A trick of magic, a twist of fate. As the orphaned nephew of the king, trusted companion to his cousin, and second heir to the throne of Skala, Prince Tobin's future is clear. But not as clear as the spring in which a hill witch shows him his true face--and his secret destiny.... Now Tobin carries a burden he cannot share with even his closest friend, Ki, his squire. He is to rule--not as he is but as he was born: a woman. Given the shape of a boy by dark magic, Tobin is the last hope of the people of Illior--those who desperately seek a return to the old ways, when Skala was ruled by a line of warrior queens. They still believe that only a woman can lift the war, famine, and pestilence that have run rampant

through the land since the king usurped his half sister's throne. It is these outlaw wizards and witches who protect Tobin--and it is for them that Tobin must accept his fate. With the unsuspecting yet fiercely loyal Ki at his side, Tobin must turn traitor against the only blood ties he has left. He must lift the masks of Skala's rulers to show their true colors--before he can reveal the power of the woman within himself.

Life in Baghdad, Iraq, in October 2003 and again in 2006 was like living in a Crock-Pot. It was hot, and the breeze, if you can call it that, was just as hot. We would travel to strange destinations to attend meetings, drop off supplies, or pick up soldiers. We even performed guard duty and with the scorching temperatures. The protective gear that we wore added about twenty degrees and an extra thirty pounds. The temperature was approximately 140 degrees or better. I was told to put on some suntan lotion, and I thought the officer was making a joke because I did not know a black man could get a sunburn in the desert; this is to be true. At Hog Wallow Middle School, May Ellen Bird was always slightly invisible. Then she went on a long trip to the land of the dead, where ghost towns glowed blue in the dark dusk and spooky specters dwelled in cities on the Dead Sea. Back on Earth at last, May and her hairless cat, Somber Kitty, are now famous, their

The spirits have vanished, and the towns -- once full of every manner of things that go bump in the night -- are deserted. Evil Bo Cleevil has made the Ever After as cold as his own frigid soul, and put up a bunch of tacky malls to boot. Now, with her friends missing and enemies all around her, May must find her way to the edge of the universe, where night swallows the stars, where allies are few and often have bad breath, where endings can also be beginnings, and where the truest hero lurks in the unlikeliest of souls. But Bo Cleevil's got one last trick up his sleeve -- one that no one on Earth is ready for. With the worlds of the living and the dead in the balance, will May's courage fail her one last time? Or will she finally become the warrior she was always meant to be?
