The Hope Chest Martini & Olive

Known for sparkling originality and dazzling dialogue, USA Today bestselling author Julie Kenner blends the intrigue of film noir with the fun of a sexy romance in this fast and flirty new novel. Sexy private investigator David Anderson takes one look at Jacey Wilder and knows she's no femme fatale. The red-headed smart-aleck in his office couldn't be more different from the tight-skirted dames he creates in the pulp fiction novels he writes in his spare time. But Jacey is a paying customer and he's encountered precious few of those lately. All he has to do is track down her old boyfriend. How hard could it be? With her thirtieth birthday fast approaching, Jacey is determined to get her life on track. Locating her old flame -- a suave, normal guy -- seems like the logical first step. But when she enlists the services of P.I. Anderson, logic is suddenly in short supply: the tough-talking detective is the one who is making her blood sizzle and Jacey's starting to wonder if

the man she's really searching for isn't right under her nose....

And she certainly doesn't anticipate that when he finally walks back through her door that he'll have no memory of her, himself, or their time together... When Mason is pulled out of an operation gone bad, all he knows is what he's told — that he was a covert agent, that he has information vital to national security somewhere in his head, and that they can tell him no more for fear of burying those hard-fought secrets even further. They tell him nothing else; not even that the beautiful woman who makes his heart beat faster is not just his partner, but also his wife. The secret she must keep wrecks Denise, who wants only to return to Mason's arms. But despite the desire that still burns hot between them, she can't tell him who she is—or that she's carrying his child. But when dark forces threaten both their lives in order to retrieve the information trapped in Mason's mind, it's not their past that will be tested, but the tenuous new love now burning hot between them. Damien: A Stark Novel Martini & Olive

The first time I met her I wanted to slap her. The second time, I knew I had to have her. As for the third time, a gentleman doesn't tell. So I guess it's a good thing I'm no gentleman ... right? Let's get this out of the way, right off the bat: I love women. I love the way they look. The way they smell. The way they feel. Especially the way they feel. And I've pretty much made it my mission to give each and every woman who shares my bed the ride of her life. Then I met her. Bitchy as hell and completely uninterested in me. And damned if I didn't want her. Crave her. I told myself I only wanted to tame her. That it was all about the challenge. I never expected to break through that ice queen exterior and find the softness underneath. Never expected how wild she'd be between the sheets or the way she'd cry my name with such sincere intensity when I totally rocked her world. Most of all, I never expected to fall for her. But I did. And the question is, now that I know I want her, how the hell do I go about keeping her? *On My Knees: Stark International 2* Harlequin She's not the woman I thought ... but damnit, she's the woman I want. I never thought of myself as cynical, but getting dumped at the altar changes a man. Now, I'm all about my job. About building my business and getting on with my life. Don't get me wrong; I still love women. I love the way they look. The way they smell. The way they feel. Especially the way they feel. And I've pretty much made it my mission to give each and every woman who shares my bed the ride of her life. But getting close? Getting serious? Giving a woman my trust again? Yeah, that's not going to happen. Or so I thought. Then I met her. It's funny how things can change in a heartbeat. How one case of mistaken identity can

change everything. But there she was, all business and completely uninterested in me. And damned if I didn't want her. Crave her. Most of all, I wanted to help her. To keep her and her sister safe. But the more I get to know her, the more I want her. The whole package. The complete woman. And the miracle is that she wants me, too. Trouble is, we've both been burned before. Now, I know one thing for certain—the only way that we'll survive the heat that crackles between us is if we both find the courage to leap into the fire together. *Lovely Little Liar* is a novella originally published as *Bitch Slap*. Minor edits, such as expanded scenes, have been made to this book.

New York Times bestselling author J. Kenner follows up her breathtaking Stark Trilogy with three sizzling standalone novels featuring unforgettable alpha males—and the seductive games they play. Now all three installments are available in one addictive ebook bundle: *WANTED* He is everything I crave, all I desperately want—and he is everything I can't have. Evan Black embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away, that I could never handle Evan's dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can't fight. And from the moment we touch—the passion between us consuming us both—I know that I will never be the same. *HEATED* I knew better than to risk my heart. But fierce passion comes at a high price. And now that I've fallen, there's no going back. *IGNITED* He promised to take me as far as I could go—and I wanted to go to the edge. My whole life has been a cover, a con, a lie. I was born into the grift, raised on the thrill of playing someone I'm not. As a rule, I never let anyone get too close—until Cole August makes it impossible for me to stay away. scars run deep. Not many women can handle his past, or the truth behind his fierce demands. But something about him beckons me—and our desire is a game I must play.
