Seeking a Familiar Face
Harvest House Publishers
With a genuine passion, Sam Hinn creates an insatiable hunger to fall in love with God as he

pushes believers over the edge into that precious zone of familiarity with God. When was the last time you spent time in His presence or pressed in close enough to reach up and kiss His face? This revealing message weaves together the coming move of God with Sam's personal experiences and encounters with the Holy Spirit. His unforgettable stories will help you to develop a "heart condition" and a practical lifestyle of worship--without a worship leader,

vocalists, keyboard or any music. Speaking to all generations, he urges men and women to live every day in close proximity to God.

Invites us to explore how our conscious and unconscious experiences have shaped our perceptions of God. This book also encourages us to develop God images

that are nurturing and healing.

Face to Face with Jesus
Zondervan

The Old Testament bears witness to an in-your-face, holy God--a God who gets down and dirty with creation and history; a God who gets in people's face with love and law, with power and purpose. Yet Israel's in-your-face God is also "holy"--too other, too raw, too intense to be handled without oven mitts. Rolf Jacobson wrestles with this in-your-face God. The Old Testament starts at the

beginning, where God digs in the dirt to create humanity and then gets in the dustlings' faces when they sin. God smiles on Abraham and Sarah, electing their descendants as the chosen people, but has to get in Pharaoh's face when he tries to enslave the people. Mostly, God gets in Israel's face: with laws about what it looks like to be God's people and through the prophets, who have to get in the faces of those who turn away from the Holy One. Jacobson also explores

the psalms, poetry in which God often hides his face. He closes by exploring how the Old Testament points us ahead to Jesus, when God took on a human face and offered us the most intimate picture of God we'll ever get.

The Changing Face of God Zondervan

What do an impoverished Black child, a drug dealer, a stripper, a mechanic, a virgin, a White supremacist, a drug addict, a murderer, and a Christian have in common? Underneath the

surface, just beneath the skin there is a face that we do not show. Who are we really when we think no one is watching but God? god face, the new chillingly gripping novel by Devian Nikei examines the experiment we call the human experience. This story centers around the one day we all wish we could change. The day that- had we made another choice, our lives could be drastically different. This tale is told from the perspective of various characters who get to go back and

change that one decision, only to find that things don't always work out like they hoped... Playing god has it's ramifications!

Gaining God's Approval

Harper Collins

Fr. Tom Kennedy's first experience with something totally out of the norm is when he hears the confession of a small boy who scares the priest with his evil description of something he has done and for which he has no remorse. The Nazarene woman

approaches a school board meeting for the purpose of lodging a complaint against their removal of all books relating in any way to Christianity. What she encounters at the meeting is our first look at the power of Satan unchecked. A number of other individuals find disturbing human actions and nature gone wrong. What has caused the garden, belonging to Fr. Tom's mother, to rot into plastic-type vegetation? What is behind the riots within the small

community where they live? What is the cause of the mysterious behavior the non-believer finds in the wilderness of northern Minnesota? Why is the disturbing prayer life and extreme difficulty with dreams from all the individuals we meet so much of a concern to not only the ones suffering but to us the readers? Fr. Tom and another priest friend call a meeting of all the individuals we know and some we will get to know at this meeting. The purpose of this get-together is to determine

the cause of these common effects on the lives of so many different people from different backgrounds and different faiths. The meeting becomes a place where all the concerns are voiced and all the sufferings are exposed. A possible reason for the commonalities is shared and agreed upon by all the attendees. How do we, God's people, face this problem that eventually takes Fr. Tom all the way from his bishop to Rome? Fr. Tom receives some heavenly

help in solving this problem as he takes steps to engage the path that he has been directed. *Smile on the Face of God* Fortress Press
Do you long for something more in your relationship with God? The good news is that "something more" does not mean "doing more." God is not waiting for you to get your spiritual life "right." He wants to be with you right where you are. The real question is not "What does God want from you?" but "What does God want for you?" Sharon Jaynes

understands what it's like to have a "glory ache"—a longing to experience God's presence on a daily basis. She also knows how easily working for God can get in the way of intimacy with God. And she's discovered that we tend to make our faith journey much too hard. In *A Sudden Glory*, Sharon uses Scripture and story to help you erase the line between your "spiritual life" and your "daily life" as you enter the sanctuary of God's presence even in the middle of your busy,

messy day. Here you will find your eyes opened to moments of sudden glory in which the Creator assures you of His love as you live and move and have your being in Him. Here you will discover true freedom—the freedom of experiencing God in a deeper and more intimate way than ever before. Includes Bible study and discussion guide.

"Best-selling journalist, historian and author Paul Badde embarks on an

exciting quest to discover the truth behind the Holy Face of Manoppello, a relic recently rediscovered and rumored to be the veil of Veronica...Badde was intrigued when he heard of a mysterious image in a remote Italian village--an image of a man's face on byssus cloth. Byssus, or sea silk, is a rare and delicate fabric woven from a silky filament produced by mollusks. It is claimed that the fabric is so thin and delicate that it is impossible to paint on--yet the image in

Manoppello is clearly visible, and when laid over the image of the face on the Shroud of Turin, forms a perfect match..."--Dust cover flap.

Does accepting the doctrine of biblical inspiration necessitate belief in biblical inerrancy? The Bible has always functioned authoritatively in the life of the church, but what exactly should that mean? Must it mean the Bible is without error in all historical details and ethical teachings? What should thoughtful Christians do with texts that propose God is pleased by human sacrifice or that God commanded Israel to commit acts of genocide?

What about texts that contain historical errors or predictions that have gone unfulfilled long beyond their expiration dates? In *The Human Faces of God*, Thom Stark moves beyond notions of inerrancy in order to confront such problematic texts and open up a conversation about new ways they can be used in service of the church and its moral witness today. Readers looking for an academically informed yet accessible discussion of the Bible's thorniest texts will find a thought-

provoking and indispensable resource in *The Human Faces of God*. *The Face of God* Bloomsbury Publishing This practical guide to hearing God's voice shows how an ordinary man who was committed to hearing God and obeying Him became the founder of the largest interdenominational missions organization in the world. Loren Cunningham's dream began with a vision - waves of young people moving out across the continents announcing

the Good News of Jesus Christ to the whole earth. Decades later, Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the Gospel to this generation. How did God move Loren's dream from vision to reality? He led Loren and his wife, Darlene, through a series of tough lessons in guidance. The exciting story of Youth With A Mission has much to teach us about the art of listening to God as we

seek to be used by Him. Is That Really You, God? is not only a practical guide to hearing God's voice, but also an amazing testimony to how following His direction can impact our lives and our world for the glory of God's kingdom. International statesman and conference speaker Loren Cunningham and his wife, Darlene, are the founders of Youth With A Mission. They currently live at the YWAM University of the Nations center in Kona, Hawaii. Loren speaks and

teaches internationally. His extensive missionary travels have taken him to every country on earth. Pages: 203 (paperback)
The Human Faces of God Harper Collins
 How can sinful humans approach a holy God? In the book of Hebrews, Jesus Christ is celebrated as the great high priest who represents his people before the Father. Jesus' roles as priest and mediator are central to his identity and bring to completion themes woven throughout Scripture. In this fifth ESBT volume, T.

Desmond Alexander considers the often-neglected themes of priesthood and mediation and how Christ fulfills these roles. He explores how these concepts illuminate what Christ has already accomplished for us through his self-sacrifice, as well as what he is presently achieving on our behalf, seated at the right hand of the Majesty in heaven. Through this study we gain a richer understanding of concepts such as holiness, sacrifice, covenant,

reconciliation, and God's dwelling place. Essential Studies in Biblical Theology (ESBT), edited by Benjamin L. Gladd, explore the central or essential themes of the Bible's grand storyline. Taking cues from Genesis 1-3, authors trace the presence of these themes throughout the entire sweep of redemptive history. Written for students, church leaders, and laypeople, the ESBT offers an introduction to biblical theology. *The Face of Apollo* Baker Books

Roger Scruton explores the place of God in a disenchanted world. His argument is a response to the atheist culture that is now growing around us, and also a defence of human uniqueness. He rebuts the claim that there is no meaning or purpose in the natural world, and argues that the sacred and the transcendental are 'real presences', through which human beings come to know themselves and to find both their freedom and their redemption. In the human face we find a

paradigm of meaning. And from this experience, Scruton argues, we both construct the face of the world, and address the face of God. We find in the face both the proof of our freedom and the mark of self-consciousness. One of the motivations of the atheist culture is to escape from the eye of judgement. You escape from the eye of judgement by blotting out the face: and this, Scruton argues, is the most disturbing aspect of the times in which we live. In his wide-ranging

argument Scruton explains the growing sense of destruction that we feel, as the habits of pleasure seeking and consumerism deface the world. His book defends a consecrated world against the habit of desecration, and offers a vision of the religious way of life in a time of trial.

In 1999, five scholars presented lectures at Washington National Cathedral about our images of God and what difference they make. This book is ideal for parish study groups and individuals to consider and discuss the viewpoints of Marcus Borg, Karen Armstrong, Jack Miles, James Cone, and Andrew Sung Park.

"Does the face of God change? Years ago I would have said, 'No.' Countless hymns, passage of Scripture and confessions of faith assert or imply the changelessness of God. To take issue with traditions that are centuries, if not millennia old, seemed to be daunting and misguided....But when the

great professions of confidence in God harden into philosophical propositions, one is bound to ask: What difference would it make to say that God has only one face? Even if true in some sense, the fact of the matter is that features each of us would count as necessary and changeless would be a matter of considerable debate." - From the Introduction
