JOSEPH TOWNSEND

Barbie Chang Penguin

"Barbie and her creator, the sharp-elbowed gal who built the biggest toy company, have a story to tell." —Time Barbie and Ruth is the remarkable true story of the world's most famous toy and the woman who created her. It is a fascinating account of how one visionary woman and her product changed an industry and sparked a lasting debate about women's roles. At once a business book, a colorful portrait of an extraordinary female entrepreneur, and a breathtaking look at a cultural phenomenon, Barbie and Ruth is a must read for anyone who ever owned a Barbie doll. This is the entwined tale of two exceptional women. One was a voluptuous eleven-inch-tall beauty who debuted at the 1959 Toy Fair in New York City and quickly became the treasure of 9 out of 10 American girls and their counterparts in 150 countries. She went on to compete as an Olympic athlete, serve as an air force pilot, work as a boutique owner, run as a presidential candidate, and ignite a cultural firestorm. The other was Ruth Handler, the tenth child of Polish Jewish immigrants. A brilliant, creative, ruthless, and passionately competitive visionary, Ruth was a mother and wife who wanted it all—a masterful entrepreneur who, together with her curvaceous plastic creation, changed American business and culture forever.

The Story of Barbie and The Woman Who Created Her (Barbie) Mattel, Inc.

Barbie stars as Blair Willows, a kind-hearted girl who is chosen to attend Princess Charm School. Blair loves her classes -- as well as the helpful magical sprites and her new friends. When Blair and her friends discover that Blair looks a lot like the kingdom's missing princess, they work together to find an enchanted crown and prove Blair's true identity in this charming and magical princess story!

The Body Burden Yale University Press

A THOROUGHLY GROWN-UP LOOK AT A TWENTIETH-CENTURY MUSE OF OUTSTANDING PROPORTIONS To some she's a collectible, to others she's trash. In *The Barbie Chronicles*, twenty-three writers join together to scrutinize Barbie's forty years of hateful, lovely disastrous, glorious influence on us all. No other tiny shoulders have ever, had to carry the weight of such affection and derision and no other book has ever paid this notorious little place of plastic her due. Whether you adore her or abhor her, *The Barbie Chronicles* will have you looking at her in ways you never imagined.

Cookie Boo Speak

With Barbie, you can be anything! Barbie has had many different careers over the years—from a surgeon to an astronaut—proving that anything is possible for you and Barbie! Packed with countless interesting Barbie-related facts.

You Don't Own Me: How Mattel v. MGA Entertainment Exposed Barbie's Dark Side HarperCollins

In this fun and color-charged cookbook, Barbie teaches kids how to bake and make good choices while creating intergenerational experiences in the kitchen. Barbie tells kids, "You can do anything if you dare to dream!" In this cookbook, Barbie teaches kids how to bake yummy, easy-to-make treats, including chewy granola bars, gluten-free-meringues, fresh fruit pie pockets, Barbie's very special birthday cake, and mid-morning snacks like scones and banana bread. Appealing to five- to eleven-year-old Barbie fans and budding bakers, *Barbie Bakes!* fosters an intergenerational cooking experience while simultaneously educating kids on essential baking techniques and making healthy choices. With fifty recipes presented alongside stylized, colorful images and inviting illustrations, Barbie creates an engaging and inspiring atmosphere for kids to learn, setting them up for a lifetime of rewarding experiences in the kitchen. Praise for *Barbie Bakes!* "Chock full of . . . family faves. . . . Not only can bakers pour over the bright photos and easy-to-understand recipes, but they can also learn from the pantry staples and substitution sections that make baking a breeze." —Red Tricycle "Barbie Bakes! fosters an inter-generational cooking experience while simultaneously educating kids on essential baking techniques and making healthy choices." —The Suburban

Barbie Workman Publishing

A legendary fashion designer for Barbie shares the story of her adventures working behind-the-scenes at Mattel, and spotlights the creations that transformed the world's most famous doll into a style icon in this beautifully designed book—published in commemoration of Barbie's sixtieth anniversary—illustrated with 100 full-color photographs, including many never-before-seen images of rare and one-of-a-kind pieces from the author's private archive. Dressing Barbie is a dazzling celebration of the clothes that made America's favorite doll, and the incredible woman behind them. For thirty-five years, Carol Spencer enjoyed an unparalleled reign as a Barbie fashion designer, creating some of Barbie's most iconic looks from the early 1960s until the late 1990s. Barbie's wide-ranging wardrobe—including princess gowns and daisy-print rompers, flirty sundresses and smart pantsuits—combined fashion trends and haute couture with a liberal dose of fantasy. In *Dressing Barbie*, the successful and prolific designer reminisces about her time at Mattel working with legendary figures such as Ruth Handler, Barbie's creator, and Charlotte Johnson, the original Barbie designer, and talks about her best and most beloved clothing designs from each decade. But Carol's most impressive creation is her own life. As Handler famously said, "Barbie always represented the fact that a girl has choices"—a credo Carol epitomized. In *Dressing Barbie*, she talks candidly about how she broke free of the constraints of the late 1950s to pursue a dazzling career and an independent life for herself. Over the course of her successful and prolific career, Carol won many accolades. She was the first designer to have her signature on the doll, the first to go on a signing tour, the first to design a limited-edition Barbie Doll for collectors, and the designer of the biggest selling Barbie of all time. Now, Carol is the first member of the inner circle to take fans behind the pink curtain, revealing the fashion world of Barbie, the quintessential California girl, as never before.

The Story of Barbie and the Woman who Created Her Simon and Schuster

Barbie: The Nutcracker SAGE

At the time of his death in 1998, Alfred Kazin was considered one of the most influential intellectuals of postwar America. What is less well known is that Kazin had been contributing almost daily to an extensive private journal, which arguably contains some of his best writing. These journals collectively tell the story of his journey from Brooklyn's Brownsville neighborhood to his position as a dominant figure in twentieth-century cultural life. To Kazin, the daily entry was a psychological and spiritual act. To read through these entries is to reexperience history as a series of daily discoveries by an alert, adventurous, if often mercurial intelligence. It is also to encounter an array of interesting and notable personalities. Sketches of friends, mistresses, family figures, and other intellectuals are woven in with commentary on Kazin's childhood, early religious interests, problems with parents, bouts of loneliness, dealings with publishers, and thoughts on the Holocaust. The journals also highlight his engagement with the political and cultural debates of the decades through which he lived. He wrestles with communism, cultural nationalism, liberalism, existentialism, Israel, modernism, and much more. Judiciously selected and edited by acclaimed Kazin biographer Richard Cook, this collection provides the public with access to these previously unavailable writings and, in doing so, offers a fascinating social, historical, literary, and cultural record.

The Barbie Chronicles Weldon Owen International

"With astringent understatement and wry economy, with nuance and intelligence and an enviable command of syntax and poetic line, Victoria Chang dissects the venerable practices of cultural piety and self-regard. She is a master of the thumbnail narrative. She can wield a dark eroticism. She is determined to tackle subject matter that is not readily subdued to the proportions of lyric. Her talent is conspicuous."—Linda Gregerson "Chang's voice is equal parts searing, vulnerable, and terrified."—American Poets Barbie Chang, Victoria Chang explores racial prejudice, sexual privilege, and the disillusionment of love through a reimagining of Barbie—perfect in the cultural imagination yet repeatedly falling short as she pursues the American dream. This energetic string of linked poems is full of wordplay, humor, and biting social commentary involving the quote-unquote speaker, Barbie Chang, a disillusioned Asian-American suburbanite. By turns woeful and passionate, playful and incisive, these poems reveal a voice insisting that "even silence is not silent." From "Barbie Chang Lives": Barbie Chang lives on Facebook has a house on Facebook street so she can erase herself Facebook is a country with no trees it allows her to believe people love her don't want to cover her Barbie Chang . . . Victoria Chang is the author of three previous poetry books. In 2013, she won the PEN Center USA Literary Award and a California Book Award. Chang teaches poetry at Chapman University and lives in Southern California.

Ruth's Pink Pajamas Three Rivers Press

Forever Barbie Epic Ink

Jude Deveraux continues her beloved Montgomery saga in America with this dramatic, passion-filled tale of rebellion and love—a breathtaking adventure to be savored all over again—or discovered for the first time! In colonial New England, the British are hunting a fearless, masked patriot whose daring foils them at every turn. He's known simply as the Raider. Jessica Taggart, a proud-tempered beauty, thrills to the Raider's scorching midnight embrace, but despises Alexander Montgomery, the drunken town buffoon. In truth, the cleverly disguised Montgomery lives two lives...and only his triumph over the hated Redcoats will free him, at last, to know the full pleasure of Jessica's love.

Leadership the Eleanor Roosevelt Way ABDO

An eye-popping, unauthorized exposé of the House of Barbie from the New York Times–bestselling author of *The Kardashians* and *Crazy Rich*. From Boise to Beijing, Mattel's toys dominate the universe. Its no fun-and-games marketing muscle reaches some 140 countries, and its iconic products have been a part of our culture for generations. Now, in this intriguing and entertaining exposé, New York Times–bestselling author Jerry Oppenheimer places the world's largest toy company under a journalistic microscope, uncovering the dark side of toy land, and exploring Mattel's oddball corporate culture and eccentric, often bizarre, cast of characters. Based on exclusive interviews and an exhaustive review of public and private records, *Toy Monster* exposes Mattel's take-no-prisoners, shark-infested corporate style. Throughout this scrupulously reported, unauthorized portrait, you'll discover how dangerous toys are actually nothing new to Mattel, and why its fearsomely litigious approach within the brutal toy business has helped their products dominate potential rivals such as Bratz. Engaging and accessible, *Toy Monster* shows you why today's toy business isn't always fun and games. "Oppenheimer . . . has now trained his sights on the world's biggest toy company—its egos, scandals and flawed products. In his toyland, nothing is cute." —The Wall Street Journal "Oppenheimer takes a tour of Mattel's seamier side, highlighting its dubious corporate practices and kooky cast in this scathing portrait . . . Fast-paced and engaging, this exposé will absorb readers until the last page and will forever change the way they think about the company." —Publishers Weekly "Thoroughly researched, beautifully written, Oppenheimer's opus contains all the intrigue and drama of an epic novel." —C. David Heymann, New York Times–bestselling author

Dressing Barbie HarperFestival

The Social Graces Copper Canyon Press

Barbie. The ideal American woman. Can you imagine what it is like to live in Barbie's shadow- the shadow of the ideal? Stacey Handler, granddaughter of Ruth Handler, creator of the original Barbie doll, knows what life after Barbie is like, as she has lived for 30 years in that shadow. Stacey now reveals in this new book The Body Burden, her personal story of a lifetime battle with body image. She openly discloses her own feelings about the Barbie doll, her grandmother's innocent perfect creation. She shares her moments of low self-esteem, including the fears, insecurities, and distorted body image that have been bestowed on her. She also speaks out about hating with and battling juvenile diabetes, as well as her verbally abusive former marriage which further increased her body image problem. The book itself is composed of Stacey's poetry and personal thoughts. She shares her honest feelings and concerns, focusing on both her struggles and triumphs in hope of aiding other women who are in similar pain. Not only does she discuss her weakness with food, but she also explores more universal feelings that women have about their bodies. She discusses society's unrealistic expectations and about how women feel about being expected to walk that perfect thin line. Her writing goes way beyond her own personal struggles. The Body Burden has something for all shapes and sizes. The plus-size woman, the anorexic, bulimic, the overeater and even the women without a body image disorder can relate to Stacey's real-life issues and strikingly real universal thoughts. Stacey's personal story brings a lesson of life, learning and love to us all. She believes in finding your own strength and following it to success. Through personal candid stories, secret thoughts, and past experiences, Stacey takes her readers through a journey of truth and discovery. The Body Burden is Stacey's story of growing up with a battle of body image, experiencing pain, discomfort, confusion, loneliness, and finally hope.
