Steven Erikson returns to the Malazan world with the second book in a dark and revelatory new epic

fantasy trilogy, one that takes place a millennium before the events in his New York Times bestselling Malazan Book of the Fallen. The Fall of Light continues the tragic story of the downfall of an ancient realm, a story begun in the critically acclaimed Forge of Darkness. It's a conflicted time in Kurald Galain, the realm of Darkness, where Mother Dark reigns. But this ancient land was once home to many a power...and even death is not quite eternal. The commoners' great hero,

Vatha Urusander, is being promoted by his followers to take Mother Dark's hand in marriage, but her Consort, Lord Draconus, stands in the way of such ambitions. The impending clash sends fissures throughout the realm. As rumors of civil war burn through the masses, an ancient power emerges from the long dead seas. Caught in the middle of it all are the First Sons of Darkness, Anomander, Andarist, and Silchas Ruin of the Purake Hold.... Malazan Book of the Fallen series Gardens of

 Acclaimed by writers,  
 critics and readers alike,

here is the opening chapter in what has been hailed a landmark of epic fantasy. A novel in which grand design, a dark and complex mythology, wild and wayward magic and a host of enduring characters combine with thrilling, powerful storytelling to resounding effect. Bled dry by interminable warfare, infighting and bloody confrontations with Lord Anomander Rake and his Tiste Andii, the vast, sprawling Malazan empire simmers with discontent. Even its imperial legions

yearn for some respite. For Sergeant Whiskeyjack and his Bridgeburners and for Tattersail, sole surviving sorceress of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the dead. But Darujhistan, last of the Free Cities of Genabackis, still holds out - and Empress Lasseen's ambition knows no bounds. However, it seems the empire is not alone in this great game. Sinister forces gather as the gods themselves prepare to play their

hand...

The first three tales of Bauchelain and Korbal Broach, the famed necromancers from the Malazan Book of the Fallen, collected in one volume. BLOOD FOLLOWS In the port city of Lamentable Moll, a diabolical killer stalks the streets and panic grips the citizens like a fever. As Emancipor Reese's legendary ill luck would have it, his previous employer is the unknown killer's latest victim. But

two strangers have come to town and they have posted in Fishmonger's Round a note, reeking of death-warded magic, requesting the services of a manservant... THE HEALTHY DEAD The city of Quaint's zeal for goodness can be catastophic, and no one knows this better than Bauchelain and Korbal Broach, two stalwart champions of all things bad. The homicidal necromancers - and their substance-addled manservant, Emancipor Reese - find themselves ensnared in a scheme to

bring goodness into utter ruination. Sometimes you must bring down civilization...in the name of civilization. THE LEES OF LAUGHTER'S END After their blissful sojourn in Lamentable Moll, the sorcerors Bauchelain and Korbal Broach - along with their manservant, Emancipor Reese -set out on the open seas aboard the sturdy ship Suncurl. Alas, there's more baggage in the hold than meets the beady eyes of the crew, and unseemly terrors awaken. For Bauchelain, Korbal Broach

and Emancipor Reese, it is just one more night on the high seas, on a journey without end.

The second novel in the awe-inspiring Malazan Book of the Fallen series. "Gripping, fast-moving, delightfully dark, with a masterful and unapologetic brutality reminiscent of George R. R. Martin." -- Elizabeth Haydon In the vast dominion of Seven Cities, in the Holy Desert Raraku, the seer Sha'ik and her

followers prepare for the long-prophesied uprising known as the Whirlwind. Unprecedented in size and savagery, this maelstrom of fanaticism and bloodlust will embroil the Malazan Empire in one of the bloodiest conflicts it has ever known, shaping destinies and giving birth to legends . . . Set in a brilliantly realized world ravaged by dark, uncontrollable magic, *Deadhouse Gates* is a novel of war, intrigue and betrayal confirms Steven Erikson as a storyteller of breathtaking skill,

imagination and originality--a new master of epic fantasy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

After decades of warfare, the five tribes of the Tiste Edur have finally united under the implacable rule of the Warlock King of the Hiroth. But peace has been exacted at a terrible price — a pact made with a hidden power whose motives are at best

suspect, at worst deadly. To the south, the expansionist kingdom of Lether has devoured all of its less-civilised neighbours with rapacious, cold-blooded hunger. All, that is, save one — the Tiste Edur. For Lether is approaching a long-prophesied renaissance — from kingdom and lost colony of the First Empire to Empire reborn. And so its people have fixed their avid gazes northward, to the rich and abundant lands and coasts of the Tiste Edur. And beneath

the suffocating weight of gold, or by slaughter at the edge of a sword, it seems the Tiste Edur must fall. Or so Destiny has decreed. War and betrayal, magic and myth collide in this, the stunning fifth chapter in Steven Erikson's magnificent Malazan Book of the Fallen sequence — a monumental achievement that is being hailed by readers and critics alike as an epic of the imagination and a fantasy classic in the making.

The necromancers Bauchelain and Korbal Broach - reapers of the souls of the living, devourers of hope and modest personifications of evil - have a lot to answer for And answer they will. But first they must lie, murder and cheat their way through three more escapades in some of the more deprived fringes and impoverished communities of the Malazan Empire. Much to the shame of their long-suffering general factotum, Emancipoor

Reese . . . Here then - for readers' delectation and entertainment - are those escapades, namely the novellas *The Crack'd Pot Trail*, *The Wurms of Blearmouth* and *The Fiends of Nightmaria* . . .  
*Toll The Hounds*  
Macmillan  
It is an undeniable truth: give evil a name and everyone's happy. Give it two names and...why, they're even happier. Intrepid necromancers Bauchelain and Korbal Broach, scourges of civilization, raisers of the dead, reapers of the souls

of the living, devourers of hope, betrayers of faith, slayers of the innocent, and modest personifications of evil, have a lot to answer for and answer they will. Known as the Nehemoth, they are pursued by countless self-professed defenders of decency, sanity, and civilization. After all, since when does evil thrive unchallenged? Well, often—but not this time. Hot on their heels are the Nehemothanai, avowed hunters of Bauchelain and Korbal Broach. In the company of

a gaggle of artists and pilgrims, stalwart Mortal Sword Tulgord Vise, pious Well Knight Arpo Relent, stern Huntsman Steck Marynd, and three of the redoubtable Chanter brothers (and their lone sister) find themselves faced with the cruelest of choices. The legendary Crack'd Pot Trail, a stretch of harsh wasteland between the Gates of Nowhere and the Shrine of the Indifferent God, has become a tortured path of deprivation. Will honor, moral probity, and virtue prove champions in the

face of brutal necessity? No, of course not. Don't be silly. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The penultimate book in the acclaimed Malazan Book of the Fallen fantasy series On the Letherii continent the exiled Malazan army commanded by Adjunct Tavore begins its march into the eastern Wastelands, to fight for an unknown cause against an

enemy it has never seen. The fate awaiting the Bonehunters is one no soldier can prepare for, and one no mortal soul can withstand - the foe is uncertainty and the only weapon worth wielding is stubborn courage. In war everyone loses, and this brutal truth can be found in the eyes of every soldier in every world. Destinies are never simple. Truths are neither clear nor sharp. The Tales of the Malazan Book of the Fallen are drawing to a close in a distant place, beneath indifferent skies,

as the last great army of the Malazan Empire seeks a final battle in the name of redemption. Final questions remain to be answered: can one's deeds be heroic when no one is there to see it? Can that which is unwitnessed forever change the world? The answers await the Bonehunters, beyond the Wastelands...  
Dust of Dreams Random House  
 Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan

Empire in this first book in a major epic fantasy series from Steven Erikson. The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread

Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are

gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, *Gardens of the Moon* is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice. A thrilling, harrowing novel of war, intrigue and

dark, uncontrollable magic, *Toll the Hounds* is the new chapter in Erikson's monumental series - epic fantasy at its most imaginative and storytelling at its most exciting. In Darujhistan, the city of blue fire, it is said that love and death shall arrive dancing. It is summer and the heat is oppressive, but for the small round man in the faded red waistcoat, discomfiture is not just because of the sun. All is not well. Dire portents plague his nights and haunt the city streets like

fiends of shadow. Assassins skulk in alleyways, but the quarry has turned and the hunters become the hunted. Hidden hands pluck the strings of tyranny like a fell chorus. While the bards sing their tragic tales, somewhere in the distance can be heard the baying of Hounds...And in the distant city of Black Coral, where rules Anomander Rake, Son of Darkness, ancient crimes awaken, intent on revenge. It seems Love and Death are indeed about to

arrive...hand in hand, dancing. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Crippled God Tor Books

The climax to the epic Malazan Book of the Fallen series that will determine how the world is ruled. Savaged by the K'Chain Nah'Ruk, the Bonehunters march for Kolanse, where waits an

unknown fate. Tormented by questions, the army totters on the edge of mutiny, but Adjunct Tavore will not relent. One final act remains, if it is in her power, if she can hold her army together, if the shaky allegiances she has forged can survive all that is to come. A woman with no gifts of magic, deemed plain, unprepossessing, displaying nothing to instill loyalty or confidence, Tavore Paran of House Paran means to challenge the gods - if her own troops don't kill her first. Awaiting Tavore and

her allies are the Forkrul Assail, the final arbiters of humanity. Drawing upon an alien power terrible in its magnitude, they seek to cleanse the world, to annihilate every human, every civilization, in order to begin anew. They welcome the coming conflagration of slaughter, for it shall be of their own devising, and it pleases them to know that, in the midst of the enemies gathering against them, there shall be betrayal. In the realm of Kurald Galain, home to the long lost city of Kharkanas, a

mass of refugees stand upon the First Shore. Commanded by Yedan Derryg, the Watch, they await the breaching of Lightfall, and the coming of the Tiste Liosan. This is a war they cannot win, and they will die in the name of an empty city and a queen with no subjects. Elsewhere, the three Elder Gods, Kilmandaros, Errastas and Sechul Lath, work to shatter the chains binding Korabas, the Otataral Dragon, from her eternal prison. Once freed, she will rise as a force of

devastation, and against her no mortal can stand. At the Gates of Starvald Demelain, the Azath House sealing the portal is dying. Soon will come the Eleint, and once more, there will be dragons in the world. This followup to Ian C. Esslemont's *Blood and Bone* is sure to delight Malazan fans. Tens of thousands of years of ice is melting, and the land of Assail, long a byword for menace and inaccessibility, is at last yielding its secrets. Tales of gold discovered in the region's north circulate in every waterfront dive and sailor's tavern, and now countless adventurers and

fortune-seekers have set sail in search of riches. All these adventurers have to guide them are legends and garbled tales of the dangers that lie in wait -- hostile coasts, fields of ice, impassable barriers and strange, terrifying creatures. But all accounts concur that the people of the north meet all trespassers with the sword. And beyond are rumoured to lurk Elder monsters out of history's very beginnings. Into this turmoil ventures the mercenary company, the Crimson Guard. Not drawn

by contract, but by the promise of answers: answers to mysteries that Shimmer, second in command, wonders should even be sought. Arriving also, part of an uneasy alliance of Malazan fortune-hunters and Letherii soldiery, comes the bard Fisher kel Tath. And with him is a Tiste Andii who was found washed ashore and cannot remember his past life, yet who commands far more power than he really should. Also venturing north is said to be a mighty champion, a

man who once fought for the Malazans, the bearer of a sword that slays gods: Whiteblade. And lastly, far to the south, a woman guards the shore awaiting both her allies and her enemies. Silverfox, newly incarnated Summoner of the undying army of the T'lan Imass, will do anything to stop the renewal of an ages-old crusade that could lay waste to the entire continent and beyond. Casting light on mysteries spanning the Malazan empire, and offering a

glimpse of the storied and epic history that shaped it, "Assail" is the final chapter in the epic story of the Empire of Malaz. Many years have passed

since three warriors brought carnage and chaos to Silver Lake. Now the tribes of the north no longer venture into the southlands. The town has recovered and yet the legacy remains. Responding to reports of a growing unease among the tribes beyond the border, the Malazan army marches on the new god's people. They aren't quite sure what they're going to be facing. And in those high mountains, a new warleader has risen amongst the Teblor. Scarred by the deeds of

Karsa Orlong, he intends to confront his god even if he has to cut a bloody swathe through the Malazan Empire to do so. Further north, a new threat has emerged and now it seems it is the Teblor who are running out of time. Another long-feared migration is about to begin and this time it won't just be three warriors. No, this time tens of thousands are poised to pour into the lands to the south. And in their way, a single company of Malazan marines . . . At the
