*The Face of  
Fashion*  
Franklin

Classics  
A pivotal work  
in the genesis  
of Brecht's  
theory and  
practice of

epic theatre, this is a classic of the twentieth-century avant-garde and represents his first major collaboration with the composer Kurt Weill. It premiered in Leipzig in 1930 where it provoked a major scandal. It chronicles the development and demise of the 'paradise city' of Mahagonny in a series of tableaux capturing the baser aspects of human nature.

### **The Rise and Fall of the**

### **City of Mahagonny**

Routledge  
This holiday bestseller is now available in paperback. Dozens of recipes include Christmas breads such as stollen and panettone, directions for making a spectacular gingerbread house, edible tree ornaments, and all kinds of cookies. Step-by-step color photos show techniques, and 40 additional full-page, full-color photos present

finished masterpieces.

### The Messenger Boy: A New and Original Musical Play

Рипол  
Классик  
In 1874, Stephane Mallarme, the great French poet, undertook a highly idiosyncratic project--the publication of a fashion magazine called La Derniere Mode (The Latest Fashion)--that he almost single-handedly compiled. Using a variety of feminine and

masculine pseudonyms to theorize about fashion and to advise on popular vacation destinations, home furnishings, and entertainment , Mallarmé created a spectacularly original work. The distinguishing feature of Mallarme's magazine is that it explores the nature of fashion from the inside. While it is a genuine fashion magazine, it also satirizes the entire

genre. Various theories have been entertained about the work: it has been viewed as a prose poem, a hoax, and a cynical money-making venture. Furbank and Cain, however, argue that such guesses are hopelessly off the mark. Complete with the original artwork and a contextualizing introduction and commentary, this is the definitive translation of one of French literature's

greatest enigmas. *Christmas Baking* Sagwan Press Best known as the author of the acclaimed book, *The Theory of the Leisure Class* (1899), Thorstein Veblen was much more than a one-book wonder. He is in fact a seminal classical sociologist who made many original contributions to the study of culture and society. This inspired selection conveys the full zest and penetrating

insights of Veblen's writings. The collection comes with a full-length essay which demonstrates the continuing relevance of Veblen's sociology. Mallarmé on Fashion Barron's Educational Series There is an increasing trend within both the study of visual culture and fashion itself to restore fashion to an aesthetic role - one that moves beyond its commercial success as a global

industry and places fashion within a nexus of art, the body, and femininity. This emphasis aims to separate fashion from mere clothing, and illustrate its cultural power as an integral aspect of modern life. In this innovative new book, Alison Bancroft re-examines significant moments in twentieth-century fashion history through the focal lens of psychoanalytic theory. Her discussion

centres on studies of fashion photography, haute couture, queer dressing, and fashion/art in an attempt to shed new light on these key issues. According to Bancroft, problems of subjectivity are played out through fashion, in the public arena, and not just in the dark, unknowable unconscious mind. The question of what can be said, and what can only be experienced, and how these two issues

may be reconciled, become questions that fashion addresses on an almost daily basis. Psychoanalysis has been profoundly influential in the arts, thanks to its capacity to add layers of meaning to things that, without it, would remain obtuse and intractable. It has proved crucial to the development of film studies, art theory and literary criticism. What it has not yet been brought into

dialogue with in great depth is fashion. By interpreting fashion within a psychoanalytic frame, Bancroft illustrates how fashion articulates some of the essential, and sometimes frightening, truths about the body, femininity and the self. *Lithuanian Traditional Foods* Palala Press Columbia Theatre, absolutely fireproof, Lockett & Dwyer, lessees and managers,

Ned Stein, treasurer. The English musical comedy in two acts entitled "Florodora," book by Owen Hall, music by Leslie Stuart, direction of John C. Fisher and Thos. W. Ryley. **The trumpeter of Sackingen**

Yale University Press  
The latest entry in this acclaimed series of new translations of the Musketeer novels, Blood Royal

continues the adventures of the valiant d'Artagnan and his three loyal friends. The latest translation in Lawrence Ellsworth's acclaimed new series of Alexandre Dumas's greatest adventures is *Blood Royal*, the second half of what Dumas originally published as *Twenty Years After*. In this volume all the plots and schemes set up in the previous novel come to dramatic fruition in the

kind of exciting thrill-ride Dumas is famous for—while at the same time introducing the characters and themes that form the foundation of the rest of the series, leading to its great climax in *The Man in the Iron Mask*. In *Blood Royal*, the Four Musketeers all venture to England on parallel missions to save King Charles I, pursued by the murderous and vengeful Mordaunt, the son of Milady de Winter, the

great villain of *The Three Musketeers*. Despite all his experience, d'Artagnan is repeatedly foiled by the much-younger Mordaunt, who erupts out of the past to embody the strengths of audacity and cunning that were once d'Artagnan's hallmarks. Mordaunt has corrupted those youthful strengths, and the older d'Artagnan is no match for him until he is able to pull his former team together again. To do this

d'Artagnan will have to become a true leader of men, leading not just by example but also by foresight, persuasion, and compromise. Only then can the team of Athos, Porthos, and Aramis be reformed in all its might to defeat the specter of their past. Blood Royal is unmatched in Dumas's oeuvre in its depictions of his most famous and beloved characters, and an

unforgettable saga of swordplay, suspense, revenge, and ultimate triumph. *A Runaway Girl* Pegasus Books

#### Haute-à-Porter

Sagwan Press  
 \* Examines the relationship between Haute Couture and Pret-a-porter collections\*  
 Conversations with dozens of renowned fashion

photographers and designers including Colin MsDowell, Vivienne Westwood, and Jackie NickersonHaut e couture often dazzles us with its precision, craftsmanship and the extravaganza inherent in it. Clothing items are made out of proportion; unique materials are used and everything is hand-finished. But, the Prt-porter collections of today comply with the classic principles of Haute

Couture. The items shown on the catwalk should theoretically be wearable, but often in reality this is not entirely the case. Haute-Porter examines the relationship between Haute Couture and prt-porter collections and shows the evolution in their relationship over the past 25 years.Includes conversations with Angelo Flaccavento, Antonio Mancinelli, Alexander

**The Belle Of New York**  
 Palala Press  
 Previous studies of Wagner's operas have tended to approach the works as chunks of autobiography , philosophical speculations

or historical-political comments on the age in which they were written. Professor Dahlhaus dissociated himself from all such ventures. His aim is to reveal, by careful analysis of the works from *Der fliegende Holländer* to *Parsifal*, the dominant features of 'music drama' and how Wagner achieves such profound, unified effects. Professor Dahlhaus cites music examples only

when they are germane to his argument and requires from his readers no more than a limited amount of technical musical knowledge. This is not, therefore, an exclusively specialist study. Rather it will help the enthusiastic beginner to come to terms with these great works of art as well as offering many valuable insights to the experienced Wagnerian. The book will be of interest to students

and scholars of music history, theory, opera and philosophy.
