Not If I Save You First Little, Brown Books for Young Readers

Don't miss a moment of the beloved New York Times bestselling series where spies-in-training navigate double crosses, secret missions, friendship, and first love--now with a bonus epilogue! When Cammie Morgan enrolled at the Gallagher Academy, she knew she was preparing for the dangerous life of a spy. What she didn't know was that the serious, real-life danger would start during her junior year

of high school. But that's exactly what happened two months ago when Cammie faced off against an ancient terrorist organization dead set on kidnapping her. Now the danger follows her everywhere, and even Cammie "The Chameleon" can't hide. When a terrifying encounter in London reveals that one of her most-trusted allies is actually a rogue double-agent, Cammie no longer knows if she can trust her classmates, her teachers--or even her own heart. The Gallagher Girls must hack, spy, steal, and lie their way to the truth as they discover that the key to Cammie's future may lie deep in the past.

The Lies of Locke Lamora Del Rey

Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut

Cross My Heart and Hope to Spy

Harper Collins

Kat Bishop can steal anything—including your heart. Read all three books in the New York Times bestselling Heist Society series, filled with intrigue, adventure, romance, and charm. In Heist Society, Katarina has been a part of the family business—thieving—for as long as she can remember. When Kat tries to leave "the life" for a normal life, her old friend Hale conspires to bring her back into the fold. Why? A mobster's art collection has been stolen, and Kat's father is the only suspect. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. The only solution is to find the paintings and steal them back. Kat's got two weeks, a teenage crew, and hopefully enough talent to pull off the biggest heist in her family's history—and, with any luck,

steal her life back along the way. In Uncommon Criminals, Katarina Bishop has worn a lot of labels in her short life. Friend. Niece. Daughter. Thief. But for the last two months she's simply been known as the girl who robbed the greatest museum in the world. That's why Kat isn't surprised when she's asked to steal the infamous Cleopatra Emerald so it can be returned to its rightful owners. There are only three problems. First, the gem is owned by the most secure auction house in the world. Second, since the fall of the Egyptian empire and the suicide of Cleopatra, no one who holds the emerald keeps it for long, and in Kat's world, history almost always repeats itself. But it's the third problem that makes Kat's crew the most nervous: the emerald is cursed. Kat might be in way over her head, but she's not going down without a fight. After all she has her best friend—the gorgeous Hale—and the rest of her intrepid crew with her as they chase the Cleopatra Emerald around the world, realizing that the same tricks and cons her family has used for centuries are useless this time. Which just means that Katarina Bishop is going to have to make up her own rules. In

Perfect Scandals, it's clear that Katarina Bishop and W.W. Hale the fifth were born to lead completely different lives. Kat comes from a long, proud line of loveable criminal masterminds, while Hale is the scion of one of the most seemingly perfect dynasties in the world. If their families have one thing in common, it's that they both know how to stay under the radar while getting—or stealing—whatever they want. No matter the risk, the Bishops can always be counted on, but in Hale's family, all bets are off when money is on the line. When Hale unexpectedly inherits his grandmother's billion-dollar corporation, he quickly learns that there's no place for Kat in his new role. But Kat won't let him go that easily, especially after she gets tipped off that his grandmother's will might have been altered in an elaborate con to steal the company's fortune. So instead of being the heir, this time Hale might be the mark. Forced to keep a level head as she and her crew fight for one of their own, Kat is prepared to do the impossible, but first, she has to decide if she's willing to save her boyfriend's company even if it means losing the boy. *The Conspiracy of Us* Turtleback Books

A new HEIST SOCIETY thriller from bestselling author Ally Carter. Katarina Bishop and W.W. Hale the Fifth were born to lead very different lives – her family are criminal masterminds, while he comes from an apparently perfect dynasty. But both families know how to stay under the radar while getting – or stealing – whatever they want. When Hale unexpectedly inherits his grandmother's billion-dollar corporation, he quickly learns that there's no place for Kat and their old heists in his new role. But Kat won't let him go that easily, especially after she is tipped off about an elaborate con to steal the company's fortune. Instead of being the heir, this time Hale might be the mark. Kat is prepared to do the impossible, but first she has to decide. Is she willing to save her boyfriend's company if it means losing the boy? Perfect Scoundrels also includes a bonus GALLAGHER GIRLS short story. Ally Carter is a writer living and working in the Midwest US, and is the bestselling author of the GALLAGHER GIRLS and HEIST SOCIETY series. [Cheating at Solitaire](#) Penguin

An exceptionally-skilled thief, Ari lives deep in the forest with no one but her bobcat Jagger for company. She is determined to keep to herself as civil war drags on around her, but when a mysterious stranger appears with an unexpected job offer, she has no choice but to leave her quiet life behind. Unwillingly paired with chatty, optimistic magician Ely, Ari finds her patience, wits, and skill tested when the journey quickly proves to be far from what either of them bargained for. Ari must face one of the greatest tests of her thieving career - and come to terms with the many secrets she has been hiding. With an exciting heroine and a diverse cast of characters, A Memory of Light is the first title in the fantasy series Until the Stars Are Dead, which follows Ari and Ely's adventures navigating the dangers of their complicated, quickly-changing world.

On the outside, seventeen-year-old Madelyne Summers looks like your typical blond cheerleader—perky, popular, and dating the star quarterback. But inside, Maddie spends more time agonizing over what will happen in the next issue of her favorite comic book than planning pep rallies with her squad. That she's a nerd hiding in a popular girl's body isn't just unknown, it's anti-known. And she needs to keep it that way. Summer is the only time Maddie lets her real self out to play, but when she slips up and the adorkable guy behind the local comic shop's counter uncovers her secret, she's busted. Before she can shake a pom-pom, Maddie's whisked into Logan's world of comic conventions, live-action role-playing, and first-person-shooter video games. And she loves it. But the more she denies who she really is, the deeper her lies become...and the more she risks losing Logan forever.
