Understanding Prophetic People Chosen Books

Summary With thoughtful clarity, veteran pastor and itinerant Bible teacher Bruce Collins explains and illustrates how believers can learn how to hear the Lord more clearly and serve others in using the gift of prophecy responsibly. Author Bio South African born Bruce trained as a chemical engineer before becoming an Anglican pastor in 1983. Over the last 30 years he has ministered in 35 countries teaching and encouraging church leaders and the saints, especially in the gift of prophecy. He served as the first overseer of New Wine’s International Network. Bruce lives in Wales, UK, with his wife. Foreword Bruce Collins, a church leader experienced in renewal, with a proven prophetic gift himself, has written this excellent book, 'Prophecy!' It is one of the clearest and most practical books on the subject I have seen, and I hope as many people as possible will read it. Paul, the Apostle, wrote to the Corinthian church and urged the Christians there to pursue prophecy as a really useful gift for building up the church. In 1 Corinthians 14 he tells them twice to "be eager to prophesy." Too many of us have not got a clue what it is, how and when to use it, and how to test it. Bruce takes it all in his stride and spells these things out for us in a most helpful way. I warmly commend this very practical handbook not only for all would-be prophets, but for any Christian who wants to grow in hearing the Lord more clearly. I also commend it to church leaders. Use it in your home groups or other settings as a practical course to sow prophecy into your church! Rev. David Pytches Editorial Reviews I have been blessed to have travelled to both India and East Africa with my dear friend Bruce Collins. Bruce is a true equipper whose passion is training people to hear the voice of the Lord. Beyond being an exceptional teacher, I have found Bruce to be unmatched in releasing people to operate prophetically. “Prophecy” is a much needed tool to help laymen and ministers alike become more effective in meeting the needs of this generation. Bruce’s approach is Biblically sound and practical; ultimately releasing readers to become more “naturally supernatural”. Rev. Dr. Paul Berube, Grace Outreach International Association of Ministries, Nashua, New Hampshire, USA. I have had the privilege of partnering in ministry across Wales with Bruce Collins for almost 15 years. Having observed Bruce’s prophetic ministry and teaching first hand, I can highly recommend Prophecy! This biblical and practical book will equip you to exercise the gift of prophecy as a lifestyle. Julian Richards, Church planter and leader of the New Wine network of church leaders in Wales, UK. Bruce Collins is a passionate and precise practitioner of spiritual gifts. His sage and proven experiences come through clearly in every chapter. In 1 Corinthians 14, believers are admonished with such phrases as “you can all

prophecy” (v. 31) and “earnestly desire to prophesy” (v. 39). Bruce has written a thoroughly engaging Biblical guide to equip any believer to hear God’s voice and prophesy with grace and confidence. Reading this book will craft your life, not just your gift. Dr. Clem Ferris, Author, Stewarding Prophecy, Itinerant Prophetic and Teaching Ministry, Grace Church, Chapel Hill, North Carolina USA. I can offer the highest level of commendation for my friend, Bruce Collins’ book on prophecy. Every chapter offers solid theology on prophecy and acts as a user’s manual for beginners starting their prophetic journey as well as ‘seasoned campaigners’. The author offers excellent counsel to pastors, leaders and the merely curious as well as underlining the need for a prophetic journey to be character-based as well as exercising a gift. Critically, the reader will be directed into a life of devotion to the Scriptures, ongoing discipleship and acknowledging the need for grace as part of a ‘holistic journey’ into ‘prophecy’ and corresponding understanding. This book will be a valuable asset in a ‘prophetic mentoring school’ as well as ‘one on one’ discipleship. The world is crying out for the voice of the Lord. Prophecy! will be part of that equipping process. Rev. Alan Ross, Associate Pastor, Gateway Church, Glasgow, UK. International Prophetic Minister and Adjunct Professor in Urban Theology.

**Hearing the Heart of Heaven: Developing a Personal Prophetic Culture** Chosen Books

Almost any parent you asked would tell you that they want their children to be happy, successful adults. But many of us forget (or never knew to begin with) that lasting personal joy is not necessarily found the way the world says it is--through reaching a certain socioeconomic status, having a certain job, buying a certain house, or having a certain amount in one's bank account. In fact, says Kristen Welch, popular blogger and author of *Raising Grateful Kids in an Entitled World*, personal satisfaction comes not from grabbing onto things but from holding them with an open hand and, very often, giving them away. In this inspiring book, Welch shows parents how to discover for themselves and instill in their kids the profound joy that comes from sharing what we

have been given--our time, our talents, and even what's in our wallets--with those who have less. Through powerful personal stories as well as stories from Scripture, Welch offers a tantalizing alternative to status quo parenting that has the power to impact not only our own families but the entire world. At the end of each chapter, one of the author's kids offers their perspective on what it's like to be raised as a world changer.
