Full-color illus.

Tropicana Nights Running Press

History of Spencer & Co., a trading organization in India.

Cigar Aficionado's Art of Cigars Penguin

Alfredo José Estrada's intimate ties to Havana form the basis for this "autobiography," written as though from the city's own heart. Covering the island's five hundred year history, Estrada portrays the adventurers and dreamers who left their mark on Havana, including José Martí, martyr for Cuban independence; and Ernest Hemingway, the most American of writers who became an unabashed Habanero. Deeply personal and affecting, Havana is the accessible and complete story of the city for the history buff and armchair traveler alike.

The Spencer Legend University of Chicago Press

When the Soviet Union dissolved, so did the easy credit, cheap oil, and subsidies it had provided to Cuba. The bottom fell out of the Cuban economy, and many expected that Castro's revolution—the one that had inspired the Left throughout Latin America and elsewhere—would soon be gone as well. More than a decade later, the revolution lives on, albeit in a modified form. Following the collapse of Soviet communism, Castro legalized the dollar, opened the island to tourism, and allowed foreign investment, small-scale private enterprise, and remittances from exiles in Miami. *Capitalism, God, and a Good Cigar* describes what the changes implemented since the early 1990s have meant for ordinary Cubans: hotel workers, teachers, priests, factory workers, rap artists, writers, homemakers, and others. Based on reporting by journalists, writers, and documentary filmmakers since 2001, each of the essays collected here covers a particular dimension of contemporary Cuban society, revealing what it is like to have lived, for more than a decade, suspended between communism and capitalism. There are pieces on hip hop musicians, fiction writing and censorship, the state of ballet and the performing arts, and the role of computers and the Internet. Other essays address the shrinking yet still sizeable numbers of true believers in the promise of socialist revolution, the legendary cigar industry, the changing state of religion, the significance of the recent influx of money and people from Spain, and the tensions between recent Cuban emigrants and previous generations of exiles. Including more than seventy striking documentary photographs of Cuba's people, countryside, and city streets, this richly illustrated collection offers keen, even-handed insights into the abundant ironies of life in Cuba today. Contributors. Juliana Barbassa, Ana Campoy, Mimi Chakarova, Lydia Chávez, John Coté, Julian Foley, Angel González, Megan

Lardner, Ezequiel Minaya, Daniela Mohor, Archana Pyati, Alicia Roca, Olga R. Rodríguez, Bret Sigler, Annelise Wunderlich
Havana: Autobiography of a City Harper Collins

Take a trip to the golden age of Havana in this gorgeously illustrated volume of vintage photographs, postcards, brochures, and other ephemera. Featuring hundreds of historic images and cultural artifacts, *Havana Before Castro* documents how the Cuban capital evolved from a Prohibition Era getaway destination to a heady blend of glittering nightclubs, outrageous cabarets, all-night bars, and backstreet brothels. Here, captured in one amazing book, is the drama, passion, intrigue, and opulence of a legendary city during its heyday—before the Castro regime took over and Americans were banned from travel to this tropical paradise. In chapters covering such topics as Cuban rum and cigars, the world-famous Tropicana Club, and Havana's association with the mob, author Peter Moruzzi provides essential historical context for the many fascinating and evocative images.
Havana Nocturne Parkstone International

A history of the celebrated 1950s Cuban nightclub cites its unique status as an institution that operated free from the American mob's control, traces its evolution against a backdrop of pre-Revolutionary Cuba, and cites performances by such figures as Nat "King" Cole and Josephine Baker. Reprint.

Statutes and Decisions Pertaining to the Federal Trade Commission Mariner Books

Tours the world's finest private collection of humidors, exploring the history of cigar accoutrements from cutters to ashtrays, in a sumptuously photographed edition by the editor and publisher of *Cigar Aficionado*.

The Good Cigar Lyons Press

This is the first comprehensive history of the culturally diverse

city, and the first to be co-authored by a Cuban and an American. Beginning with the founding of Havana in 1519, Cluster and Hernández explore the making of the city and its people through revolutions, art, economic development and the interplay of diverse societies. The authors bring together conflicting images of a city that melds cultures and influences to create an identity that is distinctly Cuban.

Havana Gibbs Smith

What makes a place so memorable that it survives forever in a word? In this captivating round-the-world tour, Paul Anthony Jones acts as your guide through the intriguing stories of how eighty places became immortalized in the English language. You'll discover why the origins of turkeys, limericks, Brazil nuts, and Panama hats aren't quite as straightforward as you might presume. If you've never heard of the tiny Czech mining town of Jáchymov—or Joachimsthal, as it was known until the late 1800s—you're not alone, which makes its claim to fame as the origin of the word "dollar" all the more extraordinary. The story of how the Great Dane isn't all that Danish makes the list, as does the Jordanian mountain whose name has become a byword for a tantalizing glimpse. We'll also find out what the Philippines has given to your office inbox, what Alaska has given to your liquor cabinet, and how a speech given by a bumbling North Carolinian gave us a word for impenetrable nonsense. Surprising, entertaining, and illuminating, this is essential reading for armchair travelers and word nerds. Our dictionaries are full of hidden histories, tales, and adventures from all over the world—if you know where to look.

Trade Regulation Reporter Triumph Books (IL)

Long relegated to boardrooms and back room card tables, the cigar has emerged to attain mass appeal while still holding on to its macho mystique. Amid the wide assortment of cigars available, the Havana stands head and shoulders above the rest. An ideal introduction for the neophyte as well as a superb guide for the aficionado, this book reviews the hallowed history of cigars in Cuba, and describes in detail the processes involved in creating

them. Original photography reveals the beauty of the land and the hands and faces of the craftsmen and women behind each Havana cigar. Also included is an invaluable catalogue raisonne of Havana cigars.

Cases and Materials on Food and Drug Law Chartwell Books

Reports about every aspect of food and the culture it stems from, both practical and anecdotal, and naturally all the most important recipes from Spain's various regions open up a culinary universe that you can capture in your own kitchen. Spain - its cuisine is as colorful as the country is large. While to the north the traditions of the wandering herdsmen are still maintained and tracking dogs search out truffles, exotic fruits that entered the country with the Arabs flourish in the south. This Culinaria title whets your appetite to explore Spain with all your senses. It describes an incomparable panorama of cultural and culinary traditions, as well as an overview of the most important winegrowing regions of the land. Its 488 pages and more than 1,200 photographs clearly illustrate how landscape, climate, and various cultures have left their mark on the diverse cuisine of the country - from Alboraya in the Levant to Zaragoza in the north, from the omnipresent garlic mayonnaise alioli to zamburina mussels. More than 200 recipes drawn from every region ensure that the fascinating reading also becomes a feast for the palate.

Around the World in 80 Words Rowman & Littlefield

In modern-day Havana, the remnants of the glamorous past are everywhere—old hotel-casinos, vintage American cars & flickering neon signs speak of a bygone era that is widely familiar & often romanticized, but little understood. In *Havana Nocturne*, T.J. English offers a multifaceted true tale of organized crime, political corruption, roaring nightlife, revolution & international conflict that interweaves the dual stories of the Mob in Havana & the event that would overshadow it, the Cuban Revolution. As the Cuban people labored under a violently repressive regime throughout the 50s, Mob leaders Meyer Lansky & Charles "Lucky" Luciano turned their eye to Havana. To them, Cuba was the ultimate dream, the greatest hope for the future of the US Mob in the post-Prohibition years of intensified government crackdowns. But when it came time to make their move, it was Lansky, the brilliant Jewish mobster, who reigned supreme. Having cultivated strong ties with the Cuban government & in particular the brutal dictator Fulgencio Batista, Lansky brought key mobsters to

Havana to put his ambitious business plans in motion. Before long, the Mob, with Batista's corrupt government in its pocket, owned the biggest luxury hotels & casinos in Havana, launching an unprecedented tourism boom complete with the most lavish entertainment, the world's biggest celebrities, the most beautiful women & gambling galore. But their dreams collided with those of Fidel Castro, Che Guevara & others who would lead the country's disenfranchised to overthrow their corrupt government & its foreign partners—an epic cultural battle that English captures in all its sexy, decadent, ugly glory. Bringing together long-buried historical information with English's own research in Havana—including interviews with the era's key survivors—*Havana Nocturne* takes readers back to Cuba in the years when it was a veritable devil's playground for mob leaders. English deftly weaves together the parallel stories of the Havana Mob—featuring notorious criminals such as Santo Trafficante Jr & Albert Anastasia—& Castro's 26th of July Movement in a riveting, up-close look at how the Mob nearly attained its biggest dream in Havana—& how Fidel Castro trumped it all with the revolution.

The Remarkable Reefs Of Cuba Preface Publishing

The Cigar Companion is the perfect study-side guide to unlocking the delicate intricacies and delicious undertones of handmade cigars—including the history of cigars, a buyer's guide, and profiles of 70 current top brands of quality cigars complemented by full-color photographs. Much more sophisticated than their slimmer, machine-made counterparts, a good cigar offers a certain levity and celebration. Often compared with fine wine, the way that good cigar products are made and the quality of the ingredients are reflected in the flavor of the final product. The rich history of enjoying cigars has seen many changes, yet hand rolling remains a valued practice among cigar aficionados—there are just some things that machines cannot copy. The time-treasured practice of harvesting, drying, and curing the leaves has a deep traditional background and has shown innovative developments that offer new experiences to cigar smokers. There are many different ways to make cigars, and even more ways to discern its quality once it is in the hands of the consumer. If you're curious about any aspect of cigar culture, The Cigar Companion covers: The origin story of cigars A cigar directory of fan favorites Best practices for buying cigars Storage techniques for maximum preservation Directory of reputable cigar merchants

to get you started. A comprehensive directory of every brand of cigar, this book lists all the major brands, such as Havana and Dominican, as well as many lesser-known brands. Information on origin, smoking qualities, flavor and aroma, and buying and storing fine cigars is included. Consider *The Cigar Companion* your invitation into the fascinating world of cigars.

Travel Eastwest Books (Madras)

Cigar-bands have adorned cigars for more than 150 years. Until World War I they were produced and printed to the highest quality using the best methods available, with the result that many cigar-bands of the time are genuine works of art. Images depicted on the bands are varied, but specific themes may be distinguished – flowers and foliage, for example, or heraldic ‘charges’, or of course portraits of contemporary rulers and celebrities. This book features nearly 1,800 cigar-bands drawn from the collection of Roger van Reeth, including some of the most beautiful, some of the rarest and some of the oldest. Their presence adds something special to what is already a special publication: the Flavour, perhaps, of a superb Havana cigar.

The English Echo Courage Books

Exploring not just the extraordinary story of tobacco and cigars but also a history that has been instrumental in the foundations of societies and cultures, *Cigars* will take you on an astonishing journey through landscapes, scents, and an incredible roll call of the great, the good and the not-so good. The cigar has provided solace and a chance for worldly contemplation to generations of thinkers, businessmen, writers, entrepreneurs, and connoisseurs. In this elegiac offering to the pinnacles of hand-rolled tobacco, world-renowned expert Nicholas Foulkes guides you through the myths, legends, nuances, and delicious realities of the smoke-savoring universe, serving as an introduction for the neophyte and a reference for the connoisseur.

Clipper Guide to Cuba St. Martin's Griffin

Since 1970, the Caribbean has lost half of its coral reefs, an ominous and accelerating phenomenon that extends around the

world. Beyond the unfathomable heartbreak of the loss of such exquisite beauty from the earth, coral's loss represents the annual loss of billions of dollars from the global economy and the end of a way of life for billions that depend on these ecosystems. Marine scientist and conservation leader Dr. David E. Guggenheim has had a front-row seat to this disaster. But when he began a new chapter of his career in Cuba, he found something completely unexpected: hope. After years and years of watching reefs deteriorate, Guggenheim was astonished to come face-to-face with Cuba's remarkably healthy coral reefs overflowing with fish and other marine life. *The Remarkable Reefs of Cuba* reveals the hidden potential that Cuba's reefs may contain for the reefs of the world. While the past 60 years have seen the worst decline in ocean health in human history, Cuba's oceans and coral reefs remain remarkably healthy, a living laboratory never-before-seen by this generation of scientists. Which begs the question: why are Cuba's ocean waters so healthy? The answer is deeply intertwined with the country's extraordinary and singularly unique history, from its dramatic political past to its world-class environmental protections influenced by an unlikely partner, Captain Jacques-Yves Cousteau. This buoyant book tells the story of the demise of the world's ocean ecosystems, the hard work of those desperately trying to save it, and an unexpected beacon of hope from an island full of mystery and surprises.

The Complete Guide to Cigars Simon and Schuster

In this widely hailed book, NPR correspondent Tom Gjelten fuses the story of the Bacardi family and their famous rum business with Cuba's tumultuous experience over the last 150 years to produce a deeply entertaining historical narrative. The company Facundo Bacardi launched in Cuba in 1862 brought worldwide fame to the island, and in the decades that followed his Bacardi descendants participated in every aspect of Cuban life. With his intimate account of their struggles and adventures across five generations, Gjelten brings to life the larger story of Cuba's fight for freedom, its tortured relationship with America, the rise of Fidel Castro, and the violent division of the Cuban nation.

ABA Journal Macmillan

A personal and cultural mediation, Philip D. Beidler's *The Island Called Paradise* explores the fascinating ways Cuban history and culture have permeated North American consciousness, and vice versa. In *The Island Called Paradise*, Philip D. Beidler shares his personal discovery of the vast, rich, and astonishing history of the island of Cuba and the interrelatedness of Cuba and the US. Cuba first entered Beidler's consciousness in the early 1960s when he watched with mesmerized anxiety the televised reports of the Cuban missile crisis, a conflict that reduced a multifaceted, centuries-old history between North America and Cuba to the stark duotones of Cold War politics. Fifty years later, when Beidler traveled to the US's island neighbor, he found a Cuba unlike the nation portrayed in truculent political rhetoric or in the easy preconceptions of US popular culture. Instead he found an entrancing people and landscape with deep historical connections to the US and a dazzling culture that overwhelmed his creative spirit. In twelve original essays, Beidler reintroduces to English-speaking readers many of the central figures, both real and literary, of Cuban and Cuban-American history. Meet Cecilia Valdés, the young mixed-race heroine of a 1839 novel that takes readers to the poor streets and sumptuous salons of Spanish colonial Cuba, and Narciso López, a real-life Venezuelan adventurer and filibustero who attempted to foment a Cuban uprising against Spain. Both would have been familiar figures to nineteenth-century Americans. Beidler also visits the twentieth-century lives of “the two Ernestos” (Ernest Hemingway and Che Guevara), and the pop-culture Cuban icon Ricky Ricardo. A country not with one history but multiple layers of history, Cuba becomes a fertile island for Beidler's exploration. Art, he argues, perpetually crosses walls erected by politics, history, and nationality. At its core, *The Island Called Paradise* renews and refreshes our knowledge of an older Atlantic world even as we begin to envision a future in which the old bonds between our nations may be restored.
