The American Paint Horse Hermes House

Now in its fifth edition, The Complete Encyclopedia of Horse Racing is an authoritative and comprehensive illustrated work of reference. The book tells the story of the "sport of kings" from its earliest inceptions to the present day. It provides essential information on all the top jockeys and the leading owners and trainers and the famous horses. Every personality (human and equine), event and issue of importance in the history of both flat racing and steeplechasing will be referred to somewhere in the book. In addition, the off-track world of racing will be explored through the chapters dealing with gambling, scandals and disasters, social and cultural aspects, media coverage

and the business of the racing. Written by two acknowledged authorities on the racing scene, this book is the definitive work on "the horses", with every page a visually exciting and information-packed celebration of the sport. This book will be as invaluable to the fan who follows racing on television as it will be for the serious student, administrator and the media.

The Horse Encyclopedia Rebo International Bv

A standard reference on horse breeds, illustrated and updated Celebrating the animal that has been a stalwart servant to humankind for countless generations, Bonnie Hendricks's International Encyclopedia of Horse Breeds is the most thorough compilation of horse breeds ever attempted. The nearly four hundred entries, arranged alphabetically, include foundation breeds now extinct as well as extant breeds from across the globe. Each entry details the breed's origin and background, size, appearance, chief use, and status (rare versus common). A list of breed associations and government departments that supplied data and photographs for the encyclopedia has been fully updated for this edition. With its breadth and depth of coverage, as well as 530 black-and-white and 32 color illustrations, the encyclopedia continues to be a standard international reference.

The Ultimate Book of the Horse and Rider Dark Horse Comics

Illustrated in full color throughout, with more than 650 specially commissioned color photographs and diagrams, Complete Horse Care Manual is almost a Vet-in-Your-Pocket for horse owners, telling you how to provide regular care and attention for your horse, how to guard against health problems, and when the problem is serious enough to need professional attention. Providing the enthusiast with a sound understanding of how a horse functions, this manual clearly explains in non-technical terms the key elements of the horse's make-up, from legs and joints to teeth and jaws, from body systems to body language. Topics covered include the all-important but routine procedures such as clipping, trimming, and shoeing, to more vital subjects such as grazing requirements and nutritional needs. There are extremely useful 'Disorders' Fact Finder sections, there is advice on horse transport takes into account new research, and the latest information on equine passports and microchipping.

Horseman's Veterinary Encyclopedia, Revised and Updated Penguin

Part of a great new series of comprehensive and accessible encyclopedias on our favourite animals, this is your definitive guide to the horse. Discover the horse throughout history and culture, its uses, anatomy, appearance and behaviour, and take in a wealth of practical advice on how to choose and buy a horse, care, health, breeding, tack and equipment, riding and training, and competing. Succinct clear entries cover all the main breeds of horse (nearly 200), split into ponies, light horses and heavy horses and organised by country. Helpful statistics and icons provide essential information at a glance.

The Complete Book of Horses, Horse Breeds & Horse Care University of Oklahoma Press

The Kingfisher Illustrated Horse & Pony Encyclopedia is a fantastic gift for children who dream of having a horse or pony of their own. There is a clear introduction to the horse followed by chapters explaining horse and pony care, riding lessons, and breeds. The encyclopedia is packed full of gorgeous photographs of horses and ponies -- showing how they look, what they do, and where in

the world they are found. And of course every horse lover wants to ride, and The Kingfisher Illustrated Horse & Pony Encyclopedia takes the novice rider from first mount to cantering and galloping.

Encyclopedia of the Horse Hamlyn
