Hoping to save his family, one man enters his realm's most glorious tournament and finds himself in the middle of a political chess game, unthinkable bloodshed, and an unexpected romance with a woman he's not supposed to want.

Lioncrest Publishing

Most of us want to be rich; we just aren't sure how to get there. Do we fake it till we make it? Do we work smarter, not harder? Do we quit our day job and pursue our dream? What if the answer to becoming rich doesn't lie in the answers to any of these questions, but instead lies in our ability to change our mindset and imitate the greats? This book will show you just that: how to become rich by changing your mindset and by imitating men who are already rich. Give and Grow Rich has been designed so that you get maximum benefit in the least amount of time. Who has time to read more than 100 pages these days? Who would want to? If you want quick solutions, no fluff, and no silly get-rich-quick techniques, then this book is for you. It's like Napoleon Hill's "Think and Grow Rich," but condensed, and more tangible. The same wisdom distilled in a third of the time (and pages). The wisdom doesn't come from me alone, for I started out a poor man just like you. To write this book, I interviewed 7 guys from 7 different income brackets, ranging from \$20,000 per year to \$1 million per year. I asked each of them the same 15 questions, and as I listened to their answers, I saw the trends between the poor, the middle, and the rich. Then, I read the biographies of 7 billionaires from 7 different sectors. Man, did I learn a lot. So I

wanted to share the lessons I learned with you. Here's what you can expect: ***You will learn how the poor, middle, and rich think about money. You will learn how they spend, save, invest, and give.***You will learn how your beliefs about money drive your actions.***You will learn how two billionaires rose to the top, then gave it all away, and tried to die penniless.***If you're a parent, you will learn how you can teach your kids about money. I benefited greatly from writing Give and Grow Rich, so I know you will benefit greatly from reading it. In fact, from the time I started writing the book, to the time I finished, my income doubled! I started thinking like a rich man, imitating rich men, and it is already benefiting me. The same is true for my friends who have implemented these lessons. One of them started out poor, the son of missionaries, and he is making nearly \$200,000 per year. Another started out poor, the son of a single mom, and he is making \$75,000 per year and has started two businesses. So if you want a jam-packed, practical, no fluff guide to becoming rich, read this book. Don't be the person who keeps repeating the past, who keeps spinning out in a financial rut. Don't think that the rich will always get richer and the poor will always get poorer. I am living proof that you can change your mind and change your income. You can imitate the greats and become great. My friends have done the same, and you can too. Be the person who becomes a success story and inspires your community. Be the person who gets out of the financial woes and wills yourself to riches. Change your mind and change your money. GIVE AND GROW RICH.

You Are a Writer (So Start Acting Like One) Simon and Schuster

"Release Your Writing, Book Publishing, Your Way" goes beyond "how-to" books with all the information you need, whether you

have: .Written a book and not attracted a publisher. .Finished a book you need out right now, for a particular market or timely topic. .Just started writing a book and need to know how to get it to market. .Grown weary of shopping a book around to agents and publishers. .Let your manuscript languish because the publishing process seemed so intimidating. Writing Your Journal Article in Twelve Weeks Henry Holt and Company

Nominated as one of America's best-loved novels by PBS's The Great American Read Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive—and even if he could get word out, his supplies would be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain-old "human error" are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?

How to Self-Publish Your Book Penguin

This book offers an inside look at how to publish scholarly articles, book reviews, grants, magazine articles, and commercial and scholarly books.

Let's Write a Short Story! Penguin

Becoming a writer begins with a simple but important belief: You are a writer; you just need to write. In "You Are a Writer," Jeff Goins shares his own story of self-doubt and what it took for him to become a professional writer. He gives you practical steps to improve your writing, get published in magazines, and build a platform that puts you in charge. This book is about what it takes to be a writer in the 21st Century. You will learn the importance of passion and discipline and how to show up every day to do the work. Here's what else you will learn: -How to transition from wanting to be a writer to actually being one -What "good" writing is (and isn't) -How to stop waiting to be picked and finally choose yourself -What it takes to build a platform -Why authors need to brand themselves (and how to do it) -Tips for freelancing, guest blogging, and getting published in magazines -Different ways to network with other writers, artists, and influencers -The importance of blogging and social media and how to use it well to find more readers and fans of your writing "You Are a Writer" will help you fall back in love with writing and build an audience who shares your love. It's about living the dream of a life dedicated to words. AND IT ALL BEGINS WITH YOU. Table of Contents Introduction Part 1: Writing You ARE a Writer: Claiming the Title Writers Write The Myth of Good It Gets Tough Part 2: Getting Read Three Tools Every Writer Needs You Need a Platform Your Brand is You Channels of Connection Part 3: Taking Action Getting Started Before Your First Book When the Pitching Ends What Next?

Writing and Publishing Your Book: A Guide for Experts in Every Field American Library Association

"The Savior's Sister is utterly unputdownable. It's compulsive, addictive, and mesmerizing. If you love romance, fantasy, and bloodshed, ignore your TBR pile, this is the only dark fantasy novel you need." - Sacha Black, BESTSELLING fantasy and nonfiction writing craft author In the thrilling companion to one of Book Depository's Best Books of All Time, experience the peril and heart-stopping romance through Leila's fresh perspective. Leila Tūs Salvatíraas, Savior of Thessen and magical Queen of Her realm, is worshiped by all. Except Her father. He wants Her dead. The Sovereign's Tournament-a centuries-long tradition designed to select The Savior's husband-is days away, but Brontes's plan to overthrow his daughter ignites, shifting the objective of the

competition from marriage to murder. With the help of Her sisters and some unexpected allies, Leila must unravel Brontes's network and prevent Her own assassination. But as the body count rises, She learns the deception runs far deeper than She imagined. When She finds Herself falling for one of the tournament competitors, Her father finds himself another target for murder. Can Leila save Herself and Her beloved, or is their untimely end-and the corruption of Her realm-inevitable? TRIGGER WARNINGS: This book contains graphic violence, sexual situations, physical abuse, adult language, and references to suicide. "The Savior's Sister is one of those gritty, sexy (and occasionally violent) books you can't put down. I can't wait to see what's next for Leila and Tobias." - Meg LaTorre, FOUNDER of iWriterly and science fiction and fantasy author

Millionaire in Flip Flops HarperCollins

Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, *The Scribe Method* is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to

put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

How to Write a Book Proposal Carol Denbow

A new world has opened to writers who wish to have their words turned into finished books. With technological advances in typesetting, printing, distribution, and sales, self-publishing has become a reality. But while converting your writing into a commercially available title may sound relatively easy--based upon the claims of some companies that offer this service--there are many important considerations you should be aware of before going to press. Publishing expert Dr. Jan Yager has created an

easy-to-follow guide that will take you from a book's conception and writing to its production and sales. Whether your work is fiction or nonfiction, *How to Self-Publish Your Book* offers sound and proven advice at every turn, enabling you to avoid common pitfalls along the way to becoming a self-published author. The book is divided into three parts. Part One takes you through the initial manuscript preparation--setting your goals, writing, sequencing, editing, and proofing, as well as creating a business plan for your book's eventual release. Part Two focuses on the actual production of your book. It explains the importance of cover and interior design, what you need to know about producing physical books and e-books, and how to turn your title into an audiobook. Part Three provides key information on how to market and sell your book--subjects that are crucial to a title's success, but of which most writers have very little understanding. Also included is a valuable resource section that guides you to

websites which offer essential information on self-publishing service providers, including complete self-publishing companies as well as freelance editors, proofreaders, printers, distributors, marketers, and publicists. Today, self-publishing workshops and lecturers charge hopeful writers hundreds of dollars, promising to turn their self-published books into bestsellers. The fact is that your book's chance of success starts at its origin, not with the finished product. However you choose to produce your book, whether through a self-publishing company or through separate services, here is a complete road map to what lies ahead--based not on hype or wishful thinking, but on Dr. Jan Yager's lifetime of experience in the world of publishing.

The Scribe Method Writer's Digest Books

This book provides you with all the tools you need to write an excellent academic article and get it published.
