The 2020 campaign began with the 2016 election of Donald J. Trump and effectively rendered a verdict on his presidency. The Democartic Party sifted through a small army of worthies to defeat Trump and in former Vice-President Joe Biden they found their champion. Biden claimed the nomination following a phoenix-like rise propelled by a miraculous South Carolina primary victory. Backed by the party establishment and the mainstream media, Biden's weak campaign proved sufficient by a handful of votes in a handful of states and leaving Biden with little mandate other than to avoid being like Trump. The story of the 2020 election is in part a story of America and the Trump presidency, a stormy marriage of highs and lows shaped by contrived investigations into Russian government interference, a failed impeachment, a welcomed intolerance for sexual harassment, the exposure of deep racial divisions highlighted by widespread and often violent rioting accompanied by a re-examination of the role of the police, a strong economy until crushed by the coronavirus pandemic, and then the pandemic tragedy itself. The Trump presidency's four years astounded, for better or for worse, depending on point of view. This book chronicles the 2020 election and thus the events that shaped the election over the course of four years, written contemporaneously to capture the flavor of the moment, praising and criticizing Trump and his many antagonists in equal measure. Those enamored of the former president will find succor and outrage, as will those who delighted in his defeat. Those seeking to understand what happened will find the reading interesting, infuriating, and perhaps in places, illuminating.

Old Possum's Book of Practical Cats Papercutz

This cultural history reveals how cats became the undisputed mascot of the internet—"an essential look at life online" (Ryan Milner, author of The World Made Meme). Journalists and their readers seem to need no explanation for the line, "The internet is made of cats." Everyone understands the joke, but few know how it started. A Unified Theory of Cats on the Internet is the first book to explore the history of how the cat became the internet's best friend. Internet cats can differ in dramatic ways, from the goth cats of Twitter to the glamourpusses of Instagram to the giddy, nonsensical silliness of Nyan Cat. But they all share common traits and values. Bringing together fun anecdotes, thoughtful analyses, and hidden histories of the communities that built the internet, Elyse White shows how japonisme, punk culture, cute culture, and the battle among different communities for the soul of the internet informed the sensibility of online felines. Internet cats offer a playful and

useful way to understand how culture shapes—and is shaped by—technology. Western culture has used cats for centuries as symbols of darkness, pathos, and alienation. The communities that helped build the internet represented themselves as outsiders, with snark and alienation at the core of their identity. Thus cats became the sine qua non of cultural literacy for the Extremely Online, as well as an everyday medium of expression for the rest of us. Whatever direction the internet takes next, the “series of tubes” is likely to remain cat-shaped.

The Best Worst Poet Ever The Unofficial Guides

A humorous collection of dozens of photos of funny and adorable cats as they play with, roll in, and chow down their favorite snack of choice -- catnip. Cats love catnip. Whether it's eating it, playing with it, or rolling around in it, catnip turns our domestic feline friends into hilarious balls of activity. Carefree and unconstrained, they are free to be silly, exceptionally playful, and downright gnarly. Professional pet photographer and self-confessed crazy cat man Andrew Marttila (the photographer behind Shop Cats of New York) captures a range of the cats' silly and expressive personalities as they react to their catnip trip. Delightful, elegant Fluffy transforms into a hell-bent renegade. Shy, reserved Mittens becomes a free-loving acrobat. In the blink of an eye, a cat's expression transforms from bored to inquisitive to playful to curious to bizarre . . . to utterly unhinged. A fun and delightful look at our furry companions, this gift book is perfect for every cat lover.

A Triple Shot of Trouble Andersen Press USA

A USA TODAY and New York Times bestseller Perfect for fans of Kasie West and Jenn Bennett, this “sweet and funny” (Kerry Winfrey, author of *Waiting for Tom Hanks*) teen rom-com follows a

hopelessly romantic teen girl and her cute yet obnoxious neighbor as they scheme to get her noticed by her untouchable crush. Perpetual daydreamer Liz Buxbaum gave her heart to Michael a long time ago. But her cool, aloof forever crush never really saw her before he moved away. Now that he's back in town, Liz will do whatever it takes to get on his radar—and maybe snag him as a prom date—even befriend Wes Bennet. The annoyingly attractive next-door neighbor might seem like a prime candidate for romantic comedy fantasies, but Wes has only been a pain in Liz's butt since they were kids. Pranks involving frogs and decapitated lawn gnomes do not a potential boyfriend make. Yet, somehow, Wes and Michael are hitting it off, which means Wes is Liz's in. But as Liz and Wes scheme to get Liz noticed by Michael so she can have her magical prom moment, she's shocked to discover that she likes being around Wes. And as they continue to grow closer, she must reexamine everything she thought she knew about love—and rethink her own ideas of what Happily Ever After should look like.
