NEW YORK TIMES BESTSELLER • COMING SOON TO APPLE TV+ •  
A “mind-blowing” (Entertainment Weekly) speculative thriller about an ordinary man who awakens in a world inexplicably different from the reality he thought he knew—from the author of Upgrade, Recursion, and the Wayward Pines trilogy “Are you

happy with your life?" Those are the last words Jason Dessen hears before the kidnapper knocks him unconscious. Before he awakens to find himself strapped to a gurney, surrounded by strangers in hazmat suits. Before a man he's never met smiles down at him and says, "Welcome back, my friend." In this world he's woken up to, Jason's life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college professor but a celebrated genius who has achieved something remarkable. Something impossible. Is it this life or the other that's the dream? And even if the home he remembers is real, how will Jason make it back to the family he loves? From the bestselling author Blake Crouch, *Dark Matter* is a mind-bending thriller about choices, paths not taken, and how far we'll go to claim the lives we dream of.

BattleTech Legends: Warrior: En Garde Hodder Paperbacks

New York Times bestseller Elle Kennedy brings you the first in the sexy Off-Campus series that everyone is talking about. She's about to make a deal with the college bad boy . . . Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice . . . even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date . . . and it's going to be oh so good All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the

team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him. Praise for Elle Kennedy: 'Delicious, complicated and drama-filled . . . I read it in one sitting, and you will, too' L. J. Shen, USA Today bestselling author 'A deliciously sexy story with a wallop of emotions that sneaks up on you' Vi Keeland, No.1 New York Times bestselling author 'Elle Kennedy delivers another sexy and addictive read, and my latest personal favourite from her!' Tijan, New York Times bestselling author

*A Thousand Splendid Suns* Doubleday Canada

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

**The Story of Lucy Gault** Riverhead Books

NEW YORK TIMES BESTSELLER • The end of the world was only the beginning. In his internationally bestselling and critically acclaimed novel *The Passage*, Justin Cronin constructed an unforgettable world transformed by a government experiment gone horribly wrong. Now the scope widens and the intensity deepens as the epic story surges forward . . . In the present day, as the man-made apocalypse unfolds, three strangers navigate the chaos. Lila, a doctor and an expectant mother, is so shattered by the spread of violence and infection that she continues to plan for her child's arrival even as society dissolves around her.

Kittridge, known to the world as “Last Stand in Denver,” has been forced to flee his stronghold and is now on the road, dodging the infected, armed but alone and well aware that a tank of gas will get him only so far. April is a teenager fighting to guide her little brother safely through a landscape of death and ruin. These three will learn that they have not been fully abandoned—and that in connection lies hope, even on the darkest of nights. One hundred years in the future, Amy and the others fight on for humankind’s salvation . . . unaware that the rules have changed. The enemy has evolved, and a dark new order has arisen with a vision of the future infinitely more horrifying than man’s extinction. If the Twelve are to fall, one of those united to vanquish them will have to pay the ultimate price. A heart-stopping thriller rendered with masterful literary skill, *The Twelve* is a grand and gripping tale of sacrifice and survival. Look for the entire Passage trilogy: *THE PASSAGE* | *THE TWELVE* | *THE CITY OF MIRRORS* Praise for *The Twelve* “[A] literary superthriller.”—*The New York Times Book Review* “An undeniable and compelling epic . . . a complex narrative of flight and forgiveness, of great suffering and staggering loss, of terrible betrayals and incredible hope.”—*Milwaukee Journal Sentinel* “*The Twelve* is even better than *The Passage*.”—*The Plain Dealer* “A compulsive read.”—*San Francisco Chronicle* “Gripping . . . Cronin [introduces] eerie new elements to his masterful mythology. . . . Enthralling, emotional and entertaining.”—*The San Diego Union-Tribune* “Fine storytelling.”—*Associated Press* “Cronin is one of those rare authors who works on two different levels, blending elegantly crafted literary fiction with cliff-hanging thrills.”—*Fort Worth Star-Telegram*

**Dark Matter** Farrar, Straus and Giroux

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

**The Color Purple** Claude Davis

They say when you take revenge against another you lose a part of your innocence. But I’m not innocent. I haven’t been for a very long time. My innocence was stolen from me. Taken was the life I was supposed to have. The soul I was born with. The ruby heart embedded in a life full of hopes and dreams. Gone. Vanished. I never even had a choice. I mourn that life. Mourn the what-ifs. Until now. I’m ready to take back what was always meant to be mine. But every plan has a fatal flaw. Sometimes it’s the heart.

*The True Confessions of Charlotte Doyle* (Scholastic Gold)

Penguin

The *Andromeda Strain* meets *The Stand* in this startling and stunning thriller that brings to life a unique vision of the apocalypse and plays brilliantly with vampire mythology, revealing what becomes of human society when a top-secret government experiment spins wildly out of control. At an army research station in Colorado, an experiment is being conducted by the U.S. Government: twelve men are exposed to a virus meant to weaponize the human form by super-charging the immune system. But when the experiment goes terribly wrong, terror is unleashed. Amy, a young girl abandoned by her mother and set to be the thirteenth test subject, is rescued by Brad Wolgast, the FBI agent who has been tasked with handing her over, and together they escape to the mountains of Oregon. As civilization crumbles around them, Brad and Amy struggle to keep each other alive, clinging to hope and unable to

comprehend the nightmare that approaches with great speed and no mercy. . .

Ocean Prey New Amer Library

A MAJOR MOTION PICTURE FROM ALEX GARLAND, STARRING NATALIE PORTMAN AND OSCAR ISAAC The Southern Reach Trilogy begins with Annihilation, the Nebula Award-winning novel that "reads as if Verne or Wellsian adventurers exploring a mysterious island had warped through into a Kafkaesque nightmare world" (Kim Stanley Robinson). Area X has been cut off from the rest of the continent for decades. Nature has reclaimed the last vestiges of human civilization. The first expedition returned with reports of a pristine, Edenic landscape; the second expedition ended in mass suicide; the third expedition in a hail of gunfire as its members turned on one another. The members of the eleventh expedition returned as shadows of their former selves, and within weeks, all had died of cancer. In Annihilation, the first volume of Jeff VanderMeer's Southern Reach trilogy, we join the twelfth expedition. The group is made up of four women: an anthropologist; a surveyor; a psychologist, the de facto leader; and our narrator, a biologist. Their mission is to map the terrain, record all observations of their surroundings and of one another, and, above all, avoid being contaminated by Area X itself. They arrive expecting the unexpected, and Area X delivers—they discover a massive topographic anomaly and life forms that surpass understanding—but it's the surprises that came across the border with them and the secrets the expedition members are keeping from one another that change everything.

*Heir of Fire* Createspace Independent Publishing Platform

Do unto others as you would others should do to you. You can

never be rude if you bear the rule always in mind, for what lady likes to be treated rudely? True Christian politeness will always be the result of an unselfish regard for the feelings of others, and though you may err in the ceremonious points of etiquette, you will never be im polite. Politeness, founded upon such a rule, becomes the expression, in graceful manner, of social virtues. The spirit of politeness consists in a certain attention to forms and ceremonies, which are meant both to please others and ourselves, and to make others pleased with us ;a still clearer definition may be given by saying that politeness is goodness of heart put into daily practice; the.re can be no true, politeness without kindness, purity, singleness of heart, and sensibility. Many believe that politeness is but a mask worn in the world to conceal bad passions and impulses, and to make a show of possessing virtues not really existing in the heart; thus, that politeness is merely hypocrisy and dissimulation. Do not believe this; be certain that those who profess such a doctrine are practising themselves the deceit they condemn so much.

The Lost Book of Herbal Remedies Roc

NEW YORK TIMES BESTSELLER • One million copies sold! Inspired by the life of a real World War II heroine, this remarkable debut novel reveals the power of unsung women to change history in their quest for love, freedom, and second chances. "Extremely moving and memorable . . . This impressive debut should appeal strongly to historical fiction readers and to book clubs that adored Kristin Hannah's *The Nightingale* and Anthony Doerr's *All the Light We Cannot See*."—Library Journal (starred review) New York socialite Caroline Ferriday has her hands full with her post at the French consulate and a new love on the horizon. But

Caroline's world is forever changed when Hitler's army invades Poland in September 1939—and then sets its sights on France. An ocean away from Caroline, Kasia Kuzmerick, a Polish teenager, senses her carefree youth disappearing as she is drawn deeper into her role as courier for the underground resistance movement. In a tense atmosphere of watchful eyes and suspecting neighbors, one false move can have dire consequences. For the ambitious young German doctor, Herta Oberheuser, an ad for a government medical position seems her ticket out of a desolate life. Once hired, though, she finds herself trapped in a male-dominated realm of Nazi secrets and power. The lives of these three women are set on a collision course when the unthinkable happens and Kasia is sent to Ravensbrück, the notorious Nazi concentration camp for women. Their stories cross continents—from New York to Paris, Germany, and Poland—as Caroline and Kasia strive to bring justice to those whom history has forgotten. USA Today “New and Noteworthy” Book •

*The Book of Life* Penguin

THE INSTANT SUNDAY TIMES BESTSELLER 'A mind-blowing and emotionally honest tale of survival against all odds.' BERNARDINE EVARISTO 'A breathtaking memoir...I was so moved by this book.' Oprah 'It is startlingly honest and, at times, a jaw-dropping read, charting her rise from poverty and abuse to becoming the first African-American to win the triple crown of an Oscar, Emmy and Tony for acting.' BBC News THE DEEPLY PERSONAL, BRUTALLY HONEST ACCOUNT OF VIOLA'S INSPIRING LIFE In my book, you will meet a little girl named Viola who ran from her past until she made a life changing decision to stop running forever. This is my

story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and beyond. This is the path I took to finding my purpose and my strength, but also to finding my voice in a world that didn't always see me. As I wrote *Finding Me*, my eyes were open to the truth of how our stories are often not given close examination. They are bogarted, reinvented to fit into a crazy, competitive, judgmental world. So I wrote this for anyone who is searching for a way to understand and overcome a complicated past, let go of shame, and find acceptance. For anyone who needs reminding that a life worth living can only be born from radical honesty and the courage to shed facades and be...you. *Finding Me* is a deep reflection on my past and a promise for my future. My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you.

**Decision at Thunder Rift** Catalyst Game Labs

FINALIST FOR THE NATIONAL BOOK AWARD AND LOS ANGELES TIMES BOOK PRIZE; SHORT-LISTED FOR THE J. ANTHONY LUKAS PRIZE; A BCALA 2023 HONOR NONFICTION AWARD WINNER. A

landmark biography by two prizewinning Washington Post reporters that reveals how systemic racism shaped George Floyd's life and legacy—from his family's roots in the tobacco fields of North Carolina, to ongoing inequality in housing, education, health care, criminal justice, and policing—telling the story of how one man's tragic experience brought about a global movement for change. “It is a testament to the power of His Name Is George Floyd that the book's most vital moments come not after Floyd's death, but in its intimate, unvarnished and scrupulous account of his life . . . Impressive.” —New York Times

Book Review (Editors' Choice) "Since we know George Floyd's death with tragic clarity, we must know Floyd's America—and life—with tragic clarity. Essential for our times." —Ibram X. Kendi, author of *How to Be an Antiracist* "A much-needed portrait of the life, times, and martyrdom of George Floyd, a chronicle of the racial awakening sparked by his brutal and untimely death, and an essential work of history I hope everyone will read." —Henry Louis Gates, Jr., author of *The Black Church: This Is Our Story, This Is Our Song* The events of that day are now tragically familiar: on May 25, 2020, George Floyd became the latest Black person to die at the hands of the police, murdered outside of a Minneapolis convenience store by white officer Derek Chauvin. The video recording of his death set off a series of protests in the United States and around the world, awakening millions to the dire need for reimagining this country's broken systems of policing. But behind a face that would be graffitied onto countless murals, and a name that has become synonymous with civil rights, there is the reality of one man's stolen life: a life beset by suffocating systemic pressures that ultimately proved inescapable. This biography of George Floyd shows the athletic young boy raised in the projects of Houston's Third Ward who would become a father, a partner, a friend, and a man constantly in search of a better life. In retracing Floyd's story, Washington Post reporters Robert Samuels and Toluse Olorunnipa bring to light the determination Floyd carried as he faced the relentless struggle to survive as a Black man in America. Placing his narrative within the larger context of America's deeply troubled history of institutional racism, *His Name Is George Floyd* examines the Floyd family's roots in slavery and sharecropping,

the segregation of his Houston schools, the overpolicing of his communities, the devastating snares of the prison system, and his attempts to break free from drug dependence—putting today's inequality into uniquely human terms. Drawing upon hundreds of interviews and extensive original reporting, Samuels and Olorunnipa offer a poignant and moving exploration of George Floyd's America, revealing how a man who simply wanted to breathe ended up touching the world.

*His Name Is George Floyd (Pulitzer Prize Winner)* New Amer Library

Fan-favorite heroes Lucas Davenport and Virgil Flowers join forces on a deadly maritime case in the remarkable new novel from #1 New York Times-bestselling author John Sandford. An off-duty Coast Guardsman is fishing with his family when he calls in some suspicious behavior from a nearby boat. It's a snazzy craft, slick and outfitted with extra horsepower, and is zipping along until it slows to pick up a surfaced diver . . . a diver who was apparently alone, without his own boat, in the middle of the ocean. None of it makes sense unless there's something hinky going on, and his hunch is proved right when all three Guardsmen who come out to investigate are shot and killed. They're federal officers killed on the job, which means the case is the FBI's turf. When the FBI's investigation stalls out, they call in Lucas Davenport. And when his case turns lethal, Davenport will need to bring in every asset he can claim, including a detective

with a fundamentally criminal mind: Virgil Flowers.

Worse yet, soon after stepping aboard the ship, she becomes enmeshed in a conflict between them! What begins as an eagerly anticipated ocean crossing turns into a harrowing journey, where Charlotte gains a villainous enemy . . . and is put on trial for murder! After Words material includes author Q & A, journal writing tips, and other activities that bring Charlotte's world to life!

**The Deal** Elsevier Health Sciences

This is the extended and annotated edition including \* an extensive annotation of more than 10,000 words about the history and basics of Buddhism, written by Thomas William Rhys Davids. *The Book of Tea* by Okakura Kakuzo (1906), is a long essay linking the role of tea (Teaism) to the aesthetic and cultural aspects of Japanese life. Addressed to a western audience, it was originally written in English and is one of the great English Tea classics. Okakura had been taught at a young age to speak

English and was proficient at communicating his thoughts to the Western mind. In his book, he discusses such topics as Zen and Taoism, but also the secular aspects of tea and Japanese life. The book emphasizes how Teaism taught the Japanese many things; most importantly, simplicity. Kakuzō argues that this tea-induced simplicity affected art and architecture, and he was a long-time student of the visual arts. He ends the book with a chapter on Tea Masters, and spends some time talking about Sen no Rikyū and his contribution to the Japanese Tea Ceremony. (from wikipedia.com)

THE NEW YORK TIMES BESTSELLER\* THE UNMISSABLE TIKTOK SENSATION\* OVER 1.6 MILLION COPIES SOLD WORLDWIDE

Grumpy, small-town barber + hopelessly romantic runaway bride = great big bust ups, all the tension and lots of steamy encounters! Escaping her seemingly perfect wedding, Naomi Witt arrives in rough-around-the-edges Knockemout, Virginia, running to the rescue of her estranged twin, Tina. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected: the 11-year-old niece she didn't know she had. Now she's stuck in town with no job, no plan, no home and a whole lot of extra responsibility. There's a reason local barber Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into trouble, he can leave her alone and get back to his peaceful, solitary life. At least that's the plan, until their lives begin to entwine in ways they never imagined . . .
