The History of Underclothes powerHouse Books

#1 NEW YORK TIMES BESTSELLER •

From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells

of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of

taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

The Hollywood Book Club National Academies Press

A fascinating exploration of the role new media technologies play in our experience of film.

The Dirt Reaktion Books

One evening, spying on his Hollywood Hills neighbours through his \$4,000 electronic telescope, Bobby witnesses a beautiful woman making love to a handsome Latin actor called Ramon. As

their pillow talk turns ugly, Bobby watches in horror as the woman appears to bludgeon her lover to death with his own acting trophy. Instead of rushing to the cops, Bobby decides to find out more about the events that led up to the crime, and to use the material for his next movie screenplay. However, when he sneaks into the actor's apartment, the discovery he makes changes his life forever. Empowered by his secret knowledge, Bobby is able to seduce the beautiful woman, while forging a unique friendship with Detective Dennis Farentino, the cop in charge of the investigation. Before long Bobby has dragged the detective, his wife, his lover, and his agent into a Hollywood fun-house hall of mirrors, where only the most manipulative player will survive.

Death by Hollywood Courier Corporation
 MGM Style is an overview of the career and achievements of Hollywood's most famous art director. Cedric Gibbons was the supervisor in charge of the art department at Metro-Goldwyn-Mayer film studios from its inception in 1924 until Gibbons chose to retire in 1956. Lavishly illustrated with over 175 pristine duotone photographs, the vast majority of which have never before been published, this is the first volume to trace Gibbons' trendsetting career. At its height in the late 1930s and early 1940s, Gibbons was regularly acknowledged by his peers as having shaped the craft of art direction in American film; his work was recognized as representing the finest in motion picture sets and settings. Gibbons and his associates

constructed the villages, towns, streets, squares and edifices that later appeared in hundreds of films, and whose mixed architecture stood in for army camps and the wild west, Dutch New York and Dickensian London, ancient China and modern Japan. Inspired by the work of Le Corbusier and the Bauhaus masters, as well as the 1925 Exposition Internationale des Arts Décoratifs et Industriels Modernes in Paris and Frank Lloyd Wright's experiments with open planning, Gibbons championed the notion that movie decor should move beyond the commercial framework of the popular cinema

God Is a Bullet Rowman & Littlefield
 In the spring of 1934, Hollywood faced what the Los Angeles Times called "the most serious crisis of its history." The

film capital was under siege by censorship advocates who launched a boycott, demanding that the film industry enforce the Production Code it had adopted in 1930. For nearly five years, defiant producers had cited artistic freedom and flouted the Code, which forbade vulgarity, profanity, nudity, excessive violence, illegal drugs, adultery, "sex perversion," "white slavery," racial mingling, "lustful kissing," and suggestive dancing. In July 1934, the controversial films were outlawed. Today they are called "pre-Code." *Sin in Soft Focus* showcases a scintillating era in film history and tells how filmmakers sidestepped the Code. Mark A. Vieira draws on extensive research, interviews, and correspondence in the Production Code

Administration files to tell the engaging, suspenseful, and often humorous story of the struggle between Hollywood and its reformers, weaving history, politics, and film into a full-blooded narrative. Illustrated with 275 film stills, many of them rare, the book captures the stunning visual artistry of the era. *Glamour and Style* Vintage
As one of the most beloved and beguiling genres of entertainment, the film musical wears its style ostentatiously. The genre allows for hyperbolic expression, extravagant sonic and visual decor, and extremely stylized forms of movement and performance. By staging a glittering spectacle, by releasing a current of lush sentiment, by unveiling a world of elegance and romance, the film musical woos us with

patterns, textures, finesse and sensory display. In this book, author Lloyd Whitesell asks what, exactly, makes film musicals so glamorous. As he argues, glamour projects an aura of ethereality or sophistication by way of suave deportment, sensuous textures, elevated styles, and aesthetically refined effects. Glamour, in other words, is what unites "Cheek to Cheek" from Top Hat and the title song from Beauty and the Beast, each a sonic evocation of luxury, sparkle, grace, and finesse. Whitesell redirects our attention from visual cues like sequins and evening gloves to explore how glamour resides in the sonic. Discussing dozens of musical numbers, analyzing ingenious orchestration, and appraising the distinctive styles of favorite musical

stars, Whitesell illuminates fundamental traits of the genre, its aesthetic strategies, and cultural ambitions.

Hollywood Moments Abrams

" In this first-ever biography of Greer Garson, Michael Troyan sweeps away the many myths that even today veil her life. The true origins of her birth, her fairy-tale discovery in Hollywood, and her career struggles at Metro-Goldwyn-Mayer are revealed for the first time. Garson combined an everywoman quality with grace, charm, and refinement. She won the Academy Award in 1941 for her role in Mrs. Miniver , and for the next decade she reigned as the queen of MGM. Co-star Christopher Plummer remembered, ""Here was a siren who had depth, strength, dignity, and humor who could

inspire great trust, suggest deep intellect and whose misty languorous eyes melted your heart away!" Garson earned a total of seven Academy Award nominations for Best Actress, and fourteen of her films premiered at Radio City Music Hall, playing for a total of eighty-four weeks--a record never equaled by any other actress. She was a central figure in the golden age of the studios, working with legendary performers Clark Gable, Marlon Brando, Elizabeth Taylor, Errol Flynn, Joan Crawford, Robert Mitchum, Debbie Reynolds, and Walter Pidgeon. Garson's experiences offer a fascinating glimpse at the studio system in the years when stars were closely linked to a particular studio and moguls such as L.B. Mayer broke or made careers. With the benefit

of exclusive access to studio production files, personal letters and diaries, and the cooperation of her family, Troyan explores the triumphs and tragedies of her personal life, a story more colorful than any role she played on screen.

Hollywood in Kodachrome Courier Corporation

In this "dishy...superbly reported" (Entertainment Weekly) New York Times bestseller, Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed *Easy Riders, Raging Bulls*, Peter Biskind "takes on the movie industry of the 1990s and again gets the story" (The

New York Times). Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans were nearly thwarted by his own quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matt Damon, Ben Affleck,

Ethan Hawke, and Uma Thurman. Candid, controversial, and “sensationally entertaining” (Los Angeles Times) *Down and Dirty Pictures* is a must-read for anyone interested in the film world. **Surrational Images** Harper Collins Audrey Hepburn, Humphrey Bogart, Gregory Peck, Rita Hayworth, Marilyn Monroe—the brightest stars of the silver screen couldn't resist curling up with a good book. This unique collection of rare photographs celebrates the joy of reading in classic film style. The Hollywood Book Club captures screen luminaries on set, in films, in playful promotional photos, or in their own homes and libraries with books from literary classics to thrillers, from biographies to children's books, reading with their kids, and more. Featuring

nearly 60 enchanting images, lively captions about the stars and what they're reading by Hollywood photo archivist Steven Rea, here's a real page-turner for booklovers and cinephiles.

Icons of Style Peachpit Press

A photographic tour of the different sides of Hollywood by the bestselling author of *life.love.beauty*. The actor, photographer, and bestselling author reveals the Hollywood we see--and the one we don't--with a photography narrative featuring more than 250 emotionally charged color and black and white photos. Keegan Allen is a Hollywood native, growing up in a world that millions visit and many more imagine. With an avid fan base that follows him on Facebook, Instagram, Twitter, Snapchat, and a busy career

that includes seven years on the hit series *Pretty Little Liars* as well as films directed by James Franco and Gia Coppola, Allen also is a lifelong photographer whose first book, *life.love.beauty*, was a national bestseller. Now Keegan turns his eye and camera to the place he knows best. Hollywood captures the beauty and glamour of the place itself—with unusual angles of the famous sign, the glint of sidewalk stars stamped into the entrance of the Grauman's TCL Chinese Theater in the rain, the Chateau Marmont at twilight, secret local hideaways, red carpets and more--but also the darker side of dreams unrealized in the faces, hands, eyes, and footsteps of those who live on the fringe of celebrity. His photos are enhanced by

revealing, intimate captions, lyrics, and other writing, as well as hand-drawn illustrations, exciting parodies, and iconic emulations. A book that will engage and surprise Keegan's legions of fans and followers, *Hollywood* is an essential gift for anyone who has visited or imagined this storied place.

Hollywood St Martins Press

An ex-member of a bloodthirsty cult must pair up with a police officer to take down the group's murderous leader in this dark, wrenching thriller about personal conviction, retribution, and survival. Soon to be a major motion picture starring Jamie Foxx, Nikolaj Coster-Waldau, Maika Monroe, and January Jones "In a word: Wow. *God Is a Bullet* is a kick-ass, in-your-face tour de force from start to finish."—Harlan

Coben, #1 New York Times bestselling author of *The Match Case Hardin* has stared into the face of evil and lived. Now Case learns that the satanic cult that turned her from a lost child into a broken, drug-addicted shell of a woman has taken down more victims, butchering a man and a woman in their suburban home and abducting a young girl. Fueled by rage and the need to redeem her life, Case teams up with the missing girl's father—a straight-arrow desk cop named Bob Hightower—to track the girl down. With Case as his mentor, Hightower will begin a hunt through the satanic underground few have encountered and even fewer have survived, to pry his child from the hands of a madman. WINNER OF THE CWA NEW BLOOD DAGGER AWARD • EDGAR

Hollywood Glamor Portraits Simon and Schuster

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity,

the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy

makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

MGM Style John Wiley & Sons
Collects more than four hundred photographs of Hollywood stars captured by George Hurrell, creator of the glamour shot, and looks at the photographer's up and down career.

The Essential Photography

Workbook Rowman & Littlefield
A collection of the dramatic portraits that the well-known, and then sought-after, photographer took of Hollywood's greatest stars features shots of Dietrich, Garbo, Hepburn, Harlow, Gable, Tracy, Cooper, Harlow, Hayworth, Redford, and others.

Hurrell Hollywood Harper Collins

Following up on her highly praised bestseller *Men Before 10 a.m.*, celebrity photographer Veronique Vial completes her wonderfully intimate and revealing portrait of the sexes with *Women Before 10 a.m.*, a captivating collection of your favorite fashion, cinematic, and pop culture beauties, starlets, and models before ten o'clock in the morning. Caught with Vial's friendly lens in all their unadorned morning glory-and in the act of waking, snuggling, canoodling, bathing, getting dressed, smoking a cigarette, eating breakfast, or feeding the kids-are today's sexiest and most sought after actresses, models, musicians, and writers from the U.S. and Europe. The results are humorous, touching, elegant, sexy, and very, very feminine.

Movie-star Portraits of the Forties

New York Review of Books

This volume offers an in-depth analysis of around 50 shots, enabling the readers to create classic Hollywood-style portraits of their own.

Film-star Portraits of the Fifties

Cumberland House Publishing

In 1911 the French publisher Lucien Vogel challenged Edward Steichen to create the first artistic, rather than merely documentary, fashion photographs, a moment that is now considered to be a turning point in the history of fashion photography. As fashion changed over the next century, so did the photography of fashion. Steichen's modernist approach was forthright and visually arresting. In the 1930s the photographer Martin Munkácsi

pioneered a gritty, photojournalistic style. In the 1960s Richard Avedon encouraged his models to express their personalities by smiling and laughing, which had often been discouraged previously. Helmut Newton brought an explosion of sexuality into fashion images and turned the tables on traditional gender stereotypes in the 1970s, and in the 1980s Bruce Weber and Herb Ritts made male sexuality an important part of fashion photography. Today, following the integration of digital technology, teams like Inez & Vinoodh and Mert & Marcus are reshaping our notion of what is acceptable—not just aesthetically but also technically and conceptually—in a fashion photograph. This lavishly illustrated survey of one hundred years of fashion photography

updates and reevaluates this history in five chronological chapters by experts in photography and fashion history. It includes more than three hundred photographs by the genre's most famous practitioners as well as important but lesser-known figures, alongside a selection of costumes, fashion illustrations, magazine covers, and advertisements.

King of the Sunset Strip Amherst Media
Who would have thought that an acting career that began as a teenage star on "The Mickey Mouse Club" would lead to the role of assistant to Southern California crime-boss Mickey Cohen?

"King of the Sunset Strip" takes readers through the author's dramatic Hollywood story to the curtain call that eventually led him out of the life of crime.

Hurrell's Hollywood Portraits St. Martin's Press

The brightest stars of the 1950s live on in this wonderful, black-and-white gallery of publicity shots. Includes 114 major stars: Marlon Brando, James Dean, Clark Gable, Marilyn Monroe, Kirk Douglas, and dozens more.

A Rose for Mrs. Miniver Graymalkin Media

Frank Sinatra at a recording session, Marilyn Monroe giggling with Betty Grable, Clark Gable making an entrance at a premiere: showbiz photographer Murray Garrett had a knack for catching movie idols in unguarded moments. He has been a fly on the wall at many private Hollywood parties over the years. The photographs he took of Hollywood's heyday, including shots of Bing Crosby,

Bob Hope, Ava Gardner, Gregory Peck and Bogey and Baccall, are intimate and sometimes irreverent. The personal

reminiscences that accompany the photographs in this collection offer the reader an insight into the private lives of the stars.
