The Lady of Pain rules the city of Sigil from behind a veil of perfect silence. Feared by mortal and gods alike, she flays her worshipers alive and casts her foes into inescapable labyrinths of despair. Only fools dare ask her to speak. And the Amnesiac Hero has come with a question. When the god Poseidon tells a man with no memory how to recover his past, the unwitting warrior seeks out the Lady of Pain and finds himself banished to the Mazes. With the help of a beautiful—but dead—tiefeling sorceress, a horned

fiend with a dark disposition, and a deranged wind-priest who claims to be the center of the multiverse, he must discover the secret of the Lady's past—or confront a memory so horrifying it could tear him apart.

and also your powerstones. Hope you enjoy this, and Thanks for reading ^_^ P.S: When I started this book I had zero writing experience, so the first chapters aren't that great, although, my writing quality has improved over time. Also, English isn't my first language, so there are some instances where my choice of words are not good enough for what I'm trying to portray. A heads up, the book will be using a medieval setting. My world building is not the best, but it gets better over time, so bear with me on the early chapters! P.S: Cover art not mine I just edited it.
