning. The students then work on a series of exercises to ensure new vocabulary is understood and remembered. There is a complete Answer Key. Unlike diets that help you take it off, The Vocabulary Diet helps you to add on. It helps you to add on new vocabulary words to your students' language repertoires. New words that your students will be able to use with precision and confidence.

Interactive Vocabulary
A&C Black

This work goes back to the sources of modern English words and studies the development of vocabulary over time. It examines what constitutes a word, with a discussion of words that look and sound the same, words that have several meanings, and "words" that are made up of more than one "word". As well as considering the borrowing of words from other languages throughout the history of English as a means of increasing the vocabulary, the book also outlines how English forms new words by exploiting the structure of existing words, through processes of derivation and compounding. The meaning of a word is composite of a number of relations: reference to external context, relations with other words of a similar or opposite meaning, collocational relations, and so on. The book grapples with the meaning problem, but then goes on to look at the contexts in which words are used and the purposes for which they are used, raising the question whether it is more sensible to talk about English

"vocabularies" rather than English "vocabulary".

Words on the Vine,
Grades 5 - 8

Independently Published
Someone just called you captious. Should you be flattered? Considering your extreme lactose intolerance, is it a good idea to order veau au béchamel from a French menu? Calumny is to slander as obloquy is to a) flattery, b) sermon, or c) invective? You've just heard that your new boss is a real martinet, should you be worried or excited about an attractive new addition to your workplace? Your boyfriend says you have no élan, is he telling you you're all out of yogurt? Starting to wish you'd paid more attention in English class? Don't worry, it's never too late to develop a million dollar vocabulary—and Vocabulary For Dummies offers you a fast, fun and easy way to do it. Whether you're facing standardized tests, or you want to feel more knowledgeable at work or more comfortable in social situations, this book is for you. Epic English Words

Booktango

My new friends have begun to suspect I haven't told them the full story of my life. "Why did you leave Sierra Leone?" "Because there is a war." "You mean, you saw people running around with guns and shooting each other?" "Yes, all the time." "Cool." I smile a little. "You should tell us about it sometime." "Yes, sometime." This is how wars are fought now: by children, hopped-up on drugs and wielding AK-47s. Children have become soldiers of choice. In the more than fifty conflicts going on worldwide, it is estimated that there are some 300,000 child soldiers. Ishmael Beah used to be one of them. What is war like through the eyes of a child soldier? How does one become a killer? How does one stop? Child soldiers have been profiled by journalists, and novelists have struggled to imagine their lives. But until now, there has not been a first-person account from someone who came through this hell and survived. In *A Long Way Gone*, Beah, now twenty-five years old, tells a riveting story: how at the age of twelve, he fled attacking rebels and

wandered a land rendered unrecognizable by violence. By thirteen, he'd been picked up by the government army, and Beah, at heart a gentle boy, found that he was capable of truly terrible acts. This is a rare and mesmerizing account, told with real literary force and heartbreaking honesty. *A Long Way Gone* Winfield Trivette II

This highly regarded work brings together prominent authorities on vocabulary teaching and learning to provide a comprehensive yet concise guide to effective instruction. The book showcases practical ways to teach specific vocabulary words and word-learning strategies and create engaging, word-rich classrooms. Instructional activities and games for diverse learners are brought to life with detailed examples. the field: assessment, authentic reading experiences, English language learners, uses of multimedia tools, and the vocabularies of narrative and informational texts.*Contributor panel expanded with additional leading researchers.

Bud, Not Buddy Longman Publishing Group

WINNER OF THE PULITZER PRIZE • NATIONAL

BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle).

• From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged

food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love.

Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

Academic Vocabulary is a vocabulary worktext with readings that cover academic subjects. The chapters and exercises are "scaffolded" so that what has been presented in previous chapters is reinforced progressively as the reader moves through the book. There are a number of exercises to stimulate different learning styles as well as

to encourage cross-referencing of the words through different contexts. Self tests and games in each chapter round out the exposure for each vocabulary word. Word parts are covered in three chapters. Those interested in developing an academic level vocabulary.

The Cost of Knowing

Random House Books for Young Readers
Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery

Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. *A Wrinkle in Time* is the winner of the 1963 Newbery Medal. It is the first book in *The Time Quintet*, which consists of *A Wrinkle in Time*, *A Wind in the Door*, *A Swiftly Tilting Planet*, *Many Waters*, and *An Acceptable Time*. *A Wrinkle in Time* is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. This title has Common Core connections. Books by Madeleine L'Engle *A Wrinkle in Time Quintet* *A Wrinkle in Time* *A Wind in the Door* *A Swiftly Tilting Planet* *Many Waters* *An Acceptable Time* *A Wrinkle in Time: The Graphic Novel* by Madeleine L'Engle; adapted & illustrated by Hope Larson *Intergalactic P.S. 3* by Madeleine L'Engle; illustrated by Hope Larson: A

standalone story set in the world of *A Wrinkle in Time*. The Austin Family Chronicles Meet the Austins (Volume 1) *The Moon by Night* (Volume 2) *The Young Unicorns* (Volume 3) *A Ring of Endless Light* (Volume 4) A Newbery Honor book! *Troubling a Star* (Volume 5) The Polly O'Keefe books *The Arm of the Starfish* *Dragons in the Waters* *A House Like a Lotus* *And Both Were Young* *Camilla* *The Joys of Love*

Number the Stars

Simon & Schuster Books for Young Readers *Learn Hundreds of Standardized Test (SSAT/ISEE/COOP/ASVAB/GRE....) Vocabulary words Quickly with roots!* *Learn important Greek and Latin roots and vocabulary words derived from these. *Get to really know the words, acquire and internalize vocabulary for use and not to simply memorize a word list. *Consolidate your learning with the help of varied and interesting exercises. You will learn not just new vocabulary words, but will also; -Know the dictionary definition (denotation) and associations of the word (connotation). - Understand the chain of reasoning between the

classical root(s) and modern English usage. - Know how to spell and pronounce the words that originate from these roots. -Know the part of speech, e.g. noun, verb or adjective. -Know how to use the word correctly in a sentence. -Know which words it does, or does not collocate with.

Organization of the Book
*This book contains ten units each comprising two lessons, A and B. These focus on roots used in the expression of core concepts and general functions in English. *It also includes answers to exercises and a word list. *Unlike many other vocabulary books, roots and derived words are not chosen at random. Each unit, and each lesson has a topic. These should help you remember the new words and use them in context. *Each root or group of related roots has a separate page. *There are 5 target words per page for each root or group of related roots. *Each lesson ends with points to note about the usage of roots. *Each unit concludes with 3 exercises designed to practise the vocabulary from both lessons and the points noted. *There are consolidation activities after every 5 units.

*Where possible target words have been recycled in definitions and examples in subsequent units. Words so recycled are shown in bold. Use the word list in Section C to find the original reference.

101 Lessons: Vocabulary Words in Context

Houghton Mifflin Harcourt Introduction: What is this Book? This book is part dictionary, part very portable, extremely selective, and curated encyclopedia. Unusual and interesting vocabulary, but also terms from the sciences & arts; place names & literary references; linguistic curiosities; and names from mythology & zoology. This book showcases words and terms that are all interesting for some reason. Some look or sound beautiful; some are strange in a creative way; some esoteric and deep. Many entries include etymologies and quotations from poetry, literature, etc. showing word usage. In populating this book, subjective taste was unavoidable. Why is a star such as Omicron Draconis chosen over other stars? Simply because the author fancies the name itself. Other entries are chosen

due to unique features, or beauty of sound, appearance, or meaning. Included within are interesting places, real and mythological (Shitlington Crags, Shambhala, Muspelheim); names from zoology (dreamfish & wonderpus); cryptozoology (Mongolian death worm); astronomy (El Gordo & Aldebaran); music (protopunk & doodlesack); literature (Prufrockian & purple passages); history (Pavlopetri); mathematics (Whitney umbrella); terms from geology (inselberg & Devonian); and intriguing words such as welkin, smokefall, orison, omnishambles, nemorous, circumvolant, moonglade, meeping, goetic, esperance, cosmoplastic, brontide, and anagalactic. Some of the best entries from the more comprehensive Dictionary of the Strange, Curious, and Lovely are also included. In addition to the many recherché vocabulary words, there are numerous entries from mythology, astronomy, geography, zoology, poetry, and literature. Just a few humans are listed as entries (e.g., Finnish poet Runeberg and English astrologer Sepharial). A liberal sprinkling of

English's more elegant prefixes (such as: circum-, cosmo-, proto-, ob-, and para-) and suffixes (-esque, -mancy, -escent, -ium, and -genic) are spread throughout this alphabetized volume.

"Brevity is the soul of wit" - Shakespeare, Hamlet
This book was designed to be very portable, very casual - yet intriguing & inspiring. The reader is gently introduced to new & interesting words, to strange, beautiful, or elegant words. If you love these types of words and terms, you will likely love this collection! If you are looking, however, for OED-type definitions with every word sense and comprehensive etymology and pronunciations, this book may not be for you.

The 10-page "Supplemental Words of Beauty or Interest" appending this volume lists just the words themselves, without definitions - most (but far from all) definitions are relatively apparent or commonly known.

Coral Cove John Wiley &
Sons*

An empowering story of empathy, courage, and hope, based on the author's real-life experience immigrating to the US as a child and working at the front desk of the motel where her parents work. Ten year-old Mia Tang moved to the US for a better life, a freer life, but so far, it's a life where she runs the front desk of a motel while her parents clean rooms. And she's not even allowed to use the swimming pool. Based on author Kelly Yang's real-life experience immigrating to America from China and running a motel with her parents, this novel explores how one little girl overcomes language barriers, discrimination, and her own lack of confidence to find her voice - and use it to make a difference. This is a sensitive story of tolerance and diversity that will resonate with readers of all cultures who have experienced the challenges of feeling like an outsider.

Vocabulary For Dummies Walker Books

Australia
Dear Martin meets They Both Die at the End in this gripping, evocative novel about a Black teen who has the power to see into the future, whose life turns upside down when he foresees his younger brother's imminent death, from the acclaimed author of SLAY. Sixteen-year-old Alex Rufus is trying his best. He tries to be the best employee he can be at the local ice cream shop; the best boyfriend he can be to his amazing girlfriend, Talia; the best protector he can be over his little brother, Isaiah. But as much as Alex tries, he often comes up short. It's hard to for him to be present when every time he touches an object or person, Alex sees into its future. When he touches a scoop, he has a vision of him using it to scoop ice cream. When he touches his car, he sees it years from now, totaled and underwater. When he touches Talia, he sees them at the precipice of breaking up, and that terrifies him. Alex feels these visions are a curse, distracting him, making him anxious and unable to live an ordinary life. And when Alex touches a photo that gives him a vision of his brother's

imminent death, everything changes. With Alex now in a race against time, death, and circumstances, he and Isaiah must grapple with their past, their future, and what it means to be a young Black man in America in the present. [List of 5000 Advanced English Words](#) Teacher Created Resources
