HOWARD WISE

In Vino Veritas Simon and

Schuster

For fans of Italian wine,
few names command the
level of respect accorded
to Brunello di Montalcino.

Expert wine writer Kerin
O'Keefe has a deep
personal knowledge of
Tuscany and its
extraordinary wine, and

her account is both thoroughly researched and readable. Organized as a guided tour through Montalcino's geography, this essential reference also makes sense of Brunello's complicated history, from its rapid rise to the negative and positive effects of the 2008 grape-blending scandal dubbed "Brunellogate." O'Keefe also provides in-depth profiles of nearly sixty leading producers of Brunello.

Brunello di Montalcino
Mitchell Beazley

The world's best-selling annual wine guide. Hugh Johnson's Pocket Wine Book is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Now in its 44th year of publication, it has no rival as the comprehensive, up-to-the-minute annual guide. Hugh Johnson provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. He reveals which vintages to buy, which to drink and which to cellar,

which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialities and how to match food with wines that will bring out the best in both. This latest edition of Hugh Johnson's Pocket Wine Book includes a colour supplement on terroir. *Wine & Spirits* Union Square & Co. Tuscany offers some of the most spectacular scenery in Europe. The unique combination of cypress trees and olive groves mingling with

vineyards and woods on undulating hillsides is enchanting. With villages and villas at every turn, what better way to explore the countryside than on foot? Over fifteen months of changing seasons Rosemary George did just that, visiting wine producers along the way, observing and savouring the local colour and the idiosyncrasies of a myriad of winemakers. Each chapter will feature a walk through a wine region and include advice on the key estates, places to visit

and favourite restaurants. Chianti, which covers the heart of Tuscany, is the wine we all know and love, with vineyards in the magical hills around Florence and Siena, and the medieval cities of Arezzo and Pisa. However, the face of Tuscan viticulture has changed enormously in recent years with the development of the vineyards of the Maremma, bringing a host of new wines. Treading Grapes charts this wonderful renaissance of Tuscan wines, not just of

Chianti, but also of the newer prestigious names such as Sassicaia and Ornellaia in the rising area of Bolgheri. It also covers the old-established wines of Brunello di Montalcino and Vino Nobile di Montepulciano, and several others, not least the island of Elba. It will be enjoyed by wine enthusiasts and armchair travellers alike.

Food & Wine Mitchell Beazley

A nicely structured, lightly acidic addition to the handy Snob's Dictionary series, decoding the

baffling world of winespeak from A to Z. Wine Snob. The very phrase seems redundant, doesn't it? When faced with this snobbiest of snobberies, the civilian wine enthusiast needs the help of savvy translators like David Kamp and David Lynch. Their Wine Snob's Dictionary delivers witty explication of both old-school oeno-obsessions (What's claret? Who's Michael Broadbent?) and such new-wave terms as "malolactic fermentation" and "fruit bomb." Among

the other things Kamp and Lynch demystify: Finish: the Snob code-term for "aftertaste." (Robert Parker includes the stopwatch-measured length of a wine's finish in his ratings.) Meritage: an American wine classification that rhymes with "heritage," and should NEVER be pronounced "meri-TAHJ." Terroir: that elusive quality of vineyard soil that has sommeliers talking of "gunflint," "leather," and "candied fruits" Featuring ripe, luscious, full-bodied

illustrations by Snob's Dictionary stalwart Ross MacDonald, The Wine Snob's Dictionary is as heady and sparkling as a vintage Taittinger, only much less expensive... and much more giggle-inducing. Cheers!

The Finest Wines of Tuscany and Central Italy Chronicle Books

At one time, Italian wines conjured images of cheap Chianti in straw-wrapped bottles. More recently, expensive "Super Tuscans" have been the rage. But between these extremes lay a bounty of

delicious, moderately priced wines that belong in every wine drinker's repertoire. *Vino Italiano* is the only comprehensive and authoritative American guide to the wines of Italy. It surveys the country's wine-producing regions; identifies key wine styles, producers, and vintages; and offers delicious regional recipes. Extensive reference materials—on Italy's 300 growing zones, 361 authorized grape varieties, and 200 of the top producers—provide

essential information for restaurateurs and wine merchants, as well as for wine enthusiasts. Beautifully illustrated as well as informative, *Vino Italiano* is the perfect invitation to the Italian wine experience. [Oregon Wine Country Stories](#) World Scientific The wines of Tuscany were famous long before Leonardo da Vinci described them as "bottled sunshine," and they are at the forefront of the remarkable renaissance of Italian wine over the past 30

years. In this groundbreaking new book, Nicolas Belfrage shares his insider's knowledge acquired as a specialist wine trader and writer. Mindful of the region's fascinating past, Belfrage brings its story up to date, discussing such subjects as geology and geography, grape varieties, and the latest research into Sangiovese, the variety used in the top wines of Chianti Classico, Brunello di Montalcino, and *Vino Nobile* di Montepulciano. He also clarifies the regulatory

framework and follows the recent controversial developments in viticulture and winemaking, including the rise of the Super-Tuscans and the ongoing “Brunellogate” scandal that broke in 2008. At the heart of the book are in-depth, illustrated profiles of more than 90 of the most interesting producers, large and small, with insightful notes on the essential character of their finest wines. The author also offers a comprehensive review of vintages and

selects his top 100 wines in ten different categories, while wines of special quality or value are indicated throughout. *The Wine Snob's Dictionary* Random House Italian restaurateurs voted Sassicaia wine of the 20th century over the elite of Barolo, Barbaresco and Brunello di Montalcino. Yet the story of the meteoric rise to supremacy of a wine from a grape variety new to Tuscany, grown in a place previously considered unsuitable for quality wines is nothing short of

astounding. *Sassicaia* Simon and Schuster
 “When it comes to beginners’ wine guides, *Windows on the World Complete Wine Course* is one of the perennial best.” —Wall Street Journal
 With more than three million copies sold, this perennial bestseller by James Beard Lifetime Achievement Award Winner Kevin Zraly is the definitive guide to understanding and appreciating wine. Kevin Zraly, America’s ultimate wine educator,

demystifies every aspect of choosing, tasting, and enjoying wine. From the renowned reds of Bordeaux and California to the trail-blazing whites of Washington State and New Zealand, this essential volume features maps of each region, lush photographs, a wealth of infographics, best value bottles for each country, hundreds of labels to help you find the right wines, and guided tastings. It also includes the latest vintages to savor, comprehensive notes on food pairings, and

answers to frequently asked questions. This revised and expanded edition features new classes on South America, Australia, and New Zealand, sparkling wine, and fortified wine as well as information on cutting-edge trends (rosé, Prosecco) and emerging wine regions, including Sicily and China. The Windows on the World Complete Wine Course gives you all the tools you need to discover and enjoy the best wines for you.

The Encyclopedia of

Italian Wines Mitchell Beazley

The Food and Wine Lovers Companion to Tuscany, originally published in 1996, was one of the first guidebooks to focus exclusively on the traditional foods and local wines of this region—the most traveled-to area of Italy. This essential guide, now completely revised and incorporating over 40 new entries, is still the only book anyone needs to find the little-known shops, markets, festivals, and wineries that capture the spirit of Tuscany.

Author Carla Capalbo, who makes her home in the region, passes on her extensive knowledge of Tuscan foods and wine, exploring each town, village, and quaint back road. No one considering a trip to Tuscany should leave home without this book.

The Oxford Companion to Wine Chronicle Books
Selling wine is as much art as it is procurement, science, service, marketing, pricing and more recently, technology. While most restaurateurs, sommeliers

and hoteliers have a good grasp of beverage strategy, prolific writers for the hotel industry, Adam and Larry Mogelonsky, bring you a handbook on how to take your wine knowledge to the next level. Based on decades of experience consulting with hotels and restaurants around the world as well as from their previous tenure in the advertising industry, the authors bring together insights and psychological principles designed to improve your performance at every

step of the sales process. Ideal for budding restaurant managers, F&B directors, sommeliers as well as waitstaff and hospitality students, this book ultimately teaches how wine fits into the dining experience to maximize any outlet's beverage profits.

Italian Wine For Dummies Chronicle Books

The world's best-selling annual wine guide. Hugh Johnson's Pocket Wine Book is the essential reference book for everyone who buys wine -

in shops, restaurants, or on the internet. Now in its 45th year of publication, it has no rival as the comprehensive, up-to-the-minute annual guide. It provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. It reveals which vintages to buy, which to drink and which to cellar, which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialities and how to match food with wines that will bring

out the best in both. This latest edition of Hugh Johnson's Pocket Wine Book includes a colour supplement: The Ten Best Things About Wine Right Now.

Country Life Illustrated

Univ of California Press
Published in 1994 to worldwide acclaim, the first edition of Jancis Robinson's seminal volume immediately attained legendary status, winning every major wine book award including the Glenfiddich and Julia Child/IACP awards, as well as writer and woman of

the year accolades for its editor on both sides of the Atlantic. Combining meticulously-researched fact with refreshing opinion and wit, The Oxford Companion to Wine presents almost 4,000 entries on every wine-related topic imaginable, from regions and grape varieties to the owners, connoisseurs, growers, and tasters in wine through the ages; from viticulture and oenology to the history of wine, from its origins to the present day. More than 180 esteemed

contributors (including 58 new to this edition) range from internationally renowned academics to some of the most famous wine writers and wine specialists in the world. Now exhaustively updated, this fourth edition incorporates the very latest international research to present 300 new entries on topics ranging from additives and wine apps to WSET and Zelen. Over 60 per cent of all entries have been revised; and useful lists and statistics are appended, including a

unique list of the world's controlled appellations and their permitted grape varieties, as well as vineyard area, wine production and consumption by country. Illustrated with almost 30 updated maps of every important wine region in the world, many useful charts and diagrams, and 16 stunning colour photographs, this Companion is unlike any other wine book, offering an understanding of wine in all of its wider contexts—notably historical, cultural, and

scientific—and serving as a truly companionable point of reference into which any wine-lover can dip and browse.

Super Tuscan Rowman & Littlefield

Just fifty years ago, Oregon had no wine industry of consequence. Today, the state teems with a wine culture that matches the fecundity of its land and the vital spirit of its people. The pioneers who dared that tradition into being, from astrophysicists to cherry farmers to harpsichord makers, stand poised to

pass on their legacy to an eager new generation. The bold experimentation of urban wineries now joins the steady contributions of outstanding producers like Bethel Heights, Cerulean Skies, Eyrie and Honeywood. Kenneth Friedenreich, a noted Oregon wine writer and an equally ardent Oregon wine devotee, seizes this moment of transition to probe the state's fascinating oenological frontiers and evaluate the repercussions of the industry's dramatic

success. Based on dozens of interviews and even more glasses of wine, this drinking companion volume traverses the full range of Oregon's viticultural areas, providing useful AVA maps, historical photos and extensive winery listings.

Hugh Johnson's Pocket Wine Book 2023 World Scientific
World-renowned wine expert Hugh Johnson's elegant tribute to Tuscany is now available in paperback a richly rewarding volume in

prose and image for those who enjoy the region's exquisite marriage of wine and food, beauty and history. Traveling from town to town, from hilltop to farmland, Johnson not only explores the Tuscan geography and wineries, but also shares the culture and sites from a stunning cathedral in Siena to a good place for a relaxing glass of wine in Monte Amiata. Poetic, illuminating descriptions combine with over 100 atmospheric photos to capture the essence of

Tuscany and bring the author's passion for the regions distinctive grape varietals to life. Glass of Brunello in one hand, Tuscany and Its Wines in the other perfect armchair reading!
