MARISOL POLLARD	

[English for a Better World lv' 2007 Ed.](#) Lulu.com

"Never before, in the entire history of the American theater, has so much of the truth of Black people's lives been seen on the stage," observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to *A Raisin in the Sun*," said *The New York Times*. "It is as if history is conspiring to make the play a classic."

Salvation Macmillan

A selection of the author's favorite stories chosen from three of his books: "Simple Speaks his Mind," "Simple Takes a Wife," and "Simple Stakes a Claim."

Erasure The New Press

Includes readings that represent a variety of authors, disciplines, issues, and interests.

Being Brought from Africa to America - The Best of Phillis Wheatley Routledge

Winner of the 2018 Award for Excellence in the Study of Religion in Textual Studies, presented by the American Academy of Religion A new perspective on the role of religion in the work of Langston Hughes Langston's *Salvation* offers a fascinating exploration into the religious thought of Langston Hughes. Known for his poetry, plays, and social activism, the importance of religion in Hughes' work has historically been ignored or dismissed. This book puts this aspect of Hughes work front and center, placing it into the wider context of twentieth-century American and African American religious cultures. Best brings to life the religious orientation of Hughes work, illuminating how this powerful figure helped to expand the definition of African American religion during this time. Best argues that contrary to popular perception, Hughes was neither an avowed atheist nor unconcerned with religious matters. He demonstrates that Hughes' religious writing helps to situate him and other black writers as important participants in a broader national discussion about race and religion in America. Through a rigorous analysis that includes attention to Hughes's unpublished religious poems, Langston's *Salvation* reveals new insights into Hughes's body of work, and demonstrates that while Hughes is seen as one of the most important voices of the Harlem Renaissance, his writing also needs to be understood within the context of twentieth-century American religious liberalism and of the larger modernist movement. Combining historical and literary analyses with biographical explorations of Langston Hughes as a writer and individual, Langston's *Salvation* opens a space to read Langston Hughes' writing religiously, in order to fully understand the writer and the world he inhabited.

75 Readings Bedford/St. Martin's

It's a simple, best-selling combination that has worked for thousands of students — short, accessible essays and helpful, thorough writing instruction. *Models for Writers* continues to offer thought-provoking selections organized to demonstrate not only the rhetorical patterns that students will use in their own essays but also the elements and language that will make those essays effective. This edition offers more coverage of the key elements of academic writing, including new strategies for writing a research paper and a section on writing a reflective essay. Read the preface.

Literature and the Writing Process Courier Dover Publications

Phillis Wheatley (c. 1753–1784) was an American freed slave and poet who wrote the first book of poetry by an African-American. Sold into a slavery in West Africa at the age of around seven, she was taken to North America where she served the Wheatley family of Boston. Phillis was tutored in

reading and writing by Mary, the Wheatleys' 18-year-old daughter, and was reading Latin and Greek classics from the age of twelve. Encouraged by the progressive Wheatleys who recognised her incredible literary talent, she wrote "To the University of Cambridge" when she was 14 and by 20 had found patronage in the form of Selina Hastings, Countess of Huntingdon. Her works garnered acclaim in both England and the colonies and she became the first African American to make a living as a poet. This volume contains a collection of Wheatley's best poetry, including the titular poem "Being Brought from Africa to America". Contents include: "Phillis Wheatley", "Phillis Wheatley by Benjamin Brawley", "To Maecenas", "On Virtue", "To the University of Cambridge", "To the King's Most Excellent Majesty", "On Being Brought from Africa to America", "On the Death of the Rev. Dr. Sewell", "On the Death of the Rev. Mr. George Whitefield", etc. *Ragged Hand* is proudly publishing this brand new collection of classic poetry with a specially-commissioned biography of the author.

The Mule-Bone IGI Global

Percival Everett's *Erasure* is a blistering satire about race and writing Thelonious "Monk" Ellison's writing career has bottomed out: his latest manuscript has been rejected by seventeen publishers, which stings all the more because his previous novels have been "critically acclaimed." He seethes on the sidelines of the literary establishment as he watches the meteoric success of *We's Lives in Da Ghetto*, a first novel by a woman who once visited "some relatives in Harlem for a couple of days." Meanwhile, Monk struggles with real family tragedies—his aged mother is fast succumbing to Alzheimer's, and he still grapples with the reverberations of his father's suicide seven years before. In his rage and despair, Monk dashes off a novel meant to be an indictment of Juanita Mae Jenkins's bestseller. He doesn't intend for *My Pafology* to be published, let alone taken seriously, but it is—under the pseudonym Stagg R. Leigh—and soon it becomes the Next Big Thing. How Monk deals with the personal and professional fallout galvanizes this audacious, hysterical, and quietly devastating novel.

Shaping Shorter Essays Rutgers University Press

When a young boy named Roger tries to steal the purse of a woman named Luella, he is just looking for money to buy stylish new shoes. After she grabs him by the collar and drags him back to her home, he's sure that he is in deep trouble. Instead, Roger is soon left speechless by her kindness and generosity.

The Ways of White Folks Manchester University Press

Broken, just to be made new is a thesis on the often avoided topic of brokenness. It addresses the issues that lead to it and the questions that arise concerning whether it is a method used by God to mature us or a tool of the devil to defeat us. Does God really want brokenness? Do we really have to become vulnerable to failure in order that we might become powerful in the eyes of God? And finally, where do we go after we've experienced brokenness? Finding your way back to the place of refreshing after one has suffered great loss both of the physical and the spiritual type. *Teaching Community* Modern Language Association
Ambiguous and unsettling, Silko's "Yellow Woman" explores one woman's desires and changes--her need to open herself to a richer sensuality. Walking away from her everyday identity as daughter, wife and mother, she takes possession of transgressive feelings and desires by recognizing them in the stories she has heard, by blurring the boundaries between herself and the Yellow Woman of myth.

Langston's Salvation Hassell Street Press

A common idea within modern education is that digital technologies and traditional learning cannot coexist successfully, that essentially technologies can be distracting and disrupting for students. It is believed that current implementations of technology in educational settings create an environment that is at odds with itself. However, this dichotomy between traditional learning and educational technologies does not need to be the default. Digital technology can be used in positive ways to enhance learning, whether it is providing easier access to information or in a creative light such as the implementation of video games as learning tools. Ultimately, it is

possible to incorporate technologies into classical education strategies so that they complement each other. *Acquiring Learning Skills With Digital Technology* is a critical scholarly publication that examines cutting-edge research on how digital technologies disrupt the traditional learning structure, and proposes ways in which traditional learning and digital technology can complement each other. This will improve learning while communicating a program of skill-acquisitions that can become the basis for stand-alone general education courses and as teaching techniques. It examines three skills that the authors define as trim (abilities in the economy and concentration of language), track (progressive comprehension of documents), and test (pragmatic testing of data and precepts located on search engines). The authors demonstrate these skills' links to already-established digital skills, platforms, and protocols while also giving examples of each in both practice and format. The book examines a variety of technologies including video games, the internet, and social media, in particular Skype, Google, and Twitter. Featuring a wide range of topics such as social media, pedagogy, and psychology, this book is ideal for education professionals, academicians, IT professionals, researchers, computer scientists, psychologists, and students.

Broken, just to be made new McGraw-Hill Humanities, Social Sciences & World Languages

"To know things, for us to know things, is bad for them. We get to wanting and when we get to wanting it's bad for them. They think we want what they got . . . That's why they don't want us reading." -- Nightjohn "I didn't know what letters was, not what they meant, but I thought it might be something I wanted to know. To learn."--Sarny Sarny, a female slave at the Waller plantation, first sees Nightjohn when he is brought there with a rope around his neck, his body covered in scars. He had escaped north to freedom, but he came back--came back to teach reading. Knowing that the penalty for reading is dismemberment Nightjohn still returned to slavery to teach others how to read. And twelve-year-old Sarny is willing to take the risk to learn. Set in the 1850s, Gary Paulsen's groundbreaking new novel is unlike anything else the award-winning author has written. It is a meticulously researched, historically accurate, and artistically crafted portrayal of a grim time in our nation's past, brought to light through the personal history of two unforgettable characters.

The Best of Simple Read Books Ltd

For nearly thirty-five years Julian Mason's *The Poems of Phillis Wheatley* (1966) has been the standard edition of the poems and letters of this young black poet of eighteenth-century Boston. This new edition has been extensively revised in light of Wheatley scholarship since its publication. It has been expanded to include all of the fifty-six poems and twenty-two letters now known to be by Wheatley, the significant variants of the poems, and the four Proposals for publication of her works, all of them annotated. This edition contains the recently discovered poem "Ocean," new information about Wheatley's library (including a southern connection), a more accurate reading of a letter central to understanding the response to her 1772 Proposals, new variants of two poems, and a new reading of her George Washington poem. By going back to the original manuscripts (and to first printings when the manuscripts are not extant), Mason has provided the fullest and most accurate edition of Wheatley's poems and letters yet produced. The new index and bibliography assure the volume's usefulness for the scholar, the student, and the general reader.

The Weary Blues Thomas Nelson

A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the *New York Times* wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for "obscurity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty,

hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to “hurl words into this darkness and wait for an echo.” Seventy-five years later, his words continue to reverberate. “To read *Black Boy* is to stare into the heart of darkness,” John Edgar Wideman writes in his foreword. “Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear.” One of the great American memoirs, Wright’s account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time.

Acquiring Learning Skills With Digital Technology NYU Press

This book offers an outstanding collection of the most popular essays for first-year writing at an affordable price. The latest edition boasts an extensive new argumentation section, new readings about social issues and the environment, and a new section on mixed strategies - those readings that employ two or more rhetorical modes. 21 of the 75 readings are new to this edition. Mentor Texts Bantam

Responding to the enormous interest in African-American literature, Columbia University Press is publishing a Granger's(R) index devoted exclusively to poetry by African-Americans. To compile the Index to African-American Poetry, a team of consultants indentified the best, most widely available anthologies and volumes of collected and selected works. The result: this new index includes more than 11,000 poems by 659 poets.

The Poems of Phillis Wheatley Random House

This story begins in Eatonville, Florida, on a Saturday afternoon with Jim and Dave fighting for Daisy's affection. An argument breaks out between two men, and Jim picks up a hock bone from a mule and knocks Dave out. Because of that Jim gets arrested and is held for trial in Joe Clarke's barn. When the trial begins the townspeople are divided along religious lines: Jim's Methodist supporters sit on one side of the church, Dave's Baptist supporters on the other. The issue to be decided at the trial is whether or not Jim has committed a crime.

Classroom Conversations Harper Collins

Ten years ago, bell hooks astonished readers with *Teaching to Transgress: Education as the Practice of Freedom*. Now comes *Teaching Community: A Pedagogy of Hope* - a powerful, visionary work that will enrich our teaching and our lives. Combining critical thinking about education with autobiographical narratives, hooks invites readers to extend the discourse of race, gender, class and nationality beyond the classroom into everyday situations of learning. bell hooks writes candidly about her own experiences. Teaching, she explains, can happen anywhere, any time - not

just in college classrooms but in churches, in bookstores, in homes where people get together to share ideas that affect their daily lives. In *Teaching Community* bell hooks seeks to theorize from the place of the positive, looking at what works. Writing about struggles to end racism and white supremacy, she makes the useful point that "No one is born a racist. Everyone makes a choice." *Teaching Community* tells us how we can choose to end racism and create a beloved community. hooks looks at many issues-among them, spirituality in the classroom, white people looking to end racism, and erotic relationships between professors and students. Spirit, struggle, service, love, the ideals of shared knowledge and shared learning - these values motivate progressive social change. Teachers of vision know that democratic education can never be confined to a classroom. Teaching - so often undervalued in our society -- can be a joyous and inclusive activity. bell hooks shows the way. "When teachers teach with love, combining care, commitment, knowledge, responsibility, respect, and trust, we are often able to enter the classroom and go straight to the heart of the matter, which is knowing what to do on any given day to create the best climate for learning."

Nightjohn John Wiley & Sons

In the second edition of her critically acclaimed book *The Dreamkeepers*, Gloria Ladson-Billings revisits the eight teachers who were profiled in the first edition and introduces us to new teachers who are current exemplars of good teaching. She shows that culturally relevant teaching is not a matter of race, gender, or teaching style. What matters most is a teacher's efforts to work with the unique strengths a child brings to the classroom. A brilliant mixture of scholarship and storytelling, *The Dreamkeepers* challenges us to envision intellectually rigorous and culturally relevant classrooms that have the power to improve the lives of not just African American students, but all children. This new edition also includes questions for reflection
