YOSELIN BROOKLYNN

Varekai HarperCollins

Negro Sculpture (1915) was the first critical response to African sculpture, challenging prejudices and misconceptions around this subject. It quickly became a crucial text for the European avant-garde and today remains indispensable to understanding the shift in discussion towards non-European art taking place at the time.

Now in paperback, a story of teenage love in Cold War-era Germany. For a fifteen-year-old, falling in love can eclipse everything else in the world, and make a few short weeks feel like a lifetime of experience. In *Love Writ Large*, Navid Kermani captures those intense feelings, from the emotional explosion of a first kiss to the staggering loss of a first breakup. As his teenage protagonist is wrapped up in these all-consuming feelings, however, Germany is in the crosshairs of the Cold War--and even the personal dramas of a small-town grammar school are shadowed by the threat of the nuclear arms race. Kermani's novel manages to capture these social tensions without sacrificing any of the all-consuming passion of a first love and, in a unique touch, sets the boy's struggles within the larger frame of the stories and lives of numerous Arabic and Persian mystics. His becomes a timeless tale that reflects on the multiple ways love, loss, and risk weigh on our everyday lives.

Persuasion John Wiley & Sons

das Angeln zum Riesenspaß und die Vorfreude wächst mit jedem Kapitel.

Olive the Little Woolly Bugger Houghton Mifflin Harcourt

This is a guide book for those totally new to the art of tying flies. Until now, learning flytying from a book has not only been challenging, but often the cause of great frustration, with photographs or diagrams making even the elementary techniques difficult to grasp. Step-by-step images help a reasonably proficient flytyer understand the stages in making a fly, but for the new beginner, there will always be a gap between each step-by-step image, which can be bewildering. Seeing the manual maneuvers that take place in these pages can make the difference between success and failure for a beginner. The techniques you will learn in this book are the building blocks for which all successful fishing flies, even the most complex ones, are based.

Flytying for Beginners Springer Nature

After school, a little girl stops at her grandmother's house for a visit.

Grandma's House Johnson Books

Modern-day fly fishing, like much in life, has become exceedingly complex, with high-tech gear, a confusing array of flies and terminal tackle, accompanied by high-priced fishing guides. This book reveals that the best way to catch trout is simply, with a rod and a fly and not much else. The wisdom in this book comes from a simpler time, when the premise was: the more you know, the less you need. It teaches the reader how to discover where the fish are, at what depth, and what they are feeding on. Then it describes the techniques needed to present a fly at that depth, make it look lifelike, and hook the fish. With chapters on wet flies, nymphs, and dry flies, its authors employ both the tenkara rod as well as regular fly fishing gear to cover all the bases. Illustrated by renowned fish artist James Prosek, with inspiring photographs and stories throughout, *Simple Fly Fishing* reveals the secrets and the soul of this captivating sport.

Five Days in June Vintage

A beautifully produced biography of the 'father of modern missions'. Pearce Carey's compelling pages convey the very atmosphere of that extraordinary period of missionary advance. This life of Carey is structured around a series of remarkable events, always unplanned and unexpected, which opened the way to undreamed of achievements. Carey and his colleagues overcame mountainous obstacles to become the most productive church planters and Bible translators of all time. No other work compares with this moving treatment.

Around the World in Eighty Days Kings Road Publishing

Mañ has three mothers: the one who gave birth to her in wartime, the nun who plucks her from a vegetable garden, and her beloved Maman, who becomes a spy to survive. Seeking security for her grown daughter, Maman finds Mañ a husband - a lonely Vietnamese restaurateur who lives in Montreal. Mañ is a mystery, yet she and her husband seem to drift along, respectfully and dutifully. But when she encounters a married chef in Paris, everything changes in an instant of fleeting touch, and Mañ discovers the all-encompassing obsession and ever-present dangers of a love affair.

William Carey Stackpole Books

This book examines language contact and shift in Nepal, a multilingual context where language attitudes and policies often reflect the complex socio-cultural and socio-political relationship between minority, majority and endangered languages and peoples. Presenting the results of a 15-year study and making use of both quantitative and qualitative data, the author presents evidence relating to speakers' opinions and perceptions of mother tongues including English, Hindi, Nepali, Sherpa, Dotyali, Jumli and Tharu. This book explores an under-studied part of the world, and the findings will be relevant to scholars working in other multilingual contexts in fields including language policy and planning, language contact and change, and language attitudes and ideologies. *I Contain Multitudes* Hachette UK

This book offers a comprehensive overview of current, innovative approaches to assessing domain-specific and generic student learning and learning outcomes in higher education. The presented work from all projects of the KoKoHs program, the most significant research initiative in German higher education since 2011, describes established tools and empirical results.

'Idiosyncratic, humorous, enlightening and written by one of the finest conductors alive ... This is the book to buy if you are going to see Wagner or listen to him at home' LITERARY REVIEW Over a distinguished career conducting some of the world's finest orchestras, Christian Thielemann has earned a reputation as the leading modern interpreter of Richard Wagner. MY LIFE WITH WAGNER chronicles his ardent personal and professional engagement with the composer whose work has shaped his thinking and feeling from early childhood. Thielemann retraces his journey with Wagner - from Berlin to Bayreuth via Venice, Hamburg and Chicago. Next he takes each opera in turn, his appraisal illuminated by a deep affinity for the music, an intimate knowledge of the scores and the inside perspective of an outstanding practitioner. And yet for all the adulation Wagner's art inspires in him, Thielemann does not shy away from unpalatable truths about the man himself, explaining why today he is venerated and reviled in equal measure. The result is a richly rewarding read for admirers of a composer who continues to fascinate long after his death.

Doghhouse Roses White Lion Publishing

From the Oxus trout of eastern Afghanistan to the small golden brown trout of British chalk streams, Prosek has dedicated his unique painting talent to bringing to life trout from around the world.

The Other Side of the Wall Tredition Classics

This work examines the status of persuasion research, evaluates the theoretical bases of claims about particular message effects, quantifies the magnitude of effects attributable to message features and refines the prescriptions offered to advocates designing messages.
