"Filled with ghosts, devils, and tricksters . . . This appealing volume will add

diversity to folklore collections."  
—Library Journal Rich in the folklore of his ancestors, Rudolfo Anaya's tales will delight young readers from across the globe. In stories both original and passed down, this bestselling and American Book Award-winning author incorporates powerful themes of family, faith, and choosing the right path in life. In "Lupe and la Llorona," a seventh grader searches for the legendary Llorona; in "The Shepherd Who Knew the Language of Animals," a shepherd named Abel saves a snake and gains the ability to understand the language of animals; In "Dulcinea," a fifteen-year-old dances with the Devil. Other tales feature coyotes, ravens, a woodcutter who tries to cheat death, the Virgin Mary, a golden carp, and a young Latino who seeks

immortality. Deeply rooted in ancient mythological beliefs and based on the folklore and traditions of Mexican and Native American cuentistas, these accounts of enchantment are as beautiful and mysterious as the Rio Grande itself—and serve as a testament to the lost art of oral storytelling. This ebook features illustrations by Amy Córdova.

*Las hijas de Juan* shatters the silence surrounding experiences of incest within a working-class Mexican American family. Both a feminist memoir and a hopeful meditation on healing, it is Josie Méndez-Negrete's story of how she and her siblings and mother survived years of violence and sexual abuse at the hands of her father. Méndez-Negrete

was born in Mexico, in the state of Zacatecas. She recalls a joyous childhood growing up in the midst of Tabasco, a vibrant town filled with extended family. Her father, though, had dreams of acquiring wealth in el norte. He worked sun-up to sun-down in the fields of south Texas. Returning home to Mexico, his pockets full of dollars, he spent evenings drinking and womanizing. When Méndez-Negrete was eleven, her father moved the family to the United States, where they eventually settled in California's Santa Clara Valley. There her father began molesting his daughters, viciously beating them and their mother. Within the impoverished immigrant family, the abuse continued for years, until a family friend brought it to the attention of child welfare

authorities. Méndez-Negrete's father was tried, convicted, and imprisoned. *Las hijas de Juan* is told chronologically, from the time Méndez-Negrete was a child until she was a young adult trying, along with the rest of her family, to come to terms with her father's brutal legacy. It is a harrowing story of abuse and shame compounded by cultural and linguistic isolation and a system of patriarchy that devalues the experiences of women and girls. At the same time, *Las hijas de Juan* is an inspiring tale, filled with strong women and hard-won solace found in traditional Mexican cooking, songs, and storytelling.

La aclamada quinta entrega de la serie Erika Foster. «Robert Bryndza nunca

deja de sorprenderme, es un escritor tan talentoso y me encanta el hecho de que sea capaz de mantener un nivel de escritura tan alto al tiempo que mantiene la serie con un contenido muy original.» The Book Review Café La maleta estaba muy oxidada y Erika Foster necesitó de varios intentos para poder abrirla, pero finalmente cedió cuando tiró fuerte de la cremallera. Nada podría haberla preparado para lo que encontraría dentro ... Cuando un cuerpo desmembrado de un joven es hallada a orillas del río Támesis, la detective Erika Foster queda sorprendida. Pero no es la primera vez que ve un asesinato tan brutal... Dos semanas antes, se encontró el cuerpo de una joven en una maleta idéntica. ¿Qué

conexión puede haber entre las dos víctimas? Cuando Erika Foster y su equipo se ponen a trabajar, rápidamente se dan cuenta de que están tras la pista de un asesino en serie que ya ha dado su siguiente paso. Sin embargo, justo cuando la detective comienza a avanzar en la investigación, es el objetivo de un violento ataque. Obligada a recuperarse en casa, y con su vida personal desmoronándose, todo está en su contra, pero nada detendrá a Erika. Erika Foster se encuentra ante al caso más importante de su carrera, ¿podrá Erika

salvar la vida de dos niñas inocentes antes de que sea demasiado tarde? El tiempo se agota y está a punto de hacer un descubrimiento aún más perturbador ... hay más de un asesino. Reseñas: «Dios mío, qué magnífica novela. La devoré de una sola sentada, sin duda es una lectura trepidante, mordaz, áspera ... Robert Bryndza es un genio y sube el listón del género.» The Quiet Knitter «Sin duda, mi libro favorito en la serie de Erika Foster. Oscuro, áspero, contundente y emotivo, esta es una lectura de un crimen que sería verdaderamente criminal pasar por alto.» The Letter Book Reviews Todos los cuentos KidLit-O Press “Bonnie Jo Campbell is a master of rural America’s postindustrial landscape.” —Boston Globe Named by the Guardian as one of our top ten writers of rural noir,

Bonnie Jo Campbell is a keen observer of life and trouble in rural America, and her working-class protagonists can be at once vulnerable, wise, cruel, and funny. The strong but flawed women of Mothers, Tell Your Daughters must negotiate a sexually charged atmosphere as they love, honor, and betray one another against the backdrop of all the men in their world. Such richly fraught mother-daughter relationships can be lifelines, anchors, or they can sink a woman like a stone. In "My Dog Roscoe," a new bride becomes obsessed with the notion that her dead ex-boyfriend has returned to her in the form of a mongrel. In "Blood Work, 1999," a phlebotomist's desire to give away everything to the needy awakens her own sensuality. In "Home to Die," an

abused woman takes revenge on her bedridden husband. In these fearless and darkly funny tales about women and those they love, Campbell's spirited American voice is at its most powerful. *Dictionary of Foreign Phrases and Classical Quotations* Apollo Books  
 This book - now available in paperback - is the first in-depth review and assessment of Laura Esquivel criticism. Outstanding essayists - from diverse critical perspectives in Latin American literature and film - explore Esquivel's critical reputation, contextualize her work in literary movements, and consider her four novels, as well as the film based on *Like Water for Chocolate*. The book begins with An Introduction to Esquivel Criticism, reviewing 20 years of global praise and condemnation. Elena

Poniatowska, in an essay provided in the original Spanish and in translation, reflects on her first reading of *Like Water for Chocolate*. From unique critical perspectives, Jeffrey Oxford, Patrick Duffey, and Debra Andrist probe the novel as film and fiction. The Rev. Dr. Stephen Butler Murray explores Esquivel's spiritual focus, while cultural geographer Maria Elena Christie uses words and images to compare Mexican kitchen-space and Esquivel's first novel. Elizabeth Coonrod Martinez and Lydia H. Rodriguez affirm divergent readings of *The Law of Love*, and Elizabeth M. Willingham discusses the contested national identity in *Swift as Desire*. Jeanne L. Gillespie and Ryan F. Long approach *Malinche: A Novel* through historical documents and popular and

religious culture. In the closing essay, Alberto Julian Perez contextualizes Esquivel's fiction within Feminist and Hispanic literary movements. This book has won the Harvey L. Johnson Book Award for 2011, conferred by the South Central Organization of Latin American Studies at its 44th annual Congress in Miami, Florida (March 9, 2012).

**A Polyglot of Foreign Proverbs** Laurel Leaf

The twenty stories presented bilingually in this volume, many long out of print or available only in Spanish, demonstrate Ulibarri's mastery of the short story. Regional in setting but universal in their concern with the magic of ordinary

experience, the stories blend fantasy and realism in their exploration of the human condition. All of them were written in Spanish and then translated, usually by the author, into English. Many of Ulibarri's stories portray the land and people of northern New Mexico. Together, these stories present a living mosaic of Hispanic, Indian, and Anglo people sharing an awe-inspiring yet oftentimes harsh landscape of forests, mountains, rivers, and animals. Conversational in tone, they preserved wonderful fragments of local history and folk traditions - witches, ghosts, and penitentes, strong-willed grandmothers, Indian chiefs, and singing cowboys. Other stories come out of the author's overseas experiences; particularly in Ecuador.
