Trump: The Art of the Deal Zondervan

New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection “Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

NEW YORK TIMES BESTSELLER • Trailblazing food writer and beloved restaurant critic Ruth Reichl took the job (and the risk) of a lifetime when she entered the high-stakes world of magazine publishing. Now, for the first time, she chronicles her groundbreaking tenure as editor in chief of Gourmet. “A must for any food lover . . . Reichl is a warm, intimate writer. She peels back the curtain to a glamorous time of magazine-making. You’ll tear through this memoir.”—Refinery29 NAMED ONE

OF THE BEST BOOKS OF THE YEAR BY Real Simple • Good Housekeeping • Town & Country When Condé Nast offered Ruth Reichl the top position at America’s oldest epicurean magazine, she declined. She was a writer, not a manager, and had no inclination to be anyone’s boss. Yet Reichl had been reading Gourmet since she was eight; it had inspired her career. How could she say no? This is the story of a former Berkeley hippie entering the corporate world and worrying about losing her soul. It is the story of the moment restaurants became an important part of popular culture, a time when the rise of the farm-to-table movement changed, forever, the way we eat. Readers will meet legendary chefs like David Chang and Eric Ripert, idiosyncratic writers like David Foster Wallace, and a colorful group of editors and art directors who, under Reichl’s leadership, transformed stately Gourmet into a cutting-edge publication. This was the golden age of print media—the last spendthrift gasp before the Internet turned the magazine world upside down. Complete with recipes, *Save Me the Plums* is a personal journey of a woman coming to terms with being in charge and making a mark, following a passion and holding on to her dreams—even when she ends up in a place she never expected to be. Praise for *Save Me the Plums* “Poignant and hilarious . . . simply delicious . . . Each serving of magazine folklore is worth savoring. In fact, Reichl’s story is juicier than a Peter Luger porterhouse. Dig in.”—The New York Times Book Review “In this smart, touching, and dishy memoir . . . Ruth Reichl recalls her years at the helm of Gourmet magazine with clear eyes, a sense of humor, and some very appealing recipes.”—Town & Country “If you haven’t picked up food writing queen Ruth Reichl’s new book, *Save Me the Plums*, I highly recommend you fix that problem. . . . Reichl is in top form and ready to dish, with every chapter seeming like a dedicated behind-the-scenes documentary on its own.”—Soleil Ho, San Francisco Chronicle

NOW A BROADWAY PLAY STARRING DANIEL RADCLIFFE 'Provocative, maddening and compulsively readable' Maggie Nelson In 2003, American essayist John D'Agata wrote a piece for Harper's about Las Vegas's alarmingly high suicide rate, after a sixteen-year-old boy had thrown himself from the top of the Stratosphere Tower. The article he delivered, 'What Happens There', was rejected by the magazine for inaccuracies. But it was soon picked up by another, who assigned it a fact checker: their fresh-faced intern, and recent Harvard graduate, Jim Fingal. What resulted from that assignment, and beyond the essay's eventual publication in the magazine, was seven years of arguments, negotiations, and revisions as D'Agata and Fingal struggled to navigate the boundaries of literary nonfiction. This book includes an early draft of D'Agata's essay, along with D'Agata and

Fingal's extensive discussion around the text. *The Lifespan of a Fact* is a brilliant and eye-opening meditation on the relationship between 'truth' and 'accuracy', and a penetrating conversation about whether it is appropriate for a writer to substitute one for the other. 'A fascinating and dramatic power struggle over the intriguing question of what nonfiction should, or can, be' Lydia Davis

The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

These days fact-checking can seem like a lost art. *The Fact Checker's Bible* arrives not a moment too soon: it is the first—and essential—guide to the important but increasingly neglected task of checking facts, whatever their source. We are all overwhelmed with information that claims to be factual, but even the most punctilious researcher, writer, and journalist can sometimes get it wrong, so checking facts has become a more pressing task. Now Sarah Harrison Smith, former New Yorker fact checker and currently head of checking for *The New York Times Magazine* explains exactly how to: *Reading for accuracy *Determine what to check *Research the facts *Assess sources: people, newspapers and magazines, books, the Internet, etc. *Check quotations *Understand the legal liabilities *Look out for and avoid the dangers of plagiarism For everyone from students to journalists

to editors, the methods and practices outlined in The Fact Checker's Bible provide both a standard and a working manual for how to get the facts right.

Over the past decade, American outlets such as PolitiFact, FactCheck.org, and the Washington Post's Fact Checker have shaken up the political world by holding public figures accountable for what they say. Cited across social and national news media, these verdicts can rattle a political campaign and send the White House press corps scrambling. Yet fact-checking is a fraught kind of journalism, one that challenges reporters' traditional roles as objective observers and places them at the center of white-hot, real-time debates. As these journalists are the first to admit, in a hyperpartisan world, facts can easily slip into fiction, and decisions about which claims to investigate and how to judge them are frequently denounced as unfair play. *Deciding What's True* draws on Lucas Graves's unique access to the members of the newsrooms leading this movement. Graves vividly recounts the routines of journalists at three of these hyperconnected, technologically innovative organizations and what informs their approach to a story. Graves also plots a compelling, personality-driven history of the fact-checking movement and its recent evolution from the blogosphere, reflecting on its revolutionary remaking of journalistic ethics and practice. His book demonstrates the ways these rising organizations depend on professional networks and media partnerships yet have also made inroads with the academic and philanthropic worlds. These networks have become a vital source of influence as fact-checking spreads around the world.

"This work is primarily about properly understanding some claims about Thomas Jefferson ... This work is particularly aimed at understanding Jefferson in light of claims made about him by some religious conservatives, especially those by David Barton. ... The aims of this work are quite simple: to be dispassionate in the analysis of the claims about Jefferson and to understand the events in question in their proper theological and cultural context. ... The plan of the book is to take church and state claims first followed by a focus on Jefferson's personal views of the Bible and religion. Then, we [the authors] briefly examine claims relating to the University of Virginia and close with an examination of Jefferson's views of race and his actions as a slave owner"--Page xi-xiii.

She Reads Truth Farrar, Straus and Giroux

This look at careless journalism—from hilarious mistakes to egregious ethical lapses—is “chock-full of amusing historical anecdotes” (Publishers Weekly). Winner of the National Press Club’s Arthur Rowse Award for Press Criticism We regret the error: it’s a phrase that appears in newspapers almost daily, the standard notice that something went terribly wrong in the reporting, editing, or printing of an article. From Craig Silverman, the proprietor of www.RegretTheError.com, one of the Internet’s most popular media-related websites, comes a collection of funny, shocking, and

sometimes disturbing journalistic slip-ups and corrections. On display are all types of media inaccuracy—from typos to “fuzzy math” to “obiticide” (printing the obituary of a person very much alive and well) to complete and utter ethical lapses. While some of the errors can be laugh-out-loud funny, the book also serves as a sobering journey through the history of media mistakes (including the outrageous hoaxes that dominated newspapers during the circulation wars of the nineteenth century) and a serious muckraking investigation of contemporary journalism’s lack of accountability to the public. *Regret the Error* shines a spotlight on the media’s carelessness and the sometimes tragic and calamitous consequences of weak or non-existent fact checking. “Mixing humorous corrections taken from large and small newspapers alike, Silverman gives historical context to the current problems . . . and then proposes solutions for busy newsrooms.” —Variety

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

Change the Way You Think about Leadership At the age of thirty-three, Dr. Albert Mohler became the youngest president in the 164-year history of Southern Baptist Theological Seminary. He was the driving force behind the school's transformation into a thriving institution with an international reputation characterized by a passionate conviction for truth. In the process he became one of the

most important and prominent Christian voices in contemporary culture. What will it take to transform your leadership? Effective leaders need more than administrative skills and vision. They need to be able to change the hearts and minds of those they lead. Leadership like this requires passionate beliefs that can stand up to pressure from without and within. In this updated edition Dr. Mohler has added a new introduction and conclusion based on an additional 10 years of leadership. He has also completely rewritten the chapter "The Digital Leader." The Conviction to Lead will

crystallize your convictions while revolutionizing your thinking, your decision-making, your communication, and ultimately, those you lead. "Dr. Al Mohler has written a book that shakes us up and challenges our thinking. The Conviction to Lead is poised to become one of the all-time classic works on Christian leadership."--JIM DALY, President - Focus on the Family "Having rarely thought about leadership, I was hooked from the first chapter--to my complete surprise. This is a powerful book and gracefully written."--FRED BARNES, Executive Editor--The Weekly Standard
