'Quite simply, and quite ridiculously, one of the funniest and most illuminating books I have ever read. I thought I was obsessive, but Keith Kahn-Harris is playing a very different sport. He really has discovered the whole world in an egg.' Simon Garfield A thrilling journey deep

into the heart of language, from a rather unexpected starting point. Keith Kahn-Harris is a man obsessed with something seemingly trivial - the warning message found inside Kinder Surprise eggs: WARNING, read and keep: Toy not suitable for children under 3 years. Small parts might be swallowed or inhaled. On a tiny sheet of paper, this message is translated into dozens of languages - the world boiled down to a multilingual essence. Inspired by this, the author asks: what makes 'a language'? With the help of the international community of language geeks, he shows us what the message looks like in Ancient Sumerian, Zulu, Cornish, Klingon - and many more. Along the way he considers why Hungarian writing looks angry, how to make up your own language, and the meaning of the heavy metal umlaut. Overturning the Babel myth, he argues that the messy diversity of language shouldn't be a source of conflict, but of collective wonder. This is a book about hope, a love letter to language. 'This is a wonderful book. A treasure trove of mind-expanding insights into language and humanity encased in a deliciously quirky, quixotic quest. I loved

it. Warning: this will keep you reading.' - Ann Morgan, author of *Reading the World: Confessions of a Literary Explorer* *Love Letters* Createspace Independent Publishing Platform

My Dearest Love, Love Letters From Him

To Her is the first edition of the My Dearest Love series of books. This edition is a collection of love letters that I collected from men across America. The letters are written to mothers, wives, daughters, and girlfriends. This book is a letter, that I write to you on each chapter page telling you where I collected the letters for that particular chapter. This book will show you the many faces of love. Like a farmer from Iowa who's been in, a more than 60-year love affair with his wife. Or a young LA. gang member, who is experiencing real love for the first time and struggles with that ancient art of writing a love letter. One man wrote a beautiful letter and ended it with, "I love you your soon to be ex-husband." A man wrote a letter that was a marriage proposal, and I got the response. This book will grab you from the very first letter. I wrote a symbolic letter to my mother who passed away when I was 12 years old to introduce my wife and my first born who is her namesake. All of the men were proud to donate their letters for this book. One man wrote two of the same letters, one for the book, the other to put on his wife's grave. She was killed by a

drunk driver just before he wrote it. This book is real raw emotions. Some of the letters will bring joy to your heart, other will bring a tear to your eye. (CAUTION) Ordering this book may inspire the person in your life to write you love letters. Future editions planned for the My Dearest Love series will be love letters from Her to Him, From LGBTQ Him to Him, from LGBTQ Her to Her, and My Dearest Love, Grandparents Edition. If you would like to submit a love letter and become a part of this love community you will find the information on the last page of the first edition My Dearest Love, Love Letters From Him To Her book.
