DECKER DALTON

Vanessa Del Rio. Ediz. inglese, francese e tedesca. Con DVD

Taschen

Featuring 30 types of breasts, *The Boob Book* is an illustrated celebration of womanhood and the boobs that come with it. Scattered throughout are boob miscellany: a boob personality flow chart, boob facts, boob self-care tips, a roundup of bras, types of nipples, a boob doodle, and illustrated ways we show off the goods. This joyful book features breasts of all colors and sizes—from "The Handful" to "The Mom-To-Be" to "The Small but Mighty"—showing women that every boob

type is weird, beautiful, and natural. • An illustrated love letter to a girl's breast friend • Filled with fun and interactive boob-related miscellany, like a boob personality test (are you a "Chillaxer" or a "Handful?"), boob facts, and breast self-care tips • Light, celebratory, and a little cheeky—but ultimately sincere Let's hear it for our bosom buddies. Our mammary mamas. Our breasts-in-arms. From small and mighty to large and in charge to long, short, hairy, bumpy, or any boobs in between, this book uplifts them all. • A perfect book for women of all generations—from friends to mothers and daughters—or anyone who wants to send some extra support and love to their ladies • Ideal for

anyone who needs a boob-size boost • Great for those who enjoyed *Feminist Activity Book* by Gemma Correll, *Celebrating You: (And the Beautiful Person You Are)* by M. H. Clark, and *Gross Anatomy: Dispatches from the Front (and Back)* by Mara Altman *History of Men's Magazines. Ediz. inglese, francese e tedesca* Harper Collins
The newsstand reeled from the Sexual Revolution in the 1970s. "Real sex" pioneer Peter Wolff vied with redneck Larry Flynt in the U.S.; England went cautiously nude; Germany went classy; Italy ran wild; France channeled Denmark; Japan learned the ropes and Germaine Greer went bottoms up, all in 600+ covers and

interiors.

Dian Hanson's: the History of Men's Magazines. Vol. 6: 1970s Under the

Counter Anchor

Hell hath no fury . . .

Damian, Earl of

Windermere, rues the day

he drunkenly gambled

away his family's estate

and was forced into

marriage to reclaim it.

Now, after hiding out from

his new bride for a year,

Damian is finally called

home, only to discover

that his modest bride has

become an alluring

beauty—and rumor has it

that she's taken a lover.

Damian vows to keep his

wife from straying again,

but to do so he must

seduce her—and protect

his heart from falling for

the wife he never knew he

wanted. Lady Cynthia

never aspired to be the

subject of scandal. Lady

Cynthia never aspired to

be the subject of scandal.

But with her husband off

gallivanting across Persia,

what was a lady to do?

Flirting shamelessly with

his former best friend

seemed like the perfect

revenge . . . except no

matter how little Damian

deserves her loyalty,

Cynthia can't bring herself

to be unfaithful. But now

that the scoundrel has

returned home, Cynthia

isn't about to forgive his

absence so easily—even if

his presence stirs

something in her she'd

long thought dead and

buried. He might win her

heart . . . if he can earn

her forgiveness!

The Little Book of Pussy

Taschen

Welcome to The Little

Book of Pussy, a petite

little kitten that puts

those up-close-and-

personal pictures in

proper perspective.

Through 100 years of

photos, we trace the

exhibitionistic pleasure

with which models

present their feminine

pulchritude.

The Little Book of Legs

Taschen

Often referred to

poetically as the "delta of

venus," this mysterious,

triangular-shaped area,

nestling by the female

crotch is what doubtless

attracts virtually every

man (and also many

women) more than any

other! What is it about the

look of a woman's pussy,

as it is affectionately

called, that is so

fascinating? In our topless

age, why is this most

feminine of all forbidden

zones still strictly shielded

from prying eyes? Who

knows, who can say?

However, it is common

knowledge that nothing

inspires erotic imagination

more than this yummy

triangle, which attracts

voyeuristic looks as

magically as the Bermuda

Triangle attracts ships

and aeroplanes. The

incredible variety of

shapes and colors, both

inside and outside,

featuring everything from

bold hair styles to naked

hairless pleasure, is

simply breathtaking. It is

almost as if the pussies

are before our very eyes,

glistening slightly, and we

are virtually able to inhale

their seductive scent or

taste it; these pussies

have been very skillfully

photographed to set them

off in the very best light.

Enjoy! Didier Carr♦,

Whether you call them

men's sophisticates, nudie

books or girlie magazines,

this long-ignored art form

has a rich international history. In this book, Dian Hanson follows the evolution of the genre from 19th century France, through the jazz-age, two world wars, the breast-centric 1950s to the end of the swinging 60s.

History of Girly Magazines Klotz Harper Collins

The works of Gil Elvgren, who has been dubbed "the Norman Rockwell of Cheesecake," reveal how his "girls next door" conquered America with charm, chic, and humor. 600 illustrations.

R. Crumb Sketchbook

Taschen America Llc
From a quarter million male nudes, editor Dian Hanson selects the best physique photography from Bob Mizer, founder of Physique Pictorial, America's first indisputably gay magazine. Printed from the original 4 x 5 negatives for utmost clarity, this two-volume, seriously strapping lineup includes movie and TV stars Nick Adams, Glenn Corbett, ...

Vanessa Del Rio Taschen America Llc

The Sexual Revolution brought France and Germany back into serious men's magazine production, along with Italy, England and even

Australia between 1959 and 1969. Playboy met serious competition from Penthouse, big breast magazines debuted, and this volume covers it all in 650+ covers and interiors. *Dian Hanson's: the history of men's magazines*

Chronicle Books

Although Ann Estelle focuses on her wish list as Christmas approaches, her best memories have little to do with the presents she receives.

The Little Big Butt Book

Chronicle Books

Collection of cartoons, caricatures and some comic strips by R. Crumb.

Dian Hanson's: The

History of Men's

Magazines. Vol. 1: From

1900 to Post-WWII

Taschen

This devoted compendium to the female derriere packs a whole lot of big booty into one petite treat of a book. Featuring more than 150 images of the biggest and best rears from The Big Book of Butt, including 30 new mouth-watering images, it's one irresistible ode to voluptuous curves from the 1950s to today.

The Boob Book Taschen

America Llc

Lovely legs: A new low-cost tribute to the shapely pedestals of female charm The female leg is an erotic oddity: non-

genital, and nearly identical in structure to the male limb, there is no obvious reason why it should be eroticized. Yet through much of history, across many cultures, the female leg was kept covered and treated as taboo, until it became an object of sexual obsession. In Victorian times, the word 'leg' was forbidden in polite society, lest gentlemen be driven wild with lust. Even now, 80 years after women's legs finally came out of hiding, their allure remains mysterious and powerful. The third in Dian Hanson's wildly successful series on erotic body parts is now downsized in a lighter, more portable edition that retains all the original photos and text. Explore how the female leg became central to women's emancipation, from the French Revolution to the sexual revolution. Over 400 photos document the first burlesque shows of the 1800s, the silk-stockinged flappers of the 20s, the nylon-mania of the 40s, the dawn of the stiletto in the 50s, and the golden age of leg magazines in the 60s. Who wore the first high heels, how did nylons become a weapon of war, why were Betty Grable's the "million dollar

legs," where did Elmer Batters get his start, and just what is the deal with feet? The answers are all here, along with vintage photos by Irving Klaw, Peter Gowland, Bunny Yeager, Batters, and other great masters of leg art. Text in English, French, and German

Dian Hanson's: The History of Men's Magazines. Vol. 5: 1970s At the

Newsstand Murder of Crows

The first Ed Fox title, "Glamour From the Ground Up," introduced the heir to the peculiar photographic niche long ruled by the great Elmer Batters. "Ed Fox, Vol. 2" comes with a 60-minute original DVD, bringing the still photos to vibrant life.

The Complete Kake Comics Taschen

In tre volumi compatti ed esaustivi, Dian Hanson ripercorre l'affascinante storia delle riviste dedicate alle pin-up partendo dal 1900 fino al 1969. Il primo volume parla delle prime riviste nate in Francia, Germania e negli Stati Uniti e della loro evoluzione durante la Prima e la Seconda guerra mondiale. Il secondo volume documenta il crescente successo di questo tipo di riviste dopo la Seconda guerra

mondiale, periodo che vede nascere, fra le altre, la rivista Playboy e durante il quale prendono piede le riviste inglesi per soli uomini e quelle dedicate al feticismo. Il terzo e ultimo volume documenta la rinascita delle riviste americane dopo l'abolizione della legge in materia di oscenità; le riviste francesi perdono terreno a favore di quelle inglesi più voyeristiche e di quelle tedesche più hippy e politicizzate.

The Little Book of Big Penis Penguin Adult HC/TR

The definitive annotated and illustrated history of girlie periodicals (1958-1967) Volume III begins with an explosion of new American men's magazines following the redefinition of US obscenity laws in the late fifties. We examine the enormous impact of Playboy, not only on American titles, but on magazines worldwide. This is the decade when France finally declines as a great force in magazine production; England starts to show her pervy side; Argentina embraces burlesque; and Germany once again blends political activism with nudity. By 1965 even Australia has a booming men's magazine industry. The volume ends

with a look at those great back-of-the-magazine ads for party pills and the first inflatable 'dates'. The History of Men's Magazines, Volume III contains over 400 full color pages of vintage covers and interiors and a well-researched text profiling quirky publishers and artists, individual magazines, and the place of it all in the Swinging Sixties culture.

Ed Fox Taschen America Llc

"One of the best novelists since Jane Austen....The Hundred Days may be the best installment yet....I give O'Brian's fans joy of it."—Philadelphia Inquirer Napoleon, escaped from Elba, pursues his enemies across Europe like a vengeful phoenix. If he can corner the British and Prussians before their Russian and Austrian allies arrive, his genius will lead the French armies to triumph at Waterloo. In the Balkans, preparing a thrust northwards into Central Europe to block the Russians and Austrians, a horde of Muslim mercenaries is gathering. They are inclined toward Napoleon because of his conversion to Islam during the Egyptian campaign, but they will not move without a shipment of

gold ingots from Sheik Ibn Hazm which, according to British intelligence, is on its way via camel caravan to the coast of North Africa. It is this gold that Jack Aubrey and Stephen Maturin must at all costs intercept. The fate of Europe hinges on their desperate mission. "The Hundred Days is certain to delight O'Brian's fans, for whom happiness is an unending stream of Aubrey/Maturin books....[It] is a fine novel that stands proudly on the shelf with the others."—Los Angeles Times

Queen of Christmas

Taschen

Describes the origins and the development in detail and showcasing the most important artists. More than 900 colour illustrations.

Bob Mizer. AMG. 1000

Model Directory National Geographic Books

The definitive annotated and illustrated history of girlie periodicals (1958-1967) Volume IV concentrates on the emergence of California's specialty magazine industry and how it spawned the state's multi-billion dollar sex industry of today, but also includes fetish master Irving Klaw, the specialty magazines of England, and concludes with Sweden and Denmark's emergence as the new powers in European publishing. Together with Volume III, Volume IV gives a complete picture of this fascinating decade of rapid social change, but also stands on its own, covering a distinctly different, more risqu? side

of 1960s men's magazine publishing. Volume IV contains over 400 full color pages of magazine covers and interiors with well-researched text profiling important publishers and artists, individual magazines, and specialty magazine categories. This hardcover volume is an instant collectable and is vital to completion of Dian Hanson's: The History of Men's Magazines six-volume set.
