Renfield is haunting and sophisticated mini-series of the bug eating inmate from Bram Stoker's classic Dracula novel. It centers on a man who is slowly being consumed by madness because of the visions and voices that intrude upon his dreams and nightmares. While the events from the Dracula novel swirl around him, Renfield faces his pre-ordained task of preparing for his mysterious "master" and struggles to understand what his "messiah" is asking of him. Upon discovering that Dracula is offering him eternal life, Renfield realizes that for beings such as Dracula to live, others must die. This includes Mina Harker who Renfield reveres and this conflict throws Renfield into an internal

struggle of the darkness of immortality against his own humanity. And as such Renfield struggles to grasp the overwhelming need to serve the darkness. "Kim Newman's Anno Dracula is back in print, and we must celebrate. It was the first mash-up of literature, history and vampires, and now, in a world in which vampires are everywhere, it's still the best, and its bite is just as sharp. Compulsory reading, commentary, and mindgame: glorious." - Neil Gaiman "Politics, horror, and romance are woven together in this brilliantly imagined and realized novel. Newman's prose is a delight, his attention to detail is spellbinding." - Time Out "Stephen King assumes we hate vampires; Anne Rice makes it safe to love them, because they hate themselves. Kim Newman suspects that most of us live with them... Anno Dracula is the definitive account of that post-modern species, the self-obsessed undead." - New York Times "Anno Dracula will leave you breathless... one of the most creative novels of the year." - Seattle Times "Powerful... compelling entertainment... a fiendishly clever banquet of dark treats." - San Francisco Chronicle 'A ripping yarn, an adventure romp of the best blood, and a satisfying... read' - Washington Post Book World "The most comprehensive, brilliant, dazzlingly audacious vampire novel to date. Santa Vs Dracula Marvel

Alberto Breccia's Dracula is composed of a series of brutally funny satirical misadventures starring the hapless eponymous antihero. Literally defanged (a humiliating trip to the dentist doesn't help), the protagonist's glory days are long behind him and other, more sinister villains (a corrupt government, overtly backed by American imperialism) are sickening and draining the life out of the villagers far more than one creature of the night ever could. This is the first painted, full-color entry in Fantagraphics' artist-focused Alberto Breccia Library, and the atmospheric palette adds mood and dimension. It also includes a sketchbook showing the artist's process.
