Social Stories About Hitting 2019-12-12

JORDON LARSEN

Teeth Are Not for Biting Independently Published
 NEW YORK TIMES BESTSELLER • Pierce Brown’s relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender’s Game* by Orson Scott Card. “Red Rising ascends above a crowded dystopian field.”—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness “I live for the dream that my children will be born free,” she says. “That they will be what they like. That they will own the land their father gave them.” “I live for you,” I say sadly. Eo kisses my cheek. “Then you must live for more.” Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity’s overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society’s ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* “[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown’s dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender’s Game*. . . . [Red Rising] has everything it needs to become meteoric.”—Entertainment Weekly “Ender, Katniss, and now Darrow.”—Scott Sigler “Red Rising is a sophisticated vision. . . . Brown will find a devoted audience.”—Richmond Times-Dispatch Don’t miss any of Pierce Brown’s *Red Rising Saga*: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

My Bedtime Stories Anchor

From “one of the greatest writers of our time” (Toni Morrison)—the author of *Barracoon* and *Their Eyes Were Watching God*—a collection of remarkable stories, including eight “lost” Harlem Renaissance tales now available to a wide audience for the first time. *New York Times’ Books to Watch* for Buzzfeed’s Most Anticipated Books *Newsweek’s* Most Anticipated Books *Forbes.com’s* Most Anticipated Books *E!’s* Top Books to Read *Glamour’s* Best Books *Essence’s* Best Books by Black Authors In 1925, Barnard student Zora Neale Hurston—the sole black student at the college—was living in New York, “desperately striving for a toe-hold on the world.” During this period, she began writing short works that captured the zeitgeist of African American life and transformed her into one of the central figures of the Harlem Renaissance. Nearly a century later, this singular talent is recognized as one of the most influential and revered American artists of the modern period. *Hitting a Straight Lick with a Crooked Stick* is an outstanding collection of stories about love and migration, gender and class, racism and sexism that proudly reflect African American folk culture. Brought together for the first time in one volume, they include eight of Hurston’s “lost” Harlem stories, which were found in forgotten periodicals and archives. These stories challenge conceptions of Hurston as an author of rural fiction and include gems that flash with her biting, satiric humor, as well as more serious tales reflective of the cultural currents of Hurston’s world. All are timeless classics that enrich our understanding and appreciation of this exceptional writer’s voice and her contributions to America’s literary traditions.

Underdog Free Spirit Publishing

* #1 NEW YORK TIMES BESTSELLER * #1 INTERNATIONAL BESTSELLER * MORE THAN 2 MILLION COPIES SOLD! A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother’s dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I’m Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I’m Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

I Choose To Try Again Free Spirit Publishing

From best-selling and beloved author Christne Harder Tangvald comes an updated and revised edition of her classic book of comfort for grieving children, filled with heart-healing words, fresh watercolor illustrations, and practical resources that help adults guide children through loss. First published in 1988, *Someone I Love Died* has long comforted the hearts of children 4 to 8 who have lost someone close. It gently leads children through grief with age-appropriate words and solid biblical truth that understands a child’s hurting heart. The added interactive resources ensure this book will become a treasured keepsake. Once complete, children create a memory book of the loved one’s life. And it offers grown-ups a tool that turns what could be a difficult season into a meaningful time of healing.

Population One Future Horizons

Janet Lansbury’s advice on respectful parenting is quoted and shared by millions of readers worldwide. Inspired by the pioneering parenting philosophy of her friend and mentor, Magda Gerber, Janet’s influential voice encourages parents and child care professionals to perceive babies as unique, capable human beings with natural abilities to learn without being taught; to develop motor and cognitive skills; communicate; face age appropriate struggles; initiate and direct

independent play for extended periods; and much more. Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and to connect with our child. “Elevating Child Care” is a collection of 30 popular and widely read articles from Janet’s website that focus on some of the most common infant/toddler issues: eating, sleeping, diaper changes, communication, separation, focus and attention span, creativity, boundaries, and more. Eschewing the quick-fix ‘tips and tricks’ of popular parenting culture, Janet’s insightful philosophy lays the foundation for a closer, more fulfilling parent/child relationship, and children who grow up to be authentic, confident, successful adults.

Feet Are Not for Kicking Jessica Kingsley Publishers

Microsoft dikenal sebagai salah satu penyokong besar revolusi digital. Tanpanya, kita semua tak akan menikmati betapa cepat dan nyamannya bekerja menggunakan personal computer. Namun, seiring berjalannya waktu, dunia komputasi mengalami perubahan yang luar biasa cepat. Tanpa inovasi yang benar-benar spektakuler, perusahaan ini diramalkan tak akan mampu mempertahankan popularitasnya. Inovasi tergantikan birokrasi. Kerja tim tergantikan politik internal. Microsoft mulai tertinggal. Hit Refresh berkisah tentang transformasi terbesar yang tengah berlangsung dalam tubuh Microsoft di bawah kepemimpinan Satya Nadella, sang CEO. Selama ini, ketika mendengar kata Microsoft, orang akan langsung mengaitkannya dengan Bill Gates yang cemerlang atau Steve Ballmer yang super energik. Nadella nyaris tak masuk ke radar para selebritas teknologi. Namun dalam tahun-tahun pertamanya memimpin, Nadella melakukan banyak gebrakan baru. Salah satunya adalah menciptakan budaya perusahaan yang menggabungkan antara empati dan teknologi. Dia juga membuat pertaruhan besar dalam beberapa teknologi kunci, seperti artificial intelligence (AI atau kecerdasan buatan) dan cloud computing (komputasi awan), yang membuat Microsoft menjadi unik. Di tangan Nadella, Microsoft mengubah fokusnya dari sekadar perusahaan pencari keuntungan menjadi perusahaan humanis yang berkontribusi bagi masa depan umat manusia. Hitting a Straight Lick with a Crooked Stick Del Rey

Everyone gets angry, so it’s never too early for children to learn to recognize feelings of anger, express them, and build skills for coping with anger in helpful, appropriate ways. Children learn that it is okay to feel angry—but not okay to hurt anyone with actions or words. They discover concrete skills for working through anger: self-calming, thinking, getting help from a trusted person, talking and listening, apologizing, being patient, and viewing others positively. Reassuring and supportive, the book helps preschool and primary-age children see that when they cool down and work through anger, they can feel peaceful again.

Cool Down and Work Through Anger Bentang Pustaka

#LoveOzYA celebrates the best of new Australian writing for teenage readers. It has grown from a humble hashtag into a movement, reflecting the important role young-adult fiction plays in shaping our current generation of readers. This anthology collects, for the first time, some of the tremendous work from the #LoveOzYA community. Featuring a foreword by award-winning Australian novelist Fleur Ferris (*Risk, Wreck, Black and Found*), *Underdog* celebrates the diverse, dynamic and ever-changing nature of our nation’s culture. From queer teen romance to dystopian comedy, from hard-hitting realism to gritty allegory, this brilliant, engrossing and inspiring collection of short stories will resonate with any teen reader, proving, yet again, why there is just so much to love about #LoveOzYA.

Comic Strip Conversations Penguin

"Text first published in 1990 by Children's Press, Inc."

Roaring Mad Riley Jessica Kingsley Publishers

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

[I Love You Rituals](#) Free Spirit Publishing

Easy to learn and especially effective in stressful situations, I Love You Rituals gives parents, grandparents, caregivers, and teachers inspiring tools to help children thrive.

[No Biting!](#) Key Education Publishing

"Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts." Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling Hands Are Not for Hitting Board Book, Teeth Are Not for Biting gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they're hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers.

[The Wisdom of Crowds](#) Black Inc.

A warm book about losing your temper, and how to feel like yourself again. With its bright illustrations and sweet story, this title is the perfect read aloud for librarians, teachers, and parents. Five-year-old Katie is a good kid -- most of the time. But sometimes...well, sometimes, say when her little brother knocks down her beautiful castle after she told him not to touch it and she knows she'll never be able to make it look that good again...sometimes Katie gets so mad she's Bombaloo, she's just not herself. Being Bombaloo is scary. But a little time out and a lot of understanding from Mom help Bombaloo calm down. And cleaning up the mess that Bombaloo made, then sharing hugs and sorries with her family, help Katie feel like Katie again.

[I Am Using My Words!](#) Rockridge Press

Being different from the masses is one of the greatest gifts that you possess! Let s face it: Who wants to be just like everyone else? Talk about boring! People come in all shapes and sizes and are born with natural and unnatural gifts and talents like no other, and your greatest challenge is to discover your gifts and then apply them to the world to create a better place, a better planet, a better universe! That is my challenge to you so that all of us can get along peacefully and become truly a population of one. I would like to ask you some questions to help you discover what makes you unique, different, and awesome. Are you different? Are you unique? Do you look different than others? Talk differently than others? Do you walk differently than others? Have you been born with talents that very few others have? Have you been brainwashed to look at your talents as a disability? Do you stay up nights dwelling on all the things in life you don t have, rather than focus on all the blessings you do have? Have you ever been bullied at school, at home, and in many areas in your life? Have you ever been called a retard, dumb, disabled ? If you have answered yes to any of these questions, perhaps you have yet to understand, accept, and apply your unique gifts to make the world a better place. If you have answered Yes to any of these questions, I feel your pain, I have walked in your shoes, and I can empathize with your situation. I have been bullied, called a retard, told that I am disabled, put in special classes, advised that I should not expect to reach my goals. My name is Tyler McNamer and I have been called ALL of the above many, many times in my life. I am nineteen years old and have been blessed with autism my entire life. I have chosen to accept my label of autism not as a disability but as an extraordinary ability and I want to help you overcome the label that you may have suffered from for many years of your life. So what is autism? The dictionary defines autism as a mental condition, present from early childhood, characterized by great difficulty in communicating and forming relationships with others. Also, it is defined as a mental condition in which fantasy dominates over reality. So just how many people today are affected by this condition? According to a recent WebMD study, 1 in 88 kids today has autism and for boys the numbers is 1 in 54. Also you might be surprised to learn that since 2002, autism has increased by 78 percent. Let s put those numbers in perspective. A high school with 1,000 students enrolled is going to have 11 students with this condition, and a bigger high school with 2,500 students is going to have 28 students with autism. So, now that you know more about autism, let me highlight some of the things you will learn by reading this book since I want to assure you that this book is not just a book about autism it is a book about how we can all live together in harmony regardless of our differences. In this book, you are going to learn that, despite our differences and diversities, we can get along and become a population of one to serve others. In this book, you will learn the importance of becoming the leader in your own life, following your dreams. You will learn to focus on your blessings instead of being discouraged by your challenges. In this book, you will learn to embrace change and continue to learn for a lifetime. In this book, you will learn what it is like to be blessed with the unique ability of having autism. You will learn how not only to cope with your gifts, but to thrive in life and pursue your goals despite your challenges.

In this book, you will learn how to turn your ability into a blessing to serve others

[The Verbal Behavior Approach](#) David C Cook

The older children get, the more words they know and can use—including hurtful words. This book teaches children that their words belong to them: They can think before they speak, then choose what to say and how to say it. It also explores positive ways to respond when others use unkind words and reinforces the importance of saying "I'm sorry." Includes tips for parents and caregivers.

[Sometimes I'm Bombaloo](#) AutismWorks

Fair Play Is Always the Right Way Austin loves playing flag football for the Trentwood Tigers. There is only one problem. His team has lost six games in a row, and he doesn't like losing. At his next game, Austin's teammate has a plan to trick the other team. It works, but Austin knows his team cheated to win. Coach Tony and Coach Lauren remind Austin the most important thing about football isn't winning—it's playing fair. When his team takes the field for their next game, will Austin choose to cheat again, or will he stand up for what's right? What would you do if you were in Austin's shoes? *** Join the Team! The Team Duncy series of picture books for young readers, ages 6-9, teaches character-building lessons through the familiar world of sports.

[Someone I Love Died](#) National Center for Youth Issues

"There goes Lester. Watch him fester. His ears start to fizz. He gets mad as a griz. His face turns red. He's a Soda Pop Head. You just never know when Lester will blow. His cap will go flying. If it hits you, you'll be crying, so you'd better stay away from Lester today!" His real name is Lester, but everyone calls him "Soda Pop Head." Most of the time he's pretty happy, but when things seem to be unfair his ears gets hot, his face turns red and he blows his top! Lester's dad comes to his rescue by teaching him a few techniques to "loosen the top" and cool down before his fizz takes control. Soda Pop Head will help your child control his/her anger while helping them manage stress. It's a must for the home or classroom.

[Soda Pop Head](#) Simon and Schuster

All the sea creatures agree that Stan is the most talented singing starfish in the bay. 'And as he sang, they cheered and swooned, "Oh, what a gorgeous sound!"' But when danger strikes, will Stan's talent save the day? Find out in this touching tale about the importance of friendship and working as a team.
