Discover what it takes to be a Trollhunter in this interactive, in-world guidebook to the universe of Guillermo del Toro's animated TV series DreamWorks Trollhunters. We all know there are 47 volumes of A Brief Recapitulation of Troll Lore—authored millennia ago by the Venerable—and very dead—Bedehilde. But those books were written by trolls for trolls. And since Jim is the first human Trollhunter, it's time for him, Toby, Claire, Blinky, and AAARRRGHH!!! to write a brand-new 48th volume.

After all, Jim won't be the Trollhunter forever. And whoever inherits the Amulet after him—maybe another human boy, or a human girl, or even NotEnrique!—will benefit from this updated, humanized edition that collects and expands upon Jim's adventures for the whole new generation of champions to come. With chapters written by each of the characters on their special area of expertise, DreamWorks Trollhunters: A Brief Recapitulation of Troll Lore: Volume 48 takes readers through everything they need to know about their magical world. Young Trollhunters-in-training can learn about all things trolls, from Changelings to Troll Market to the evil troll Gunmar. Delving deep

into the world of Guillermo del Toro's epic series and including a variety of interactive inserts, this book is the perfect guidebook for all aspiring Trollhunters! DreamWorks Trollhunters ©2017 Dreamworks Animation LLC. All Rights Reserved.

Since the election of President Trump and the rise in racist and white supremacist activity, the militant antifascist movement known as antifa has become increasingly active and high profile in the United States. This book analyzes the tactics, culture, and practices of the movement through a combination of social movement studies and critical criminological

perspectives. Based on extensive fieldwork and interviews with activists, this book is the first scholarly sociological analysis of contemporary antifascist activism in the United States. Drawing on social movement studies, subculture studies and critical criminology, it explains antifa's membership, their ideology, strategy, tactics and use of culture as a weapon against the far right. It provides the most detailed account of this movement and also cuts through much of the mythology and common misunderstandings about it. This book will be of interest to scholars and students in sociology, political science, anthropology, criminology, and history; however, a general audience would also be interested in the explanation of what drives antifa tactics and strategy in light of the high-profile conflicts between fascists and antifascists.

"Passionate, mysterious,

funny, believable, moving, and chilling." – Kim Newman It's been 14 months since Emma G. Wildford's fiancé, Roald, left on an expedition to the Arctic. No one has heard from him since... Before he departed, he left Emma a letter, only to be opened in the event that he may not return. Refusing to believe that she may never see her beloved Roald again, Emma is determined to set off on her own expedition to rescue her lost love. "A truly unusual and haunting story that will catch in your heart and stay there." –

A decadent look at one of the most intriguing monarchs in history... "A must read romance!" ~ Serena Chase, Special for USA TODAY Before she can become the greatest empress in history, fifteen-year-old Sophie will have to survive her social-climbing mother's quest to put her on the throne of Russia--at any cost. Imperial Court holds dangers like nothing Sophie has ever faced before. In the heart of St. Petersburg, surviving means navigating the political, romantic, and religious demands of the

bitter Empress Elizabeth and her handsome, but sadistic nephew, Peter. Determined to save her impoverished family--and herself--Sophie vows to do whatever is necessary to thrive in her new surroundings. But an attempt on her life and an unexpected attraction threatens to derail her plans. Alone in a new and dangerous world, learning who to trust and who to charm may mean the difference between becoming queen and being sent home in shame to marry her lecherous uncle. With traitors and murderers lurking around every corner, her very life hangs in the balance. Betrothed to one man but falling in love with another, Sophie will need to decide how much she's willing to sacrifice in order to become the empress she is destined to be. In a battle for the soul of a nation, will love or destiny reign supreme? Don't miss the series dubbed a "must-read romance" by the USA Today and "An entertaining and racy read" by School Library Journal. Fans of the hit TV show REIGN will devour this scandalous glimpse into the life of one of the most vibrant women in history. This series is complete with all three

Society Publisher Turning the envelope over, his hand trembling, Harry saw a purple wax seal bearing a coat of arms; a lion, an eagle, a badger and a snake surrounding a large letter 'H'. Harry Potter has never even heard of Hogwarts when the letters start dropping on the doormat at number four, Privet Drive. Addressed in green ink on yellowish parchment with a purple seal, they are swiftly confiscated by his grisly aunt and uncle. Then, on Harry's eleventh birthday, a great beetle-eyed giant of a man called Rubeus Hagrid bursts in with some astonishing news: Harry Potter is a wizard, and he has a place at Hogwarts School of Witchcraft and Wizardry. An incredible adventure is about to begin! Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers. *Bolt Action: Campaign: Italy: Soft Underbelly* Editions Milan From Guillermo del Toro comes the book that

inspired the Netflix Animated Series TROLLHUNTERS! "You are food. Those muscles you flex to walk, lift, and talk? They're patties of meat topped with chewy tendon. That skin you've paid so much attention to in mirrors? It's delicious to the right tongues, a casserole of succulent tissue. And those bones that give you the strength to make your way in the world? They rattle between teeth as the marrow is sucked down slobbering throats. These facts are unpleasant but useful. There are things out there, you see, that don't cower in holes to be captured by us and cooked over our fires. These things have their own ways of trapping their kills, their own fires, their own appetites." Jim Sturges is your typical teen in suburban San Bernardino— one with an embarrassingly overprotective dad, a best friend named "Tubby" who shares his hatred of all things torturous (like gym class), and a crush on a girl who doesn't know he exists. But everything changes for Jim when a 45-year old mystery resurfaces, threatening the lives of everyone in his seemingly sleepy town. Soon Jim has

to team up with a band of unlikely (and some un-human) heroes to battle the monsters he never knew existed. From the minds of horror geniuses Guillermo del Toro and Daniel Kraus comes a new illustrated novel about the fears that move in unseen places.

**DEFIANCE IS TREASON. TREASON IS DEATH.** A siege is laid against the last resistance to the Senate's rule. As the battle rages, a commander, a soldier, and a rebel will decide how far they are willing to go for victory. **THE COMMANDER** Marcus is forced to choose between destroying the rebel forces and liberating his legion. He must face the true cost of being a leader. And an oppressor. **THE SOLDIER** Agrippa sets his sights on glory to fill the deepening void within him. He discovers that the price of fame might not just be paid in blood, it might be paid by his heart. **THE REBEL** Silvara joins the rebel forces to fight against the legions who would see her family dead. While she dreams of being a warrior, she finds her sharpest weapon is seduction. But to defeat the Empire, she'll have to betray the young man

who now has her heart. Inspired by the harsh world of ancient Rome, readers are obsessed with this martial tale of fiery romance, friendship, and enmity. Told from three points of view, **TARNISHED EMPIRE** is filled with twists you'll never see coming but will keep you turning the pages all night. **TARNISHED EMPIRE** is set in the world of Danielle L. Jensen's **DARK SHORES**. But readers new to the world can begin here.

 Troy est un monde fascinant, où la magie intervient dans le quotidien de tous. Chacun en effet possède un pouvoir, petit ou grand, plus ou moins utile. L'un a le don de figer l'eau en glace, l'autre de fondre le métal d'un regard... On trouve sur Troy toutes sortes de créatures, mais les plus redoutables pour l'être humain sont sans

nul doute les trolls. Pourtant, ces terribles prédateurs sont sympathiques. Ils chassent le dragon, cueillent le paysan et possèdent d'innombrables recettes pour les accommoder. Mais un jour, les hommes décident d'exterminer les trolls et forment un groupe de chasseurs aux terribles pouvoirs. Teträm, brave troll, accompagné de sa fille adoptive, l'humaine Waha, va tout tenter pour sauver les siens... Deux siècles avant l'histoire de Lanfeust, la quête pleine d'humour d'un troll sauvage et d'une jeune fille.

The Routledge Handbook of Contemporary Vietnam is a comprehensive resource exploring social, political, economic, and cultural aspects of Vietnam, one of contemporary Asia's most dynamic but least understood countries. Following an introduction that highlights major changes that have unfolded in Vietnam over the past three decades, the volume is organized into four thematic parts: Politics and Society  
Economy and Society  
Social Life and Institutions  
Cultures in Motion Part I

addresses key aspects of Vietnam's politics, from the role of the Communist Party of Vietnam in shaping the country's institutional evolution, to continuity and change in patterns of socio-political organization, political expression, state repression, diplomatic relations, and human rights. Part II assesses the transformation of Vietnam's economy, addressing patterns of economic growth, investment and trade, the role of the state in the economy, and other economic aspects of social life. Parts III and IV examine developments across a variety of social and cultural fields through chapters on themes including welfare, inequality, social policy, urbanization, the environment and society, gender, ethnicity, the family, cuisine, art, mass media, and the politics of remembrance. Featuring 38 essays by leading Vietnam scholars from around the world, this book provides a cutting-edge analysis of Vietnam's transformation and changing engagement with the world. It is an invaluable interdisciplinary reference work that will be of interest to students and

academics of Southeast Asian studies, as well as policymakers, analysts, and anyone wishing to learn more about contemporary Vietnam. *American Antifa* Simon and Schuster  
With the Axis Powers ejected from North Africa, the Western Allies look to take the fight across the Mediterranean and into Mussolini's Italy. This supplement for Bolt Action focuses on Operation Husky, the airborne and naval invasion of Sicily, the hard-fought battles in the villages and rugged mountain passes of that island, and the advance up the Italian Peninsula towards Rome. With a host of scenarios, new units, special rules, and Theatre Selectors this book contains everything players need to refight these important battles in defence of the Regno d'Italia or to strike at the underbelly of Axis-controlled Europe. *The Tree with Eyes* Insight Kids  
#1 NEW YORK TIMES BESTSELLER • "Is it as good as Red Dragon and Silence of the Lambs? No . . . this one is better."—Stephen King, The New York Times Book Review You remember Hannibal Lecter:

gentleman, genius, cannibal. Seven years have passed since Dr. Lecter escaped from custody. And for seven years he's been at large, free to savor the scents, the essences, of an unguarded world. But intruders have entered Dr. Lecter's world, piercing his new identity, sensing the evil that surrounds him. For the multimillionaire Hannibal left maimed, for a corrupt Italian policeman, and for FBI agent Clarice Starling, who once stood before Lecter and who has never been the same, the final hunt for Hannibal Lecter has begun. All of them, in their separate ways, want to find Dr. Lecter. And all three will get their wish. But only one will live long enough to savor the reward. . . . Praise for Hannibal "Interested in getting the hell scared out of you? Buy this book on a Friday . . . lock all doors and windows. And by Monday , you might just be able to sleep without a night-light."—Newsday "Strap yourself in for one heck of a ride. . . . Hannibal's memory palace and as disturbing as a Goya painting. This is one book you don't want to read alone at night."—The Atlanta Journal-Constitution "Relentless . . . endlessly terrifying . . . 486 fast-paced pages, in which every respite is but a prelude to further furious action . . . Hannibal begins with a murderous paroxysm that leaves the reader breathless. . . . Hannibal speaks to the imagination, to the feelings, to the passions, to exalted senses and to debased ones. Harris's voice will be heard for a while."—Los Angeles Times "A pleasurable sense of dread."—The Wall Street Journal "Enormously satisfying . . . a smashing good time, turning the pages for thrills, chills, horror and finally, a bracing, deliciously wicked slap in the face . . . perhaps the very best the thriller/horror genre is capable of producing."—San Diego Union-Tribune *The Trollhunters Collection* Harper Collins The acclaimed investigative reporter and author of *Confronting Collapse* examines the global forces that led to 9/11 in this provocative

exposé. The attacks of September 11, 2001 were accomplished through an amazing orchestration of logistics and personnel. *Crossing the Rubicon* examines how such a conspiracy was possible through an interdisciplinary analysis of petroleum, geopolitics, narco-traffic, intelligence and militarism—without which 9/11 cannot be understood. In reality, 9/11 and the resulting "War on Terror" are parts of a massive authoritarian response to an emerging economic crisis of unprecedented scale. Peak Oil—the beginning of the end for our industrial civilization—is driving the elites of American power to implement unthinkable draconian measures of repression, warfare and population control. *Crossing the Rubicon* is more than a story of corruption and greed. The compelling story of heroic women across the country who, despite personal trauma, found grace in difficult times and transformed their personal adversity into pay-it-forward wins by founding nonprofits that help and sustain others, mother to mother. In the midst of environmental chaos, economic uncertainty, and an endless array of health issues, mothers remain the backbone of our families and exponentially impact their communities. Such is the case of the brave women featured in *A Mother's Grace: Healing the World One Woman at a Time*. Author Michelle Moore is founder and executive director of *Mother's Grace*, an award-winning nonprofit organization that supports thousands of mothers and their children in crisis each year. She endured overwhelming trauma as a young girl when her mother died suddenly,

and later struggled with divorce, cancer, and a son with juvenile diabetes. She begins by recounting how women in her circle of mom friends helped heal her childhood wounds and empowered her to claim victories in adulthood. Along the way, through divine intervention, she meets the ten remarkable women featured here whose personal tragedy-to-victory stories changed her forever. Readers seeking guidance during the challenging times we all face in life will find inspiration and hope as they meet mothers who have lived through dire poverty, the death of a child, a spouse's suicide, terminal childhood cancer, and devastating natural disaster. The poignant and powerful stories of how each found the grit and grace to not only defeat these challenges but also turn them around to impact the world is enlightening and motivating. Finally, Moore calls readers to rise from the depths of their challenges and gives them the tools to do so. Lessons from the moms in this book provide specific life strategies anyone can use to improve her situation and the world around her—one woman

at a time.
