Ford As the new captain

of the Colorado Coyotes, there's a heavy weight on my shoulders. The Coyotes lost five players last season to a tragic arena explosion, and as the new team leader, I want to be a rock for my teammates. That includes battling my new neighbor Eleanor Lawrence, the Denver newspaper columnist who's on a mission to end the city's pro hockey team for good. Do I want her? Desperately. But we're on opposing sides of a war I don't intend to lose. Elle I'm in no danger of being

charmed by Ford Barrett. My new neighbor is a caveman—not remotely my type. He may be attractive, but he's also stubborn and permanently scowling. Even worse? He dropped a couch on my foot. The more we spar, though, the hotter my secret attraction to him burns. Once I give in to the possessive hockey player, lines get blurred. I want to win, but I also want him. And I can't have both. Fast and Slow Bad Boys of Hockey

"This is hockey romance for hockey fans." --Rachel Reid, author of the Game Changers series
A veteran hockey player and a rookie can't get away from each other—or their own desires—in this sexy, heartfelt opposites-attract hockey romance. Olly Järvinen has a long way to go. He's got a fresh start playing for a new team, but getting his hockey career back on track is going to take more than a change of scenery. He's got to shut his past out

and focus. On the game, not on his rookie roommate and his annoyingly sunny disposition—and annoyingly distracting good looks. All Benji Bryzinski ever wanted was to play in the big leagues, and he’s not going to waste one single second of his rookie season. Yoga, kale smoothies and guided meditation help keep his head in the game. But his roommate keeps knocking him off track. Maybe it’s just that Olly is a grumpy bastard. Or maybe it’s something

else, something Benji doesn’t have a name for yet. Olly and Benji spend all their time together—on the ice, in the locker room, in their apartment—and ignoring their unspoken feelings isn’t making them go away. Acting on attraction is one thing, but turning a season’s fling into forever would mean facing the past—and redefining the future. Trade Season Book 1: Season's Change Book 2: Contract Season *Hockey A&C Black* "Emergent readers will enjoy learning about

opposites by recognizing objects, elements in nature, and animals that are big and small. Using colorful, engaging photographs alongside simple text and exciting sight words, young readers will enjoy learning about opposites while gaining confidence in their reading skills"--

How did Eric Lindros handle being at the center of the 1990s rookie-card craze? Ever wonder why one tough guy's Upper Deck card looks more like a High School yearbook picture than a sports card? Of course, once again, there are glorious mullets,

errors, and broken noses. There's even the story of how a rhinoceros and a Hall of Famer ended up on a card together. And as a special bonus, Ken Reid reveals the story behind the chase for his greatest hockey card.
