**A Guardian 'Best Thriller of the Year!'

** The New York Times bestselling author of Magpie Murders and Moriarty brilliantly reinvents the classic crime novel once again with this clever and inventive mystery starring a fictional version of the author himself as the Watson to a modern-day Holmes, investigating a case involving buried secrets, murder, and a trail of bloody clues. A woman crosses a London street. It is just after 11am on a bright

spring morning, and she is going into a funeral parlor to plan her own service. Six hours later the woman is dead, strangled with a crimson curtain cord in her own home. Enter disgraced police detective Daniel Hawthorne, a brilliant, eccentric man as quick with an insult as he is to crack a case. And Hawthorne has a partner, the celebrated novelist Anthony Horowitz, curious about the case and looking for new material. As brusque, impatient, and annoying as Hawthorne can be, Horowitz—a seasoned hand when it comes to crime stories—suspects the detective may be on to something, and is irresistibly drawn into the mystery. But as the case unfolds, Horowitz realizes he's at the center of a story he can't control . . . and that his brilliant partner may be hiding dark and mysterious secrets of his own. A masterful and tricky mystery which plays games at many levels, *The Word Is Murder* is Anthony Horowitz at his very best.

How JK Rowling Made Harry Potter Turtleback Books

'Witty, wise and wonderful . . . Such fun!' Miranda Hart. When thirteen-year-old Tabitha's parents split up, she's forced to move down to London with her mum and brother. Sounds cool right? Well there's just one teeny tiny hitch. They're moving in with Gran . . . Mental, very much NOT cool Gran, who talks to (AND FOR) her knitwear-adorned dog Basil like he's the son she never had. Worse still, her mum has decided to start writing an embarrassing blog (much of it about her teenage daughter) and her younger brother Luke's favourite pastime seems to be 'annoy Tab as much as humanly possible'. All this embarrassment is particularly bad news as Tabitha has given herself a mission for her new school: to be the coolest, most popular girl there!

Despite her family's best efforts, things get off to a good start as Tab quickly makes friends with A'isha and Emz (and manages to avoid total losers like Grace). She seems to be on the rise and rise - even meeting cute dog walker Sam whilst out with Basil - but then disaster strikes. Is Tab about to find out the real cost of popularity?

Horowitz Horror Diamond Brothers

An inept wizard-in-training is the only one who can save his classmates from the terrible sorcery that threatens to devour their magical school. Acclaimed master fantasist Jane Yolen imagines an academic world of wonders where paintings speak, walls move, monsters are made real, and absolutely anything can happen—as she introduces readers to a hero as hapless as the legendary Merlin is powerful. It was Henry's dear ma who decided to send him off to Wizard's Hall to study sorcery, despite the boy's apparent lack of magical talent. He has barely stepped through the gates of the magnificent school when he is dubbed Thornmallow ("prickly on the outside, squishy within"). Still, regardless of his penchant for turning even the simplest spell into a disaster, Thornmallow's teachers remain kind and patient, and he soon has a cadre of loyal, loving friends. But there is something that no one is telling the boy: As the 113th student to enroll in the wondrous academy, Thornmallow has an awesome and frightening duty to fulfill—and failure will mean the destruction of Wizard's Hall and everyone within its walls.
