*The Fun Bits of History You Don't Know about Tudors and Stuarts*  
Cherrytree Books  
Readers will delight in the dreadful details of Tudor life - from cruel kings and queens like horrible Henry VIII to poor peasants and common criminals - in the Terrible Tudors. The Slimy Stuarts is full of foul but fascinating facts about lousy life for the plague-ridden

Stuarts, revolting Roundheads and crafty Cavaliers. With curious quizzes, gruesome games and terrible tests, history is now in a horrible new edition!

Tudors and Stuarts

Heinemann

Educational Publishers

The first in the Discovery Britain series, this book describes one of the most absorbing and dramatic periods in British history. It is illustrated with paintings, maps, cutaways and photographs.

Horrible Histories: Slimy Stuarts (New Edition) E.D.C.

Publishing

This looks at the dynasties of the Tudors and the Stuarts and their impact on English history. They're suitable for younger audiences too. From

the preface: "As in the other books in this series, the aim has been to select for detailed description the great men and outstanding events, and to make them live again in the imagination of the pupils. And to aid this purpose, special attention is paid to social history. The Tudor Period is admittedly a difficult one for children. Attention has been focused on the simpler aspects of the Reformation, such as the use of the English Bible and Service Book, and the relation of the Church to the Sovereign. The greatest political drama in our history- the struggle between the Stuarts and Parliament-is here presented with a

fullness and vividness which it deserves in a book intended for the future citizens of a democratic country and a great empire. No period of history is richer in lessons for the future citizen; and every care has been taken to make plain the meaning and work of Parliament, Cabinet, Party Government, etc., and to show the tiny beginnings of our empire. The great Civil War is the most important war ever fought on our soil; and moreover it has left traces in almost every part of the country. It is probably the events which happened in their own neighborhood that the children will best remember. The children should be taught to use the Maps, the Genealogical

Tables, the Table of Chief Dates, and the Index for reference and revision purposes. The dynastic outline in the Table on p. 22 will help to explain the numerous plots and beheadings which show the grim side of Tudor rule. Numerous contemporary portraits, prints and coins have been drawn upon for the illustrations, and the facilities afforded by the authorities of the British Museum for this purpose are acknowledged with gratitude."

*Tudors Picture Book*  
Wayland  
Library Friendly Edition  
of original- From battles and beheadings, to plots and plague, this book tells the story of life in Britain under the Tudors and Stuarts.

*A Brief History of  
Britain 1485-1660*

Robinson

Discover the pivotal political, military, and cultural events that shaped British and Irish history, from Stone Age Britain to the present day, in this revised and updated ebook.

Combining over 700 photographs, maps, and artworks with accessible text, the *History of Britain and Ireland* is an invaluable resource for families, students, and anyone seeking to learn more about the fascinating story of the England, Scotland, Wales, and Ireland. Spanning six distinct periods of British and Irish history, this ebook is the best way to find out how Britain transformed with the Norman rule, fought two world wars in the

20th century, and faced new economic challenges in the 21st century. DK's visual guide places key figures - from Alfred the Great to Winston Churchill - and major events - from Roman invasion to the Battle of Britain - in their wider context, making it easier than ever before to learn how they influenced Britain and Ireland's development through the age of empire into the modern era.

*History of Britain and Ireland* Dufour Editions

**The Tudors and**

**Stuarts** CreateSpace

This series provides a fact-filled introduction to British history, from the end of the last Ice Age to the 1990s. Read

about Henry VIII and his six wives, when the Armada set sail, and who fought in the Civil War.

### **Tudors and Stuarts**

Weidenfeld & Nicolson

Praise for the author::

'For anyone researching the subject, this is the book you've been waiting for.'

Washington Post From the death of Richard III on Bosworth Field in 1485 to the execution of Charles I after the Civil Wars of 1642-48, England was transformed by two dynasties. First, the Tudors, who had won the crown on the battlefield, changed both the nature of kingship and the nation itself. England became Protestant and began to establish itself as a trading power; facing down seemingly

impossible odds, it defeated its enemies on land and sea. But after a century, Elizabeth I died with no heir and the crown was passed to the Stuarts, who sought to remould the kingdom in their own image. Leading authority on the history of the British Isles in the sixteenth and seventeenth centuries, Ronald Hutton brilliantly recreates the political landscape of this early modern period and shows how the modern nation was forged in these febrile, transformative years. Combining skilful pen portraits of the leading figures of the day with descriptions of its culture, economics and vivid accounts of everyday life, Hutton provides telling insights into this critical period on

Britain's national history. This the second book in the landmark four-volume Brief History of Britain which brings together leading historians to tell Britain's story, from the Norman Conquest of 1066 to the present day. Combining the latest research with accessible and entertaining story-telling, the series is the ideal introduction for students and general readers.

The Cabinet of Curiosities John Wiley & Sons

Spanning 500 years of British history, a revealing look at the secret lives of some great (and not-so-great) Britons, courtesy of one of the world's most engaging royal historians Beleaguered by scandal, betrayed by faithless spouses,

bedeviled by ambitious children, the kings and queens of Great Britain have been many things, but they have never been dull. Some sacrificed everything for love, while others met a cruel fate at the edge of an axman's blade. From the truth behind the supposed madness of King George to Queen Victoria's surprisingly daring taste in sculpture, Behind the Palace Doors ventures beyond the rumors to tell the unvarnished history of Britain's monarchs, highlighting the unique mix of tragedy, comedy, romance, heroism, and incompetence that has made the British throne a seat of such unparalleled fascination. Featuring:

- stories covering every monarch, from

randy Henry VIII to reserved Elizabeth II • historical myths debunked and surprising “Did you know . . . ?” anecdotes • four family trees spanning every royal house, from the Tudors to the Windsors  
*Tudors and Stuarts*  
 CreateSpace  
 The Family life series uses a variety of historical sources to show what family, social and domestic life was like during different periods of history.

**A Short History of England** Scholastic UK  
 Film can be an invaluable teaching resource. *Tudors and Stuarts on Film* provides analyses of films about the Tudor and Stuart period from leading historians. The accuracy of each film is assessed, and they are

also placed within the context of the period in which they were made, and the influence they have had on popular conceptions of early modern England.

*Tudors and Stuarts*  
 Heinemann

Educational Publishers  
 Because teachers have so many things to do, creating new, inspiring lessons can often take a back seat. This book is designed to assist you in providing lesson ideas on everything from the Roman Empire to Martin Luther King. With more than 70 curriculum-linked lessons suitable for teaching 11-14-year-olds, this fabulously user-friendly resource features activities and teaching strategies based on the latest research and best practice. The practical, task-based

activities are aimed at supporting and reinforcing your teaching, and promoting pupils' enjoyment of the subject; encouraging their curiosity and imagination and helping them to develop enquiring minds and engage with the past. There are activities for individual, pair and group work, and the worksheets are all photocopyable and downloadable. This is an essential resource for all secondary school history teachers: newly qualified, experienced and in training.

**The Fun Bits of History You Don't Know about Tudors and Stuarts**

PublicAffairs

The first in the new Discovery Britain series, this book describes one of the

most absorbing and dramatic periods in British history. Illustrated with paintings, maps, cutaways and photographs; this book presents a vivid picture of life at that time. Benefiting from Internet linking, this book contains a selection of recommended websites which enhance the information in the book, but for anyone who does not have use of the Internet, it stands as a reference tool on its own.

Terrible Tudors and Slimy Stuarts Red

Globe Press

Part of the ROYAL HISTORY OF ENGLAND series, this illustrated volume details the monarchs during the Stuart dynasty, from James I & VI, 1603-25 through to Anne,

1702-14 where the line ended as all her thirteen children predeceased her. There is a genealogical table and coats of arms for reference.

### **Behind the Palace**

**Doors** Pan Macmillan  
Lady Jane Grey, is one of the most elusive and tragic characters in English history. In July 1553 the death of the childless Edward VI threw the Tudor dynasty into crisis. On Edward's instructions his cousin Jane Grey was proclaimed queen, only to be ousted 13 days later by his illegitimate half sister Mary and later beheaded. In this radical reassessment, Eric Ives rejects traditional portraits of Jane both as hapless victim of political intrigue or Protestant martyr. Instead he

presents her as an accomplished young woman with a fierce personal integrity. The result is a compelling dissection by a master historian and storyteller of one of history's most shocking injustices.

*The Terrible Tudors and the Slimy Stuarts*  
A&C Black

When Lukas Declercq is orphaned, his uncle summons him to Prague, a refuge for Europe's greatest alchemists and natural philosophers, offering to take him on as an apprentice. Uncle Anselmus is court physician to Rudolph II, the reclusive and unstable Emperor. He is also curator of Rudolph's bizarre Cabinet of Curiosities, a series of vast rooms stuffed with wonders and scientific marvels

such as a nail from Noah's Ark, phoenix feathers and monstrous freaks of nature, which fascinate Lukas. As Rudolph retreats further into his fantasy world, the threat of rebellion hangs in the air. Dorantes, a diplomat from Spain, comes with his daughter, Celestina, on a mission from Philip II to persuade Rudolph to give up his heretical ways. But he discovers the court is full of diplomats who have been waiting months or years for an audience with the Emperor. Dorantes notices how some had wormed their way into the Emperor's favour by presenting him with fantastic gifts for his Cabinet, and sets

about creating a device that he says will stop time. But it works only in the presence of the Emperor. Lukas knows the terrible truth behind Dorantes's mission. But sinister forces have plans for Lukas too, and before he can thwart the plot against the Emperor, Lukas must gamble on Celestina's loyalty in order to save his own life.
