Road Report 2000 Penguin

At dawn on an early June morning, a body lies on the tenth green of an elite golf club in the hills of New England. Golf balls fill the dead man's mouth; crusted blood encircles the bullet hole his forehead.

Vincent Nardi, once a homicide detective with the NYPD and now chief of police for town of Abenaki, sees his dream of a laid-

back second career fading as he gazes at the corpse. Things get complicated when he learns that the victim was the son of the most powerful man in town and when the man insists Nardi use the services of his former partner, a woman with whom he shares a tangled sexual history. As Nardi works to solve the murder, he finds himself encountering soldiers suffering the anguish of their combat experiences, a psychiatrist determined to help the young men and a priest with confessional knowledge of a second killing about to happen. DiClerico deftly weaves together a cast of small-town characters who alternate between helping and thwarting Nardi as he races towards the explosive conclusion of this debut novel.

NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • "Delightful . . . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded."—The New York Times Book Review "A marvelous fiction about the power of language to elevate or repress."—Geraldine Brooks, New York Times bestselling author of *People of the Book* Esme is born into a world of words. Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme's place is beneath the sorting table, unseen and unheard. One day a slip of paper containing the word *bondmaid* flutters beneath the table. She rescues the slip and, learning that the word means "slave girl," begins to collect other words that

have been discarded or neglected by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women's and common folks' experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the Dictionary of Lost Words. To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages. Set during the height of the women's suffrage movement and with the Great War looming, The Dictionary of Lost Words reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. The Dictionary of Lost Words is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world. WINNER OF THE AUSTRALIAN BOOK INDUSTRY AWARD
