"Who are the censors of foreign literature? What motives influence them as they patrol the boundaries between cultures? Can cuts and changes sometimes save a book? What difference does it make when the text is for children, or designed for schools? These and other questions are explored in this wide-ranging international collection, with copious examples: from Catullus to Quixote, Petrarch to Shakespeare, Wollstonecraft to Waugh, Apuleius to Mansfield, how have migrating writers fared? We see many genres, from Celtic hero-tales to histories, autobiographies, polemics and even

popular songs, transformed on their travels by the censor's hand."--BOOK JACKET.

The Fantastic Flying Books of Mr. Morris Lessmore

Macmillan Children's Books

I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full

potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not

changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

The third volume of Eduardo Galeano's Memory of Fire trilogy, Century of the Wind offers a panorama of

Galeano's singular vision of the past, turbulent century: from the bucolic New Jersey laboratory of Thomas Alva Edison to the armies of Emiliano Zapata and Fidel Castro to the Reagan-era CIA

"neutralizations" in the forests of Latin America. Dizzying, enraging, and beautifully written, *Century of the Wind* is a sweeping interpretation of the Americas no work of history has previously imagined.

"Depicting Basque

mutual aid societies, language courses, musical and dance troupes, cuisine classes, community activities, sport, political involvement, and ties to homeland institutions are just a few of the ingredients which mix to compose the chapters of this work. Readers will learn about the history and reasons why Basques left the Pyrenees of northern Spain and southern France from the personal experiences of political and economic exiles' oral histories. Original archival research allows us to discover the features of the early 1900s Centro Vasco-Americano, the Basque Government-in-exile Delegation in New York, and the development of

Basque organizations. "Basqueness" is being redefined in this transnational cosmopolitan community, and with the pioneer spirit of their ancestors, latter generation Basques are nurturing and promoting Basque culture and identity to the world."--BOOK JACKET.

The book that inspired the Academy Award-winning short film, from New York Times bestselling author and beloved visionary William Joyce. Morris Lessmore loved words. He loved stories. He loved books. winds. But the power of story will save the day. Stunningly brought to life by William Joyce, one of the preeminent creators in children's literature, The Fantastic Flying Books of Mr. Morris Lessmore is a modern masterpiece, showing that in today's world of traditional books, eBooks, and apps, it's the story that we truly celebrate—and this story, no matter how you tell it, begs to be read again and again.

Un repaso a la historia de la Editorial Bruguera

desde sus inicios en 1910 como El Gato Negro hasta la actualidad, en que Ediciones B sigue apostando por la publicación de novedades y fondo editorial como una manera de mantener vivo un patrimonio cultural de nuestro país. En 1910 Joan Bruguera crea la Editorial El Gato Negro, donde en 1921 nació la popular revista Pulgarcito. En 1939 cambia su nombre por el de Editorial Bruguera, que a partir de los años cuarenta del pasado siglo irá creciendo en importancia hasta convertirse en la editorial más importante del país. En 1986, tras una larga historia, Bruguera cierra sus puertas. Es entonces cuando el

Grupo Zeta adquiere su fondo adjudicando el mismo a Ediciones B. Es en esta editorial donde, hasta hoy, se siguen publicado novedades de históricos de la historieta como Francisco Ibáñez o Jan, así como reeditando el fondo de estos y otros grandes autores como Víctor Mora, Escobar, Nené Estivill, Peñarroya y una lista casi interminable. *Ghosts of Colonies Past and Present* BRILL Eighty-two photographs by an unknown photographer, of unidentified women, taken probably between 1900 and 1915, and originally produced for stereoscope (3-D) viewing. The women were photographed nude, some in a
