An Introduction to Fiction Swoon Reads Nicholas Flamel appeared in J.K. Rowling's Harry Potter—but did you know he really lived? And his secrets aren't safe! Discover the truth in book three of the New York Times bestselling series the *Secrets of the Immortal Nicholas Flamel*. The Problem: Perenelle Flamel is trapped. What's Worse: Sophie and Josh might soon be as well. Paris was destroyed by John Dee and Niccolo Machiavelli, but the missing pages of the Book of Abraham the Mage are still protected from Dee and the Dark Elders. Except Perenelle is imprisoned on Alcatraz and now Scatty is missing, leaving a weakening Nicholas as Sophie and Josh's only protection in Lond, a city Dee has under his control. The only hope of defeating Dee and escaping London is to find an Elder to teach the twins the third elemental magic—Water Magic. The bad news? The lone option is Gilgamesh the King, and he is absolutely insane. "The *Secrets of the Immortal Nicholas Flamel* has everything you loved about Harry Potter, including magic, mystery, and a constant battle of good versus evil."-- Bustle Read the whole series! The

politics, exploiting democratic space to promote agendas that undermine democratic values. George calls this strategy “hate spin”—a double-sided technique that combines hate speech (incitement through vilification) with manufactured offense-taking (the performing of righteous indignation). It is deployed in societies as diverse as Buddhist Myanmar and Orthodox

Christian Russia. George looks at the world's three largest democracies, where intolerant groups within India's Hindu right, America's Christian right, and Indonesia's Muslim right are all accomplished users of hate spin. He also shows how the Internet and Google have opened up new opportunities for cross-border hate spin. George argues that governments must protect

vulnerable communities by prohibiting calls to action that lead directly to discrimination and violence. But laws that try to protect believers' feelings against all provocative expression invariably backfire. They arm hate spin agents' offense-taking campaigns with legal ammunition. Anti-discrimination laws and a commitment to religious equality will protect communities more

meaningfully than misguided attempts to insulate them from insult. *Twilight in Jakarta* Bloomsbury Publishing The third edition of this leading text provides a comprehensive guide to literary study. Emphasis has been placed on contextualizing literature and this updated version takes these changes into account by incorporating more material on historical and cultural

contexts as well as in-depth discussions on novels, drama and poetry. Passion Turtleback Books Marsha is an outgoing and popular Aries—a drama queen who lands a part in the school play. But just before the curtain goes up, she injures herself, crushing all her hopes for stardom. When she has to spend three nights in the hospital, she is furious—until she realizes that not

everyone is as lucky as she is. With help from her Zodiac guardian, she decides to use her leadership skills to raise money for the hospital. But how?

Destined

Simon and Schuster Throughout the 20th century, Egyptian nationalism has alternately revolved around three primary axes: a local Egyptian territorial nationalism, a sense of Arab ethnic-linguistic

nationalism, and an identification with the wider Muslim community. This detailed study is devoted to the first major phase in the perennial debate over nationalism in modern Egypt—the territorial nationalism dominant in Egypt in the early 20th century. The first section of the book examines the effects of World War I and its aftermath, which temporarily gave rise to an exclusively

Egyptianist national orientation in Egypt. Subsequent sections consider the intellectual and political dimensions of Egyptian interwar years. Egypt, Islam and the Arabs is the first volume in a new Oxford series, Studies in Middle Eastern History. The General Editors of the series are Bernard Lewis of Princeton University, Itamar Rabinovich of Tel Aviv University, and Roger M.

[Mizan, Mizan Publika, Love, Story, Indonesia] *The Boy with the Magic Numbers* Oxford University Press The suspense is relentless in #1 New York Times bestselling author Lisa Jackson's gripping thriller, set on a college campus and featuring the daughter of New Orleans

Detective Rick Bentz—a resilient young woman whose two-time survival of a serial killer has left her fascinated with the criminal mind, determined to become a true-crime writer—and drawn her once more her into a twisted psychopath's unspeakable crimes. Stunningly repackaged, this is the fifth novel in the New Orleans series. Will appeal to all fans of thrillers and suspense fiction, and

readers of Sandra Brown and Iris Johansen. All twenty-seven-year-old Kristi Bentz needs to fulfill her writing dreams is one case that will take her to the top. When she learns that four girls have disappeared from All Saints College in two years, Kristi decides to enroll and retrace their steps. The once-stodgy Catholic school now boasts edgy professors and provocative classes, and there are

whispers of a campus inner-circle whose members engage in dark rituals to which only the elite have access . . . All four girls were “lost souls”—troubled, vulnerable, with no one to care or come looking for them when they disappeared. The police think they’re runaways, but Kristi senses there’s something that links them—something terrifying. As Kristi delves deeper into her

investigation, she gets the feeling she’s being watched, followed—studied, even. Then the bodies start turning up in ways that frighten even hardened cops like Bentz and his partner, Reuben Montoya. And Kristi realizes she is playing a game with a killer who has selected her for membership in a cult of death from which there will be no escape . . . “Solidifies Jackson’s status as the

queen of the modern-day suspense thriller.”—The Providence Journal

The Heart of Glass
 Harper Collins

The madcap, macabre, and maddeningly funny Tales from the Five Kingdoms continue – with an oddly heart-warming adventure. It’s a fine day for dwarf watching! At least that’s what Gracie Gillypott and Prince Marcus innocently think as they set out, unaware that Princess Marigold has honed her sights on Marcus and plans to follow him to the ends of the earth -- fan, frilly petticoats,

and all. As for the dwarves, it’s not a fine day at all: they’re overworked and underpaid, rushing to produce extra gold to make crowns for a royal wedding. The Chief of Works has no choice but to send for some trolls to deal with the problem, but they have their own agenda: finding a princess for their lonely king. Throw in the faithful Gubble, a slinking goblin, four chatty bats,

and a heart of glass that will give its owner absolute power and you have a hilarious new adventure rife with mistaken identities -- and the ever-compelling search for the perfect match. Linguistics, Literature and Culture New Directions Publishing Destined delivers all the romance and action that fans expect as it brings Aprilynne Pike’s Wings series to a deeply satisfying conclusion. Laurel used to

think she was an ordinary girl from Crescent City, California. She never would have believed she was truly a faerie from a realm called Avalon. Now Laurel must risk her life to save Avalon from destruction by Yuki—a rare and powerful Winter faerie—and troll-hunter Klea. But Laurel won't have to fight alone; David and Tamani, two boys she loves in different ways, will be by her side, along with her

best friend, Chelsea. Readers of the Need and Graceling series will want to follow Laurel's story from its beginning in Wings to its heart-stopping end in Destined. Cloud 9 PT Mizan Publika In the stunning sequel to Kleypas' first romance, Where Passion Leads, Forever My Love tells the story of a forbidden love between an exquisitely beautiful French maid and a rakish English lord.

Kleypas' most powerful--and promising--romance to date!

Mastering English Literature

Ember Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all

time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age

in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime. Islam in English Literature Hodder Children's Books A thoroughly revised edition of this successful undergraduat

e introduction to literary theory, this text includes core pieces by leading theorists from Russian Formalists to Postmodernist and Post-colonial critics. An ideal teaching resource, with helpful introductory notes to each chapter.

Immortal DL Grant, LLC New York Times bestselling author Donna Grant brings you the first of a thrilling time-travel adventure. Earth is about to be

annihilated by creatures spoken of only in myths and legends. The fabled race of the Fae has gathered together a group of warriors highly skilled and trained to defeat these creatures. These men come from different times and realms, giving their lives, if necessary, to end the destruction of our world. Dear Reader – Have you ever wanted to travel through time with weapons crafted by the

Fae themselves? To experience adventure so thrilling and dangerous you don't know if you will live to see tomorrow? Now my men and I are faced with fighting creatures only thought to live in legend but which have been brought to Earth by evil bent on annihilating all the realms. That is my life – and I love it. At least I did until I found myself staring into the angelic, innocent face of Lady Mina

of Stone Crest. In all the time I have led the Shields I have trusted my instinct to keep us alive, yet now I don't know what to believe. Everything points to Mina as the evil summoning the creatures, but she proclaims her innocence. I should be able to see through her lies, if she is indeed lying, but my attraction to her blinds me to even that. The last time I found myself so lured to a woman, it nearly cost me

the lives of my men. I cannot allow that to happen again. I won't allow that to happen again. Yet every time she looks at me, begging me with those blue-green eyes to believe her, I find myself sinking further under her spell. Her mouth is a temptation mortal men will never know and her love will either bring me the peace I thought I'd never find – or the death I've managed, thus far, to avoid. Hugh

the Righteous **Zodiac Girls: Dancing Queen** Harper Collins
 In June 1908, a red-haired orphan appeared on to the streets of Boston and a modern legend was born. That little girl was Anne Shirley, better known as Anne of Green Gables, and her first appearance was in a book that has sold more than 50 million copies worldwide and been translated into more than 35 languages (including Braille). The

author who created her was Lucy Maud Montgomery, a writer who revealed very little of herself and her method of crafting a story. On the centenary of its publication, Irene Gammel tells the braided story of both Anne and Maud and, in so doing, shows how a literary classic was born. Montgomery's own life began in the rural Cavendish family farmhouse on Prince Edward Island, the

place that became the inspiration for Green Gables. Mailmen brought the world to the farmhouse's kitchen door in the form of American mass market periodicals sparking the young Maud's imagination. From the vantage point of her small world, Montgomery pored over these magazines, gleaning bits of information about how to dress, how to behave and how a proper young lady should grow.

She began to write, learning how to craft marketable stories from the magazines' popular fiction; at the same time the fashion photos inspired her visual imagination. One photo that especially intrigued her was that of a young woman named Evelyn Nesbit, the model for painters and photographers and lover of Stanford White. That photo was the spark for what became Anne Shirley. Blending

biography with cultural history, Looking for Anne of Green Gables is a gold mine for fans of the novels and answers a trunk load of questions: Where did Anne get the "e" at the end of her name? How did Montgomery decide to give her red hair? How did Montgomery's courtship and marriage to Reverend Ewan Macdonald affect the story? Irene Gammel's dual biography of

Anne Shirley and the woman who created her will delight the millions who have loved the red haired orphan ever since she took her first step inside the gate of Green Gables farm in Avonlea. *Stuck with You* Harper Collins The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a

sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence;

the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and

epic scope—and inspired by Melville and Gogol, Kurniawan’s distinctive voice brings something luscious yet astringent to contemporary literature.

The Midnight Dance

Kingfisher
From the New York Times bestselling author of *The Love Hypothesis* comes a new steamy, STEM-inist novella... Nothing like a little rivalry between scientists to take love to the next level.

Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract and rivals make you burn... Logically, Sadie knows that civil engineers are supposed to build bridges. However, as a woman of STEM she also understands

that variables can change, and when you are stuck for hours in a tiny New York elevator with the man who broke your heart, you earn the right to burn that brawny, blond bridge to the ground. Erik can apologize all he wants, but to quote her rebel leader—she’d just as soon kiss a Wookiee. Not even the most sophisticated of Sadie’s superstitious rituals could have predicted such a disastrous reunion. But

while she
refuses to
acknowledge
the siren call
of Erik's steely
forearms or
the way his
voice softens
when he offers
her his
sweater, Sadie
can't help but

wonder if
there might
be more
layers to her
cold-hearted
nemesis than
meet the eye.
Maybe,
possibly, even
burned
bridges can

still be
crossed.... To
