Authors and experienced Maltese owners Jordon Pogorzelski and Coral Drake teamed up with six top Maltese breeders to create this GO-TO guidebook that covers everything a new owner needs to know about the Maltese breed. In *The Complete Guide to the Maltese* you'll learn everything you need to know to raise a happy and healthy Maltese from puppy to old age. If you have recently adopted a Maltese, these pages will teach you how to deal with any past traumas they may have experienced and help them adapt to a safe and happy life in their new home. Chapter Topics include: Is a Maltese the Right Breed for Me? Buying vs. Adopting Getting to Know Your Adult Maltese Preparing for a Maltese Puppy Bringing Home your Maltese Puppy Raising a Happy, Healthy Maltese Exercising your Maltese The Art of Grooming a Maltese Socialization and Living with Other Pets Dealing with Unwanted behavior Feeding your Maltese Health Care: Beginning to Advance Traveling with your Maltese The Maltese has graced the laps of luxury for thousands of years. This elegant little dog comes from the now-extinct nation of Malta. As Malta was invaded and colonized, the beautiful little white dog spread across the world. The Maltese was never meant to be anything but a companion, and thousands of years of dedicated breeding have made a truly wonderful best friend. These tiny dogs are unaware of their small size. They are fearless, playful, and endlessly charming. If you know somebody who doesn't like dogs, introduce them to a Maltese and you may change their mind. Maltese are hardy and adaptable. Their fearlessness makes them good watchdogs but also will help them win over anyone. These little athletes can excel on the agility course and look truly stunning showing off their athleticism in full coat. Maltese are truly beautiful little dogs. Their pure white coat grows continuously. When kept in show coat, the ends of their hair sweeps the ground. However, Maltese can also be clipped short for a low-maintenance and easy to clean coat. The coat is low shedding and easy to maintain with regular brushing. Maltese can be willful and their affection natures do not respond well to harsh training techniques. Therefore, consistent positive training is essential in order to shape your dog's behavior. Learn how to best train for a Maltese's willful and sometimes stubborn nature. Find out the basics of grooming this gorgeous coat. Decide what to feed and how to supplement your Maltese's diet in order to keep them healthy well into their teens. This book can guide you through every element of life with your Maltese.

The Complete Dog Breed Book Chronicle Books

The brilliant 19th-century creation of sportsman Captain John Edwardes, the Sealyham Terrier possesses more courage per square inch than any other terrier in the world. A walking, barking contradiction, this dignified, elegant companion, cloaked in white with smart markings, is a fearless, territorial working dog. Although the Sealyham Terrier only stands over limited ground, given his small size, he's capable of guarding entire estates for his well-protected owners. For the right family who knows how to regard and train this "below-the-knee" wonder, the Sealy makes an appealing house pet who delights in being around his people. Terrier expert and author Muriel P. Lee discusses the breed's history in the UK and the US, highlighting the Sealy's glory days in the show ring and tracing the top dogs and breeders to the current day. This Special Rare-Breed Edition discusses the breed's characteristics and standard, as well as puppy selection and rearing. New owners will welcome the author's advice on house-training and obedience lessons, including preventing puppy problems and solving undesirable-behavior issues. Additionally, this well-illustrated color volume covers the basics of preventive healthcare in a thorough, up-to-date chapter written by veterinarian Dr. Lowell Ackerman; parasites, inoculations, spay/ neuter and selecting a veterinarian are among the topics discussed.

This is a small format version of The RSPCA Complete Dog Training Manual. It is intended to be useful as reference as the training takes place and focuses on training with kindness, with food rewards and verbal praise as the basis of control. Dr Bruce Fogle presents a RSPCA-approved training programme that begins with puppy control and establishment of a routine, and progresses to more advanced techniques for dogs of all ages, such as restraint, recall, retrieval, bark control and heel work. The book also explains behaviour problems and shows how each one can be effectively overcome.

Pomskies: A Complete Guide for the New Owner Adams Media

From the Land of the Rising Sun comes the delightful and affectionate toy dog known as the Japanese Chin, revered for centuries as a palace treasure and today counted among the world's most beloved companion dogs. This Comprehensive Owner's Guide, written by Juliette Cunliffe, provides an entertaining portrait of the Chin's origins and history, including Commodore Perry's famous door-opening visit to Japan, the breed's rise to the favor of England's Queen Alexandra, and the Chin's introduction to the United States. In the chapter on the breed's characteristics, the author reveals her insight into this "happy little character with a down-to-earth, yet bumptious, personality." Potential owners are made aware that, despite his small size, the Chin has a larger-than-life approach to the world, and that as a home companion, the Chin demands affection and little else, being a naturally clean pet, often compared to a cat in cleanliness, sophistication, and self-awareness. In the home of a loving owner, the Chin will thrive and become a superb addition to the family, even one with children and cat or two! New owners will welcome the well-prepared chapter on finding a reputable breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are illustrated with photographs of handsome adults and puppies. In all, there are over 135 full-color photographs in this useful and reliable volume. The author's advice on obedience training will help the reader better mold and train into the most well-mannered dog in the

neighborhood. The extensive and lavishly illustrated chapter on healthcare provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, preventing and dealing with parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical dogs, breeders, or kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

Poor Smelly Dog. His breath stinks so much he's losing his friends. But something is about to happen that will change all that and turn Smelly Dog into a hero! Smelly Dog is one of a series of small format storybooks for preschool children, based on the hugely popular TV animation series Animal Stories. Each title -- based on a single TV episode -- follows the amusing antics of an animal character who is struggling to overcome a particular burden in life, such as baldness in the lion, bad breath in the dog, ugliness in the aardvark and slowness in the snail. The stories are told in delightful rhyming verse, accompanied by bold colourful illustrations derived from the animation. Funny and appealing, this series of eight titles will enthral fans of the TV programme and newcomers alike, and makes a charming set for young children to collect.

Dogs John Wiley & Sons

Easily one of the most recognizable dogs in the world, Chihuahuas are easy to identify. If you ask someone what they think of Chihuahuas, you are almost certain to get a strong reaction either in favor of them or against them. They can be an incredibly polarizing breed. One thing that most people agree on about Chihuahuas is that they don't appear to understand just how small they are. Most Chihuahuas don't exhibit much (or any fear), going up and barking at a Great Dane or Mastiff.

It's impossible not to shake your head at their antics. This guide will walk you through the in's and out's of owning this phenomenal breed. Whether you're someone playing with the idea of getting a Chihuahua, or have already embarked on your journey with your pup, this guide will offer an insight into how to create a happy and fulfilling life for you and your Chi. This book will answer all your questions such as: Is a Chihuahua the right dog for me? I brought my Chihuahua home. What now? How can I best train my Chihuahua? What are some common mistakes should I avoid? They can be difficult to train, and their personalities tend to match their parents' personalities. But with early socialization, they can make fantastic additions to any family. Topics covered in the book include: Mischievous Charmers - the Defining Characteristics Breed History and Characteristics The Ideal Home Finding Your Chihuahua Preparing for Your Puppy The First Week The First Month Houstraining Socialization and Experience Being a Puppy Parent Living with other dogs Training You Chihuahua Puppy Basic Commands Nutrition Grooming - Productive Bonding Basic Health Care Health Concerns Your Aging Chihuahua Given their small size, Chihuahuas are a surprisingly

entertaining dog - largely because they don't realize just how small they are. They tend to be wary of strangers, but when it comes to their family, they are one of the most loyal breeds. They love their families and want to protect them just as much as any large breed. Chihuahuas are not for everyone, but if you bring one into your home, you will have a dog that will love you unconditionally.

BIOGRAPHY & AUTOBIOGRAPHY. A story of survival, transformation and love. In a beautiful and powerful memoir which mixes honest, personal revelation with literature, history, and inspirational self-help, Bel Mooney tells the story of her rescue dog, Bonnie, who in turn rescued Bel when her world fell apart with the all-too public break-up of her 35-year marriage. A story of survival, and also one of love. This is an account of six years in Bel's life, from when she first acquired Bonnie from a rescue home, through Bel's years of personal heartbreak and disappointment, and on to the happiness which she has now found in a new marriage and a new life, with the Maltese at her side all the way.
