"Poems that fall into the

canon somewhere
between personal and
pastoral, that draw the
reader to challenge her
ideas about what creates

a voice, how nature connects to our senses, to our being."

Metaphors for Personal & Professional

Evolution Drawn & Quarterly

With this first book in Russell Brand's Trickster Tales series, the famed comedian, actor, and bestselling author delivers a hilarious retelling of an old fairytale favorite that will appeal to adults and children alike. Once upon a time, long ago, in a time that seemed, to those present, exactly like now except their teeth weren't

so clean and more things were wooden, there was a town called Hamelin. The people of Hamelin were a pompous bunch who loved themselves and their town so much that if it were possible they would have spent all day zipped up in a space suit smelling their own farts. But space suits hadn't been invented yet so they couldn't. Then one day without warning a gang of rats bowled into the town and began causing a right rumpus... So begins Russell Brand's wildly funny and surprisingly

wise retelling of the classic tale The Pied Piper of Hamelin. Whether you're a kid or a grown-up kid, you'll be chuckling the whole way through this zany story that bypasses Brand's more adult humor for the outrageous, the madcap, and the just plain silly. Maybe you've heard about the Pied Piper before, with his strange music and those pompous townspeople and pesky rats. Or maybe you haven't. But one thing is for sure: you've never heard it quite like this.

Donald and Mickey: the Walt Disney's Comics and Stories 75th Anniversary Collection Pan Macmillan
Her father's only daughter. Her country's only hope.

_____ Ireland, 1152 The King of Leinster, awaiting news of his newborn child, is disappointed to hear he has a daughter. Diarmait MacMurchada wanted another strapping son to shoulder a spear, wield a sword, and protect his kingdom. But from the moment Diarmait held the newborn Aoife knew she

would be his most precious treasure. 1166 Forced into exile Aoife and her family find themselves at the mercy of Henry II. Aoife - aware of her beauty but not its power - intrigues and beguiles Henry in equal measure. For Aoife he agrees to help her father, an alliance that leads the MacMurchadas to the charismatic Richard de Clare, a man dissatisfied with his lot and open to new horizons. Diarmait promises Richard Aoife's hand in marriage in return for his aid in Ireland, but

Aoife has her own thoughts on the matter. She may be a prize, but she is not a pawn, and she will play the men at their own game. For herself, for her family, and for her country. From the royal halls of scheming kings, to staunch Welsh border fortresses and the wild green kingdoms of Ireland, The Irish Princess is a sumptuous, journey of ambition and desire, love and loss, heartbreak and survival.

_____ Praise for Elizabeth Chadwick 'An author who

makes history come gloriously alive' The Times 'Stunning . . . Her characters are beguiling, and the story is intriguing' Barbara Erskine 'Picking up an Elizabeth Chadwick novel you know you are in for a sumptuous ride' Daily Telegraph 'I rank Elizabeth Chadwick with such historical novelist stars as Dorothy Dunnett and Anya Seton' Sharon Kay Penman 'Enjoyable and sensuous' Daily Mail 'Meticulous research and strong storytelling' Woman & Home 'A riveting read . . . A

glorious adventure not to be missed!' Candis The Hounds of the Morrigan Sphere Set on the beautiful Scottish island of Islay, The Christmas Secret is a gripping story filled with emotion from Karen Swan, bestselling author of Christmas Under the Stars. Alex Hyde is the leaders' leader. An executive coach par excellence, she's the person the Great and the Good turn to when the pressure gets too much; she can change the way they think, how they

operate, she can turn around the very fortunes of their companies. Her waiting list is months' long, but even she can't turn down the unorthodox but highly lucrative crisis call that comes her way a few weeks before Christmas, regarding the troublesome - and troubled - head of an esteemed whisky company in Scotland: Lochlan Farquhar is a maverick, an enigma and a renegade, and Alex needs to get inside his head before he brings the company to its knees. It

should be business as usual. She can do this in her sleep. Only, when she gets to the remote island of Islay, with the winter snows falling, Alex finds herself out of her comfort zone. For once, she's not in control - Lochlan, though darkly charismatic, is unpredictable and destructive, her usual methods gaining no traction with him - and with Christmas and her deadline fast approaching, she must win his trust and find a way to close on this deal.

But as she pulls ever closer to him, boundaries become blurred, loyalties loosen and Alex finds herself faced with an impossible choice as she realizes nothing and no-one is as they first seemed. 'Fun and great escapism' -Tracy Rees, author of *The Hourglass* 'I devoured it like a tray of warm mince pies. A delicious winter tale' - Sarah Morgan, author of *Moonlight Over Manhattan* 'If you're anything like us, then a book by Karen Swan has become synonymous with

Christmas, and her latest is arguably her best yet . . . smart plots, brilliant characters and juicy romance' - Heat
Truck Coloring Book
 Valiant Entertainment Profiles the solitary student of Ralph Waldo Emerson who was well-known as a naturalist in his own time but who became posthumously famous for his writings. *The Seven Deadly Sins 31 Crossings*
 After watching an enemy for a very long time during an endless war, a soldier finally creeps out

into the night to the other man's hole and is surprised by what he finds there.

Somehow the Devil Got Me! The filthiest fruit of Robert Crumb's fertile imagination From the very beginning, even before the sexual revolution

made Robert Crumb the world's most celebrated underground cartoonist, he felt compelled to commit his sexual fantasies to paper. Once upon a time, he'd destroy them, fearful of others discovering his quirky tastes. Then he found that baring his soul provided a sort of therapy, and he has memorialized his every desire since. Crumb's personal selection of these works first appeared in 2007 in a gorgeous, but pricey, TASCHEN Collector's Edition, complete with

slipcase, lithographic print, and many strips hand-colored by Crumb himself. Now, this compact edition is offering the same high-quality obsession at a bargain price! This compendium includes the strips My Troubles With Women, If I Were a King, A Bitchin' Bod, and How To Have Fun With a Strong Girl, as well as 60 single page drawings. Recurring motifs include big strong girls, artistic wimps triumphantly subduing said girls, cavewomen, Yetis, vulture

demonesses, bitter little guys, and did we mention big strong girls?

Who was Bruce Wayne before Batman? Driven to solve the mystery of his parents' murders, teenage loner Bruce Wayne hones his detective and combat skills as he scours the underbelly of Gotham. Feeling responsible for their deaths, Bruce is determined to find out who was really behind this crime in order to absolve himself of the guilt he

feels. As part of his crusade and in tribute to his loving father, Bruce decides to rebuild his dad's first car. But Bruce quickly discovers that he can't do this alone, and it forces him to open himself up to new friendships and challenges, ultimately leading him to what he desires most: freedom! From the writer Shea Fontana (DC Super Hero Girls, Wonder Woman) and artist Marcelo DiChiara (DC Super Hero Girls, Teen Titans Go!), Batman: Overdrive is a

heartfelt story touching on the importance of friendship, trust, and forgiveness.

I for Isobel Puffin Books
Con la colaboración del propio Carlos Ruiz Zafón y del periodista Sergio Vila-Sanjuán, Sergi Dòria nos muestra los escenarios barceloneses de las novelas en un emocionante recorrido entre la ciudad real y la de la ficción, entre la actualidad y la época de la peripecia novelesca. A través de varias rutas dedicadas a los distintos barrios de la ciudad que

aparecen en los libros de Zafón, accedemos a las calles, plazas o edificios en los que se ha inspirado o que ha plasmado el novelista. Gracias al comentarista, podemos conocer detalles ocultos o aproximarnos al contexto histórico que los originó, lo que enriquece nuestra lectura de las novelas y hace más interesante el paseo ciudadano. El Born, el Raval, el Barrio Gótico, el Pueblo Nuevo, el Ensanche, la Bonanova; los lugares en los que hemos conocido a Daniel Sempere, a David Martín

y a Óscar Dray, donde se esconden El Cementerio de los Libros Olvidados o la librería de los Sempere, se revelan aquí al alcance de todos. Barceloneses y foráneos encontrarán en esta guía una forma de seguir en contacto con uno de los autores más populares del mundo. The Maxx Taschen
Matthew Thurber's Art Comic is a blunt and hilarious assault on the swirling hot mess that is the art world. From sycophantic fans to duplicitous gallerists, fatuous patrons to self-

aggrandizing art stars, he lampoons each and every facet of the eminently ridiculous industry of truth and beauty. Follow Cupcake, the Matthew Barney obsessive; Epiphany née Tiffany Clydesdale, the divinely inspired performance artist; Ivanhoe, a modern knight in search of artistic vengeance, and his squire, Turnbuckle. Each artist is more ridiculous than the last, yet they are tested and transformed by the even more absurd machinations of Thurber's fantastical art world. Can

the Free Little Pigs destroy this blighted system? Will "The Group" continue its indirect assassination of promising young artists? Can artistic integrity exist in this world amid the capitalist co-opting, petty rivalries, otherworldly portals, heavenly interventions, and murders at sea? Art Comic is brimming with references and cameos, outsize personalities and shuddering nonsense—Robert Rauschenberg smashes a beer bottle, Francesca Woodman, a wineglass. In

the center of it all, Thurber's twisted drawings and laugh-out-loud dialogue convey a complicated picture of an industry at the intersection of fantasy and reality. Part scathing condemnation, part irreverent appreciation, Thurber's comics skewer the art world in a way only an art lover can. Frieren: Beyond Journey's End, Vol. 4 Black Dog & Leventhal
In this beautiful and thorough investigation, *The Secret Language of Color* celebrates and

illuminates the countless ways in which color colors our world. Why is the sky blue, the grass green, a rose red? Most of us have no idea how to answer these questions, nor are we aware that color pervades nearly all aspects of life, from the subatomic realm and the natural world to human culture and psychology. Organized into chapters that begin with a fascinating explanation of the physics and chemistry of color, *The Secret Language of Color* travels from outer space to Earth,

from plants to animals to humans. In these chapters we learn about how and why we see color, the nature of rainbows, animals with color vision far superior and far inferior to our own, how our language influences the colors we see, and much more. Between these chapters, authors Joann Eckstut and Ariele Eckstut turn their attention to the individual hues of the visible spectrum?red, orange, yellow, green, blue, and violet?presenting each in fascinating, in-depth

detail. Including hundreds of stunning photographs and dozens of informative, often entertaining graphics, every page is a breathtaking demonstration of color and its role in the world around us. Whether you see red, are a shrinking violet, or talk a blue streak, this is the perfect book for anyone interested in the history, science, culture, and beauty of color in the natural and man-made world.
