Storytelling, as oral tradition and in writing, has long played a central role in Jewish society. Family, educators, and

clergy employ stories to transmit Jewish culture, traditions, and values. This comprehensive bibliography identifies 668 Jewish folktales by title and subject, summarizing plot lines for easy access to the right story for any occasion. Some centuries old and others freshly imagined, the tales include animal fables, supernatural yarns, and anecdotes for festivals and holidays. Themes include justice, community, cause and effect, and mitzvahs, or good deeds. This second edition nearly doubles the number of stories and expands the guide's global reach, with new pieces from Turkey, Morocco, Libya, Tunisia, and Chile. Subject cross-references and a glossary complete the volume, a living tool for understanding the ever-evolving world of Jewish

folklore.

She and Caroline don't have to do everything together. But Caroline won't give up, and when she brings Lara the firm's first mystery, Lara relents, and the questions start piling up. But Lara and Caroline's truce doesn't last for long. Caroline normally uses her tablet to talk,

but now she's busily texting a new friend. Lara can't figure out what the two of them are up to, but it can't be good. And Caroline doesn't like Lara's snooping—she's supposed to be solving other people's crimes, not spying on Caroline! As FIASCCO and the Finkel family mysteries spin out of control, can Caroline and Lara find a way to be friends again?

This Is Real and You Are Completely Unprepared Kar-Ben Publishing

Every Shabbat in synagogues around the world and across America, sermons from the local rabbi are an important component of worship. This book brings together thirty-five sermons preached to the congregation of a typical small southern city, Lake Charles, Louisiana. Included are several sermons based upon the weekly parashah (assigned biblical portion from the Pentateuch), a series of messages brought during the high holy days (Rosh Hashanah and Yom Kippur) of 2007, three funeral sermons,

a special Yom ha-Sho'ah (Holocaust-memorial) address, and a short talk about freedom, given on July 4, 2008. Each message represents the author's attempt to link the concerns of the modern world back to the classical, biblical roots of the Jewish faith, thereby invoking the principles of biblical faith to serve as guidelines in the twenty-first century.

Gershon's Monster Kar-Ben Publishing ™
Young Reuven has a problem. Every year, on the day before Rosh Hashanah, the beloved rabbi of the village of

Nemirov disappears until nightfall and no one knows where he goes. The villagers suspect that he ascends to heaven to beg forgiveness for their sins, but Reuven's friends want the truth. They appoint him to solve the mystery — after all, he is the smallest and fastest of the group — but how? That evening, when Reuven watches the rabbi through the synagogue window, he gets an idea. Determined to follow him at daybreak, Reuven is baffled as the rabbi, disguised as a simple woodcutter, passes the synagogue, the cheder, and Beryl the Baker's house — his usual stops — only to enter the great forest. Where could the rabbi of Nemirov possibly be going? Adapted from a beloved story by I.L. Peretz, Richard Ungar once again captures the joyous spirit of the Jewish

folktale with lighthearted humor and a rich palette of colors as vibrant as the story he tells.

Izzy's favorite part of Rosh Hashanah is Tashlich, a joyous ceremony in which people apologize for the mistakes they made in the previous year and thus clean the slate as the new year begins. But there is one mistake on Izzy's "I'm sorry" list that he's finding especially hard to say out loud. Humor, touching

moments between family and friends, and lots of information about the Jewish New Year are all combined in this lovely picture book for holiday sharing. Winner of the Sydney Taylor Gold Medal for best Jewish picture book of the year!
