What if Adam and Eve Had a Diary? "He talks very little. Perhaps it is because he is not bright and is sensitive about it and wishes to conceal it. It is such a pity that he should feel so, for brightness is nothing. It is in the heart that the values lie. I wish I could make him understand that a loving good heart is riches, and riches is enough, and that without it intellect is poverty." - Mark Twain, Eve's Diary Mark Twain's short stories aren't about his religious beliefs. In fact, the Diaries of Adam and Eve should be taken with a grain of salt as they are humorous and witty and describe in a unique way the relationship between two human beings, man and woman who eventually end up falling in love with each other.
