Wild Chicory Penguin		#1 New York Times Bestseller From Liane Moriarty, the #1 New York Times bestselling author of <i>Big Little Lies</i> and <i>Nine Perfect Strangers</i> , comes <i>Apples Never Fall</i> , a novel that looks at marriage, siblings, and how the people we love the most can hurt us the deepest. The Delaney family love one another dearly—it’s just that sometimes they want to murder each other . . . If your mother was missing, would you tell the police? Even if the most obvious suspect was your father? This is the dilemma facing the four grown Delaney siblings. The Delaneys are fixtures in their community. The parents, Stan and Joy, are the envy of all of their friends. They’re killers on the tennis court, and off it their chemistry is palpable. But after fifty years of marriage, they’ve finally sold their famed tennis academy and are ready to start what should be the golden years of their lives. So why are Stan and Joy so miserable? The four Delaney children—Amy, Logan, Troy, and Brooke—were tennis stars in their own right, yet as their father will tell you, none of them had what it took to go all the way. But that’s okay, now that they’re all successful grown-ups and there is the wonderful possibility of grandchildren on the horizon. One night a stranger named Savannah knocks on Stan and Joy’s door, bleeding after a fight with her boyfriend. The Delaneys are more than happy to give her the small kindness she sorely needs. If only that was all she wanted. Later, when Joy goes missing, and Savannah is nowhere to be found, the police question the one person who remains: Stan. But for someone who claims to be innocent, he, like many spouses, seems to have a lot to hide. Two of the Delaney children think their father is innocent, two are not so sure—but as the two sides square off against each other in perhaps their biggest match ever, all of the Delaneys will start to reexamine their shared family history in a very new light.

Truly, Madly, Deadly Createspace Independent Publishing Platform		"A novel of family and place and belonging." —Rebecca Makkai, Pulitzer Prize finalist "Tender and suspenseful." —Chloe Benjamin, New York Times bestselling author Some places never leave you... After a disastrous summer spent at her family’s home on Cape Cod when she is seventeen, Ann Gordon is very happy to never visit Wellfleet again. If only she’d stayed in Wisconsin, she might never have met Anthony Shaw, and she would have held onto the future she’d so carefully planned for herself. Instead, Ann ends up harboring a devastating secret that strains her relationship with her parents, sends her sister Poppy to every corner of the world chasing waves (and her next fling), and leaves her adopted brother Michael estranged from the family. Now, fifteen years later, her parents have died, and Ann and Poppy are left to decide the fate of the beach house that’s been in the Gordon family for generations. For Ann, the once-beloved house is forever tainted with bad memories. And while Poppy loves the old saltbox on Drummer Cove, owning a house means settling, and she’s not sure she’s ready to stay in one place. Just when the sisters decide to sell, Michael re-enters their lives with a legitimate claim to a third of the estate. He wants the house. But more than that, he wants to set the record straight about what happened that long-ago summer that changed all of their lives forever. As the siblings reunite after years apart, their old secrets and lies, longings and losses, are pulled to the surface. Is the house the one thing that can still bring them together—or will it tear them apart, once and for all? Told through the shifting perspectives of Ann, Poppy, and Michael, this assured and affecting debut captures the ache of nostalgia for summers past and the powerful draw of the places we return to again and again. It is about second homes, second families, and second chances. Tender and compassionate, incisive and heartbreaking, <i>The Second Home</i> is the story of a family you'll quickly fall in love with, and won't soon forget.

I Liked My Life Ballantine Books

An immigrant journey from Ireland to Australia in the early 1900s, along threads of love, family, war and peace, *Wild Chicory* is a slice of ordinary life rich in history, folklore and fairy tale. And it's a portrait of the precious relationship between a granddaughter, Brigid, and her grandmother, Nell. From the windswept, emerald coast of County Kerry, to the slums of Sydney's Surry Hills; and from the bitter sectarian violence of Ulster, to tranquillity of rural New South Wales, Brigid weaves her grandmother's tales into a small but beautiful epic of romance and tragedy, of laughter and the cold reality of loss. It's tales, tall and true, that spur Brigid to write her own, too. Ultimately, here is a story of finding your feet in a new land – be that a new country, or a new emotional space – and the wonderful trove of narrative each of us carries with us wherever we might go.

"Here's the best news you've heard all year: Not a single page disappoints....The only difficulty with *Truly Madly Guilty?* Putting it down." —Miami Herald "Captivating, suspenseful...tantalizing." —People Magazine The new novel from Liane Moriarty, the #1 New York Times bestselling author of *The Husband's Secret*, *Big Little Lies*, and *What Alice Forgot*, about how sometimes we don't appreciate how extraordinary our ordinary lives are until it's too late. Six responsible adults. Three cute kids. One small dog. It's just a normal weekend. What could possibly go wrong? In *Truly Madly Guilty*, Liane Moriarty turns her unique, razor-sharp eye towards three seemingly happy families. Sam and Clementine have a wonderful, albeit, busy life: they have two little girls, Sam has just started a new dream job, and Clementine, a cellist, is busy preparing for the audition of a lifetime. If there's anything they can count on, it's each other. Clementine and Erika are each other's oldest friends. A single look between them can convey an entire conversation. But theirs is a complicated relationship, so when Erika mentions a last minute invitation to a barbecue with her neighbors, Tiffany and Vid, Clementine and Sam don't hesitate. Having Tiffany and Vid's larger than life personalities there will be a welcome respite. Two months later, it won't stop raining, and Clementine and Sam can't stop asking themselves the question: What if we hadn't gone? In *Truly Madly Guilty*, Liane Moriarty takes on the foundations of our lives: marriage, sex, parenthood, and friendship. She shows how guilt can expose the fault lines in the most seemingly strong relationships, how what we don't say can be more powerful than what we do, and how sometimes it is the most innocent of moments that can do the greatest harm.

Big Little Lies Allen & Unwin

NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST A New York Times Bestseller "A "well rounded and entertaining" (New York Times) Hollywood biography about the passionate, turbulent marriage of Laurence Olivier and Vivien Leigh. In 1934, a friend brought fledgling actress Vivien Leigh to see Theatre Royal, where she would first lay eyes on Laurence Olivier in his brilliant performance as Anthony Cavendish. That night, she confided to a friend, he was the man she was going to marry. There was just one problem: she was already married—and so was he. TRULY, MADLY is the biography of a marriage, a love affair that still captivates millions, even decades after both actors' deaths. Vivien and Larry were two of the first truly global celebrities – their fame fueled by the explosive growth of tabloids and television, which helped and hurt them in equal measure. They seemed to have it all and yet, in their own minds, they were doomed, blighted by her long-undiagnosed mental-illness, which transformed their relationship from the stuff of dreams into a living nightmare. Through new research, including exclusive access to previously unpublished correspondence and interviews with their friends and family, author Stephen Galloway takes readers on a bewitching journey. He brilliantly studies their tempestuous liaison, one that took place against the backdrop of two world wars, the Golden Age of Hollywood and the upheavals of the 1960s – as they struggled with love, loss and the ultimate agony of their parting.
