The Baseball Bibliography Schiffer Pub Limited

Delineate the politicians, business people, artists, immigrant laborers, and city dwellers who are the key players in the tale. In tracing the park's history, the writers also give us the history of New York. They explain how squabbles over politics, taxes, and real estate development shaped the park and describe the acrimonious debates over what a public park should look like, what facilities it should offer, and how it should accommodate the often incompatible.

The Book of Griswold and Wagner Baen

THE SUNDAY TIMES TOP TEN BESTSELLER SHORTLISTED FOR THE COSTA BIOGRAPHY AWARD 'So very important' NIGELLA LAWSON 'Brilliantly alive' SUNDAY TIMES 'A truly wonderful book. Read it' HENRY MARSH 'Shows us the very best of human nature' ADAM KAY 'Her words are brimful of love, grace and kindness' GUARDIAN As a specialist in palliative medicine, Dr Rachel Clarke chooses to inhabit a place many people would find too tragic to contemplate. Every day, she tries to bring care and comfort to those reaching the end of their lives and to help make dying more bearable. Rachel's training was put to the test in 2017 when her beloved GP father was diagnosed with terminal cancer. She learned that nothing - even the best palliative care - can sugar-coat the pain of losing someone you love. And yet, she argues, in a hospice there is more of what matters in life - more love, more strength, more kindness, more joy, more tenderness, more grace, more compassion - than you could ever imagine. For if there is a difference between people who know they are dying and the rest of us, it is simply this: that the terminally ill know their time is running out, while we live as though we have all the time in the world. Dear Life is a book about the vital importance of human connection, by the doctor we would all want by our sides at a time of crisis. It is a love letter - to a father, to a profession, to life itself.

Transistor Radios, 1954-1968 Scarecrow Press

In this book I discuss the purchasing and restoration of cast iron. I will take you on a journey of finding, buying, restoring, and caring for your finds and purchases. This book will help the novice user of cast iron to feel a little more comfortable about buying and using it.

Taming Manhattan University of Arkansas Press

On the one hand, nobody wants to be a dick. On the other hand, dicks are everywhere! They cut in line, talk behind our backs, recline into our seats, and even have the power to morph into trolls online. Their powers are impressive, but with a little foresight and thoughtfulness, we can take a stand against dickishness today. How Not to Be a Dick is packed with honest and straightforward advice, but it also includes playful illustrations showing two well-meaning (but not always well behaved) young people as they confront moments of potential dickishness in their everyday lives. Sometimes they falter, sometimes they triumph, but they always seek to find a better way. And with their help, you can too. Just see the agreement at the beginning of the book: I pledge to use the tools and techniques provided in this book to help make the world a less dickish place. "Doherty fires absurd twenty-first-century zingers that happen to be really, really, really funny."—starred, Booklist *Coming Up Next* Schiffer Pub Limited

Transistor radios of the 1950s and '60s are shown in over 460 color photographs with an overview of the types, sizes, and styles. Over 1,000 radios are featured from Admiral, Bulova, Emerson, Philco, Regency, Zenith, Hitachi, Koyo, NEC, Realtone, Sony, and Toshiba. Each radio is identified by manufacturer, model number, number of transistors, special features, country of origin, and date. A complete value guide is included.

Home cooks and gourmets, chefs and restaurateurs, epicures, and simple food lovers of all stripes will delight in this smorgasbord of the history and culture of food and drink. Professor of Culinary History Andrew Smith and nearly 200 authors bring together in 770 entries the scholarship on wide-ranging topics from airline and funeral food to fad diets and fast food; drinks like lemonade, Kool-Aid, and Tang; foodstuffs like Jell-O, Twinkies, and Spam; and Dagwood, hoagie, and Sloppy Joe sandwiches.

Kovels' Yellow Pages Schiffer Military History Book

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War. *American Book Publishing Record* Zest Books™

463 photos of Griswold muffin pan designs and computer graphics depicting 226 pan variations are among the pertinent details necessary to identify Griswold pans. The names, numbers, pattern numbers, dates of production and comparative rarity of each pan are provided.

How Not to Be a Dick House of Collectibles

The Book of Wagner and Griswold Routledge

From 1815 to 1865, as city blocks encroached on farmland to accommodate Manhattan's exploding population, prosperous New Yorkers developed new ideas about what an urban environment should contain—ideas that poorer immigrants resisted. As Catherine McNeur shows, taming Manhattan came at the cost of amplifying environmental and economic disparities.

The Official Rinker Price Guide to Collectibles Oxford University Press

This fourth edition of the Harry L. Rinker Official Price Guide to Collectibles has more coverage of collectibles than any other book on the market. Here you'll find furniture, decorative accessories, and giftware along with the traditional character and personality items, ceramic, glass, and toys.
