## MAXIM THORNTON

### Launch A Kick-Ass T-Shirt Brand Berg

• New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world “At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope.” —Per Espen Stoknes, Author, What We Think About When We Try Not To Think About Global Warming “There’s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom.” —David Roberts, Vox “This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook.” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth’s warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

In this gripping sequel to *Star Wars: The Rising Storm*, the light of the Jedi faces its darkest hour. Time and again, the vicious raiders known as the Nihil have sought to bring the golden age of the High Republic to a fiery end. Time and again, the High Republic has emerged battered and weary, but victorious thank to its Jedi protectors-and there is no monument to their cause grander than the Starlight Beacon. Hanging like a jewel in the Outer Rim, the Beacon embodies the High Republic at the apex of its aspirations: a hub of culture and knowledge, a bright torch against the darkness of the unknown, and an extended hand of welcome to the furthest reaches of the galaxy. As survivors and refugees flee the Nihil's attacks, the Beacon and its crew stand ready to shelter and heal. The grateful Knights and Padawans of the Jedi Order stationed there finally have a chance to recover from the pain of their injuries and the grief of their losses. But the storm they thought had passed still rages; they are simply caught in its eye. Marchion Ro, the true mastermind of the Nihil, is preparing his most daring attack yet-one designed to snuff out the light of the Jedi.

**The T-Shirt and Jeans Handbook** HarperCollins Publishers

Presents an illustrated guide to sewing tops, T-shirts, skirts, and pants with tips on measuring, patterns, materials, construction, customizing, pleats, zippers, hems, and more.

**Generation T** Illustoria Magazine

NEW CONTENT! UPDATED WITH NEW PICTURES AND DEEPER DETAIL ON ACCESSORY SELECTION WITH MORE WAYS TOMAXIMIZE YOUR EXISTING WARDROBE. T-shirt and jeans are the daily uniform for countless women. These casual basics are easy to wear, but they can be, well, boring. Now stylist Suze Solari has written a handbook for elevating this bland look into something special. With easy, step-by-step instructions, Suze shows how a basic outfit can be quickly transformed into a chic, timeless look for almost any occasion. They also provide fit guidelines for every body shape, as well as shopping resources to help you refresh your T-shirt and jeans wardrobe. If you've ever stared into your closet and felt clueless or overwhelmed, this book is for you. It's written for everyday women - not fashionistas - who feel they lack the style gene. "The T-Shirt & Jeans Handbook" will show you how to keep your comfy clothes, but, with a few tweaks and tricks, achieve effortless style, every day.

*French Essence* Knopf Books for Young Readers

Ahead of the Curve is the first sewing book to empower curvy and plus size women to feel body confident by sewing a wardrobe that fits. Don't change your body to fit your clothes - change your clothes to fit your body! Ahead of the Curve includes 5 basic garment patterns (UK sizes 16-36/US size 12-32/EUR sizes 44-64), which includes a pair of trousers, a t-shirt, a sleeveless top and two dress designs. Jenny takes you through a series of "Fit Clinics" - tutorials and case studies demystifying the fitting process - showing you how to adjust these patterns to master the perfect fit for your body shape. Once you have got to grips with this, you can go on to customize your closet and create an unlimited array of fantastic clothes that celebrate your body. If you're curvy or plus size, trying to find clothes that fit and reflect your personal style can be incredibly difficult and frustrating. Plus size women feel constantly excluded and like they can't express their personality through clothes. This book finally changes that.

*Drawdown* C&T Publishing Inc

"Eccentric characters shuffle and strut in and out of Doyle's tale and breathe life into this unusual history of surfing." - Honolulu Star Bulletin "Full of humor and inside stories that capture the youthful joy and innocence of the formative years of the California beach culture." - San Diego Union-Tribune "Morning Glass is a thoughtful portrait of a man enthralled with the ocean." - Orange County Register "Mike has an incredible story to tell and every surfer who believes surfing is more than just a hobby must read it." - Surfing Magazine "He came from a period when surf heroes were individuals, each with a distinct personality and character.... I suspect his revelations may ruffle a few feathers." - Steve Pezman, Surfer's Journal

NEW YORK TIMES BESTSELLER • The heroes of the High Republic era return to face a shattered peace and a fearsome foe, following the dramatic events of *Light of the Jedi*. In the wake of the hyperspace disaster and the heroism of the Jedi, the Republic continues to grow, bringing more worlds together under a single unified banner. Under the leadership of Chancellor Lina Soh, the spirit

of unity extends throughout the galaxy, with the Jedi and the newly established Starlight Beacon station at the vanguard. In celebration, the chancellor plans the Republic Fair, a showcase of the possibilities and the peace of the expanding Republic—a peace the Jedi hope to foster. Stellan Gios, Bell Zettifar, Elzar Mann, and others join the event as ambassadors of harmony. But as the eyes of the galaxy turn toward the fair, so too does the fury of the Nihil. Their leader, Marchion Ro, is intent on destroying this unity. His storm descends on the pageantry and celebration, sowing chaos and exacting revenge. As the Jedi struggle to curb the carnage of the rampaging Nihil, they come face-to-face with the true fear their enemy plans to unleash across the galaxy—the kind of fear from which even the Force cannot shield them.

**ITEMS** Hardie Grant Publishing

An encyclopaedic selection of 111 garments, footwear, and accessories - from humble masterpieces to high fashion - that have had a strong impact on society in the 20th and 21st centuries and continue to hold currency today. Published to accompany the first major exhibition on fashion design at The Museum of Modern Art since 1944, *Items: Is Fashion Modern?* presents 111 iconic garments, footwear and accessories that have strongly influenced society in the 20th and 21st- centuries and continue to hold currency today. Organized alphabetically as a reference book, the publication examines the ways in which these items are designed, manufactured, distributed and used, while exploring the wide range of relationships between clothing and functionality, cultural etiquettes, aesthetics, politics and technology. Designs as wellknown and transformative as the Levi's 501s, the pearl necklace, the sari and Yves Saint Laurent's Le Smoking - and as ancient and historically rich as the Breton sweater, the kippah, and the keffiyeh - are included, allowing for exploration of the numerous issues these items have produced and shaped over many decades. Richly illustrated with historical and archival imagery as well as newly commissioned photography from Omar Victor Diop, Bobby Doherty, Catherine Losing, Monika Mogi and Kristin-Lee Moolman, *Items* reflects not only on fashion's power and social history, but also on its design construct and staying power, in order to understand what of the system of fashion should remain for generations to come - and what alterations need to be made to ensure a tenable future for this arena that touches us all.

*Helldorado* Harper Collins

The story of The Hundreds and the precepts that made it an iconic streetwear brand by Bobby Hundreds himself Streetwear occupies that rarefied space where genuine "cool" coexists with big business; where a star designer might work concurrently with Nike, a tattoo artist, Louis Vuitton, and a skateboard company. It's the ubiquitous style of dress comprising hoodies, sneakers, and T-shirts. In the beginning, a few brands defined this style; fewer still survived as streetwear went mainstream. They are the OGs, the "heritage brands." The Hundreds is one of those persevering companies, and Bobby Hundreds is at the center of it all. The creative force behind the brand, Bobby Kim, a.k.a. Bobby Hundreds, has emerged as a prominent face and voice in streetwear. In telling the story of his formative years, he reminds us that The Hundreds was started by outsiders; and this is truly the story of streetwear culture. In *This Is Not a T-Shirt*, Bobby Hundreds cements his spot as a champion of an industry he helped create and tells the story of The Hundreds—with anecdotes ranging from his Southern California, punk-DIY-tinged youth to the brand's explosive success. Both an inspiring memoir and an expert assessment of the history and future of streetwear, this is the tale of Bobby's commitment to his creative vision and to building a real community.

**Generation T** Avery

An oversize book of black and white photos by Sally Larsen showing Japanese youths wearing clothing with phrases in Japlish -- a term used in Tokyo to describe Euro-American expressions found in Japanese newspapers. The English is sometimes misspelled and always has eccentric phrasing. Larsen believes that Japlish is becoming a new language that is being used by Japanese young people to cope with their shared world view and to express their fascination with foreign cultures. The introduction includes an interview with Larsen about her photographic interests.

*Van Gogh Starry Night* ASCD

Presents over one hundred designs with easy-to-follow instructions on crafting and redesigning t-shirts as other clothing items and accessories, including halter tops, headbands, and aprons.

*Morning Glass* Penguin

vibrant patterns. Add stars, butterflies, flowers, and more for the ultimate tee that's all yours!

Anatomies Random House

Joyce Taylor was a nice high school girl, maybe a little wild, and when she is kicked out of school for doing a bump-and-grind number on a cafeteria table she moves to the big city and gets a job. There she meets a man who introduces her to the smoky world of jazz and before she knows it, she's inhaled some of that sweet, sweet smoke. When the cops get in on the action the misery starts and Joyce finds herself on a roller coaster ride to oblivion. N.R. de Mexico wrote as if he knew his subject, yet refrained from getting as preachy about dope as many of his contemporaries did. The pot-smoking jazz scene of the 50s is well described and filled with smart, sympathetic people.

"Marijuana Girl will get you through times of no money better'n money will get you through times of no Marijuana Girl." -- Knees Calhoon

The Dictionary of Fashion History Moma

clothing and fabric. Whether it's your first quilt or your hundredth, this book is filled with fresh ideas for piecing your T-shirts to help you celebrate those special times.

*This Is Not a T-Shirt* Taunton Press

A funny, colorful, fascinating tour through the work and life of one of today's most influential graphic designers. Esquire. Ford Motors. Burton Snowboards. The Obama Administration. While all of these brands are vastly different, they share at least one thing in common: a teeny little bit of Aaron James Draplin. Draplin is one of the new school of influential graphic designers who combine the power of design, social media, entrepreneurship, and DIY aesthetic to create a successful business and way of life. *Pretty Much Everything* is a mid-career survey of work, case studies, inspiration, road stories, lists, maps, how-tos, and advice. It includes examples of his work—posters, record covers, logos—and presents the process behind his design with projects like *Field Notes* and the "Things We Love" State Posters. Draplin also offers valuable advice and hilarious commentary that illustrates how much more goes into design than just what appears on the page. With Draplin's humor and pointed observations on the contemporary design scene, *Pretty Much Everything* is the complete package.
