ZACHARY ALVARADO

You Can't Have My Planet Seven Dials

Every day a child is exposed to law enforcement coming into the home and handcuffing their dad and taking him away. Can you imagine what is going on in the child's mind or the image they are developing of the officers? We need to make children understand that crime in our society does not only affect the person committing it but also affects the family. We need to reach out and take a moment to explain the real issues at hand and what the things that need to be in place in order to make a change are. Communication is the key. Children have a negative view about officers. The blame is placed on the police for doing their job. In reality, they wouldn't be there if a crime hadn't been committed. But at the same time, it's important to see what effects it has on family members. Children need to be reassured that the father has an important role in the family by working with social service and the police department to work together to make something positive happen for all parties. Ricardo is a young child who is trying to cope with his dad being handcuffed and dragged away to jail. Ricardo doesn't understand what is going on; he sees the police officers as the bad guys. Ricardo doesn't realize that his father has broken the law and that it's the police's job to capture criminals and incarcerate them. Ricardo's mom explains to him why his dad was taken away. She sets the tone that if they both keep in touch with his dad and let him know how much they love him and how they could help him after he is released, his dad would be with them forever.

Please God, Don't Let My Badge Tarnish Thomas Nelson Uses a Christian perspective to address such adolescent problems as dysfunctional homes, suicide, sex, and substance abuse.

Please Don't Sit on My Bed in Your Outside Clothes Xlbris Corporation

Three-year-old Lexie, five-year-old Amelie and thirteen-year-old Leo come to Maggie after Leo confesses to a teacher that his mother's addiction problems and her latest violent relationship has left him as the sole carer to his younger sisters. Maggie welcomes the three children into her home, and is touched by the gentle care Leo shows to the two little girls. It is clear that Lexie and Amelie adore their big brother, and rely on him for comfort and reassurance. But Leo has experienced the neglect and abuse of his mother and her partner for far longer than his sisters, and is struggling with an eating disorder and showing signs of OCD. When Social Services begin to look at adoptive families for the children, Maggie is horrified when they suggest that the two angelic little girls will have a much better chance of being adopted without their damaged older brother. Knowing the impact that losing his sisters forever will have on vulnerable Leo, they face the ultimate dilemma. Should the children stay together and dash the hope of them ever having a forever family? Or do they sacrifice the close bond between the siblings to give the girls a chance to be adopted?

When author Kevin LaChapelle begins his career as a police officer in El Cajon, California, he fulfills a lifelong dream. But the dream soon turns into a nightmare when he discovers corruption within the ranks of the El Cajon Police Department. Please God, Don't Let My Badge Tarnish is the story of LaChapelle's struggle to work in the department after his shocking discovery. Rather than turn his back on the scandal and save his career, LaChapelle begins a courageous fight to bring the officers to justice. At the same time, he earns awards for his work in helping young people turn away from gangs and violence. In 1994, at the urging of his fellow citizens, LaChapelle runs for the local school board. Soon he is engaged in a new battle after he uncovers major financial problems in the district and discovers that greedy officials are siphoning money intended to fund school programs. In the wake of these two major battles, LaChapelle founds the Special Investigations Agency, which is dedicated to helping communities nationwide fight corruption in their local government officials and uncover scams against citizens, particularly the elderly and disadvantaged minorities. His fight for justice continues today.

"A book for middle-aging youth activists who are still passionate about fighting for a revolutionary new society. . . Billy Wimsatt has grown up." —CounterPunch As a potty-mouthed graffiti writer from the South Side of Chicago, William Upski Wimsatt electrified the literary and hip-hop world with two of the most successful underground classic books in a generation, *Bomb the Suburbs* (1994) and *No More Prisons* (1999), which, combined, sold more than ninety thousand copies. In *Please Don't Bomb the Suburbs*, Wimsatt weaves a first-person tour of America's cultural and political movements from 1985-2010. It's a story about love, growing up, a generation coming of age, and a vision for the movement young people will create in the new decade. With humor, storytelling, and historical insight, Wimsatt lays out a provocative vision for the next twenty-five years of personal and historical transformation. Never heard of Billy Wimsatt before? Your life just got better. "Longtime political organizer, activist, graffiti artist, and progressive, Wimsatt delivers a wake-up call for the millennial generation two years after his seminal *Bomb the Suburbs*." —Publishers Weekly "Wimsatt's level of sincerity and enthusiasm is refreshing and bracing, and the book stands as a reminder that anybody who wants to help improve the world can find plenty of ways to get busy, and also have a great time doing it." —Literary Kicks

Once a taboo subject, victims of rape and molestation were left without a voice with nowhere to turn and no one to help them. In *Take a Walk in My Shoes*, author B. J. Parker shares her personal story of being raped and molested by her stepfather at a young age. She exposes the controversial topic of molestation, its long-

term adverse effects on interpersonal relationships, its role in promoting self-destructive behaviors, and the need to find control. In this inspirational memoir, Parker, now fifty-three years old, comes to terms with her early abuse and tells about taking the crucial steps needed to find her way back. *Take a Walk in My Shoes* narrates Parker's story and how she adopted a life of alcohol and drugs to ease the constant emotional pain and how she chose to be homeless rather than live in a dwelling that had everything, including her abuser. Her story follows her journey through childhood and as a runaway teenager, a high school dropout, and a single mother. *Take a Walk in My Shoes* tells how she overcame the stigma of abuse by sharing the message that successes are possible for each and every victim. Parker explains how to embrace life, believe in yourself, dig deep within your soul, and hold tight to your dreams.

The Living Age Lulu.com

Experience the inner world of a woman with schizophrenia in this brutally honest, lyrical memoir. Have you ever wondered what it is like in the mind of a person with Schizophrenia? How can one survive day after day unable to distinguish between one's inner nightmares and the everyday realities that most of us take for granted? In her brutally honest, highly original memoir, Kristina Morgan takes us inside her head to experience the chaos, fragmented thinking, and the startling creativity of the schizophrenic mind. With the intimacy of private journal-like entries and the language of a poet, she carries us from her childhood to her teen years when hallucinations began to hijack her mind and into adulthood where she began abusing alcohol to temper the punishing voices that only she could hear. This is no formulaic tale of tragedy and triumph: We feel Kristina's hope as she pursues an education and career and begins to build strong family connections, friendships and intimacy—and her devastation as the insistent voices convince her to throw it all away, destroying herself and alienating everyone around her. Woven through the pages of her life are stories of recovery from alcoholism and the search for her sexual identity in relationships with both women and men. Eventually, her journey takes her to a place of relative peace and stability where she finds the inner resources and support system to manage her chronic illnesses and live a fulfilling life.

Meet the princess who rescues herself and the female dragon who would be king in this first fantasy adventure in the *Enchanted Forest Chronicles*. The traditional duties of a princess fail to please Cimorene, the daughter of a very proper king. She is quite sure that there's more to the world than curtsying and courting. And what she finds in her chosen career as a dragon's princess is sometimes more than she can handle. But fear not! Our intrepid heroine has just what it takes to keep her dragon, Kazul, safe and happy, while learning to fireproof herself, organize the treasure trove, and stay free from the clutches of pesky princes. This updated edition features a new introduction by the author. "The story is full of excitement, sly references to the staples of fantasy and fairy tales, and good humor. Cimorene is of a sisterhood that includes Menolly, the dragonsinger of Anne McCaffrey's *Dragonsong*; and Avi's Morwenna of *Bright Shadow*, but Wrede's delightful voice is all her own." —School Library Journal (starred review). "What a charmer! A decidedly diverting novel with plenty of action and . . . laugh-out-loud reading pleasure." —Booklist (starred review) "Smoothly written and ingenious fantasy. Both Cimorene and her dragon are firmly drawn, tough-minded females who refuse to conform to stereotypes (being female doesn't prevent a dragon from becoming king). The touch of feminist persuasion only adds to the story's charm." —Kirkus Reviews "This was a delightful read, in every sense." —SFF Book Reviews

Please Don't Take My Daddy! Archway Publishing

'I'm going to love my baby and give her lots of attention,' Jade said. 'I'll show my mum she's wrong.' Jade, 17, is pregnant, homeless and alone when she's brought to live with Cathy. Jade is desperate to keep her baby, but little more than a child herself, she struggles with the responsibilities her daughter brings.

A determined duck pleads for grapes at the most unlikely of places: a lemonade stand. The story and song in this comical, musical picture book will delight both adults and children, who can play the song aloud while learning important lessons about persistence and compassion.

Official Report of the ... Annual Meeting of the New York State Music Teachers' Association HarperCollins UK

What if practical inspiration could be as simple as an eye-opening, heartfelt song? From Grammy-winning star performer, husband,

and father, Tim McGraw, comes a beautiful keepsake book, inspired by his uplifting hit, "Humble and Kind." Humble and Kind is the keepsake hardcover volume that combines the emotional power of Tim McGraw's uplifting #1 single and video "Humble and Kind" to elegant line illustrations in a gift book for all seasons. Inspired by McGraw's own life experience as his eldest child embarked on her college career, every parent and graduate can relate to Humble and Kind; with tender clarity, the words reinforce lessons for mindful, compassionate living. The song's pure poetry not only propelled the single up the charts, but its accompanying video-gorgeously produced with images courtesy of Oprah Winfrey's documentary "Belief" -has been viewed by tens of millions since its release, and inspired a community movement at stayhumbleandkind.com. Featuring an introduction from McGraw and an epilogue by the songwriter Lori McKenna, Humble and Kind is a deeply affecting call to action, and the perfect memento for millions of graduates, parents, and children across the continent.

Please Don't Take My Baby and I Miss Mummy 2-in-1 Collection Penguin

Thirteen-year-old Giles, a New York City boy who feels invisible next to his talented younger sister and smart older brother, comes to the rescue when space aliens from an intergalactic realty company arrive and try to evict humans for polluting the world.

Please Give My Baby Back HarperCollins UK

The sister of "La Diva de la Banda"—legendary Mexican-American singer Jenni Rivera—opens up for the first time about Jenni's untimely death and her own triumph over abuse and addiction. Growing up as the youngest Rivera, Rosie was surrounded by unconditional love, support, and affection. There was nothing that her family wouldn't do for her, especially her sister Jenni, who was the most important thing in the world to Rosie. With her strong will and a solid foundation, Rosie was set to conquer the world. Yet life would take a drastic turn when Rivera was scarred by sexual abuse within her family at a very young age. Living in fear and confined by painful secrets, she was plagued with constant threats, confusion, and pain. Not only was she stripped of her childhood and innocence, but she was also robbed of her confidence and self-worth. Feeling completely shattered and lost, Rivera plunged into a world of damaging habits and deep depression. For the first time ever, and with unflinching candor and courage, Rosie shares the traumatic details of her abuse and the daily struggle to live and how, through faith and the love of her family, she found life once more. Yet Rosie's life would be severely impacted once again as the worst tragedy imaginable hit and her biggest fear came to reality—the death of her beloved sister. Equally harrowing and uplifting, Rosie's story is a true testament to beating the odds and proves that despite the worst of times and no matter how many more challenges life has in store, it is always possible to pick up the pieces and find the strength and purpose to dream and live again. THE NATIONAL BESTSELLER, NOW IN PAPERBACK "Another hilarious essay collection from Phoebe Robinson."—The New York Times Book Review "Strikes the perfect balance of brutally honest and laugh-out-loud funny. I didn't want it to end."—Mindy Kaling, New York Times bestselling author of *Why Not Me?* With sharp, timely insight, pitch-perfect pop culture references, and her always unforgettable voice, New York Times bestselling author, comedian, actress, and producer Phoebe Robinson is back with her most must-read book yet. In her brand-new collection, Phoebe shares stories that will make you laugh, but also plenty that will hit you in the heart and inspire a little bit of rage, and maybe a lot of action. That means revealing her perspective on performative allyship, white guilt, and what happens when white people take up space in cultural movements; exploring what it's like to be a woman who doesn't want kids living in a society where motherhood is the crowning achievement of a straight, cis woman's life; and discussing how the dire state of mental health in America means that taking care of one's psychological well-being—aka "self-care"—usually requires disposable money. She also shares tales of her mom slowpoking before a visit with Mrs. Obama, the stupidly fake reassurances of zip-line attendants, her favorite things about dating a white person from the UK, and how the lack of Black women in leadership positions fueled her to become the Black lady-boss of her dreams. By turns perceptive, hilarious, and heartfelt, *Please Don't Sit on My Bed in Your Outside Clothes* is not only a brilliant look at our current cultural moment, it's also a collection that will stay with readers for years to come.
